Remarks * Most of the water comes from tribs. & coulees Sec. 31 & a diversion dike on Wilber Skinner's land in Sec. 31. Used to be a ditch from Alkali Creek in NENW Sec. 5 T. 29N - R. 29E No longer in use.

The lake was irr. area but because of irr. in Sec. 32 it is now full of water. When water is let into pond and ditch it runs back into lake through drain ditch.
