Name of Land Owner: ____________________________ Address: ____________________________
Name of Operator: ____________________________ Address: ____________________________

Part A
TO BE FILED BY THOSE OBTAINING IRRIGATION WATER FROM
A DITCH COMPANY OR IRRIGATION DISTRICT

1. Water is delivered by: ____________________________ Name of Ditch, Ditch Company or District supplying water

2. State the number of acres you irrigate under this system: ____________________________ Shares you hold: ____________________________

3. If you obtain water from more than one Company, give the number of shares, acres irrigated and the name of the Company under "Remarks." If you obtain water from a Ditch Company and also have a private system fill in both Part A and Part B.

Part B
TO BE FILED BY THOSE WHO HAVE A PRIVATE DITCH, PUMP OR IRRIGATION SYSTEM
or those who have a private water right under a Ditch Company

4. In what year was this land first irrigated? Date: ____________________________

5. Give the name of the original appropriator (first user): ____________________________

7. State the total number of acres irrigated under this system: ____________________________

8. Give the point of diversion: ____________________________ 1/2 Section: ____________________________ Township: ____________________________ Range: ____________________________

Part C
TO BE FILED BY ALL WATER USERS IN ADDITION TO PART A OR PART B

9. Source of Water: ____________________________ Name of stream or lake from which water is originally diverted

10. Water is obtained by: (Check one) Gravity: ____________________________ Pumping: ____________________________ Other: ____________________________

11. What is the greatest number of acres you have irrigated? Date: ____________________________

12. How many acres did you irrigate in 19___? (Crop and pasture) ____________________________

13. State the total number of additional acres that could be irrigated by increasing the water supply, land leveling, etc: ____________________________ This land is under what ditch? ____________________________

14. How many acres of seeped land do you have which could be drained and put into production? ____________________________

15. What is the condition of your irrigation system? ____________________________

16. Is your water supply adequate? Yes: ____________________________ No: ____________________________ Explain: ____________________________

If you cannot answer all of the questions on this form answer as many as you can and return the form to us as soon as possible.
As this land is owned by the Indians it will not be necessary for you to give us any information pertaining to water rights, but as an operator of this land we would like to have you give us the number of acres you irrigated in 1945 in Question 12, under Part C, on the enclosed form.

March 21, 1946

Billings Hudson-Terreplane Co.
Billings, Montana

Dear Sirs:

SPECIAL NOTICE TO OPERATOR OF THE INDIAN LAND SHOWN ON THE ENCLOSED FORM.

As it is possible that you also operate other lands than those shown on our map, we are interested in the amount of land that you have irrigated only on the land that we have mapped, and not other lands that you may operate under different ownership. The reason for this is that, if lands have white owners, we contact them directly.

Name of Land Owner: Indian
Address: 

Name of Operator: Johnson, Charles
Address: Pryor, Montana

Part A
TO BE FILED BY THOSE OBTAINING IRRIGATION WATER FROM A DITCH COMPANY OR IRRIGATION DISTRICT

1. Water is delivered by: ________________________________
   Name of Ditch, Ditch Company or District supplying water

2. State the number of acres you irrigate under this system: __________________________
   Shares you hold: __________________________

3. If you obtain water from more than one Company, give the number of shares, acres irrigated and the name of the Company under "Remarks." If you obtain water from a Ditch Company and also have a private system fill in both Part A and Part B.

Part B
TO BE FILED BY THOSE WHO HAVE A PRIVATE DITCH, PUMP OR IRRIGATION SYSTEM or those who have a private water right under a Ditch Company

4. In what year was this land first irrigated? Date: __________________________

5. Give the name of the original appropriator (first user): __________________________

6. Give the date appropriated: __________________________
   Amount filed on: Miners Inches: __________ C. F. S. __________

7. State the total number of acres irrigated under this system: __________________________

8. Give the point of diversion: __________________________
   ¼ Section __________ Township __________ Range __________

Part C
TO BE FILED BY ALL WATER USERS, IN ADDITION TO PART A OR PART B

9. Source of Water: __________________________
   Name of stream or lake from which water is originally diverted

10. Water is obtained by: (Check one) Gravity: __________
     Pumping: __________
     Other: __________

11. What is the greatest number of acres you have irrigated? Date: __________________________

12. How many acres did you irrigate in 19__? (Crop and pasture): __________________________

13. State the total number of additional acres that could be irrigated by increasing the water supply, land leveling, etc.: __________
   This land is under what ditch: __________

14. How many acres of seeped land do you have which could be drained and put into production?: __________________________

15. What is the condition of your irrigation system?: __________________________

16. Is your water supply adequate? Yes __________
   No __________
   Explain: __________________________

17. REMARKS: __________________________

Ditch: __________________________ Acres: ________

Information supplied by:

Name __________________________ Address __________________________ Date 9/3/76

REMARKS: __________________________

If you cannot answer all of the questions on this form answer as many as you can and return the form to us as soon as possible.
As this land is owned by the Indians it will not be necessary for you to give us any information pertaining to water rights, but as an operator of this land we would like to have you give us the number of acres you irrigated in 1945 in Question 3, under Part C, on the enclosed form.

March 21, 1946

Mr. Charles Johnson
Fryor, Montana

Dear Mr. Johnson:

SPECIAL NOTICE TO OPERATOR OF THE INDIAN LAND SHOWN ON THE ENCLOSED FORM.

As it is possible that you also operate other lands than those shown on our map, we are interested in the amount of land that you have irrigated only on the land that we have mapped, and not other lands that you may operate under different ownership. The reason for this is that, if lands have white owners, we contact them directly.
