Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

1. H. E. Benjamin Jr., of Shelby
(Name of Appropriator) (Address) (Town)

County of Toole State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

SE ¼ SE¼ Sec. 22 T. 33 R. 1W

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

2. The beneficial use on which the claim is based
Stock Water

3. Date or approximate date of earliest beneficial use; and how continuous has been
July 1936 Continuous

4. The amount of groundwater claimed (in miner's inches or gallons per minute) 10 Gal. per Minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof
Not Used

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal
Pump

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater
July 1936

8. The depth of water table 40 Feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater
18 Inches 50 Feet Deep

10. The estimated amount of groundwater withdrawn each year 200,000 Gallon

11. The log of formations encountered in the drilling of each well if available
Unknown

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

Signature of Owner H. E. Benjamin Jr.

Date 12-27-63

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

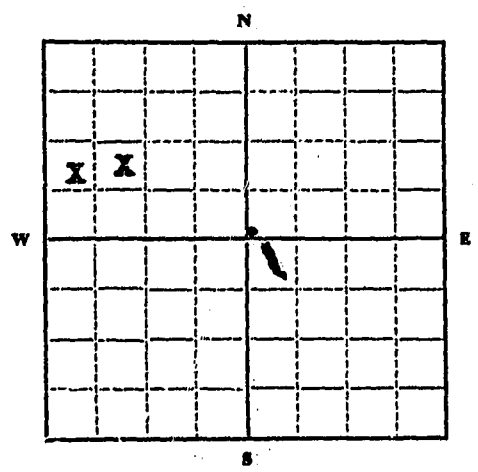
1. W. H. Hanson and Bertha V. Hanson, of Galata
(Name of Appropriator) (Address) (Town)
County of Toole State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:



S½, NW ¼ Sec. 22 T. 33 R. 3 E

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

2. The beneficial use on which the claim is based Household, Livestock and Shop

3. Date or approximate date of earliest beneficial use; and how continuous the use has been July, 1938
Use has been constant for one or all of the above mentioned purposes since this time.

4. The amount of groundwater claimed (in miner's inches or gallons per minute) Approximately 800 gallons per day. All the water that can be made to flow into these wells.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof
Not applicable

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal
Pumps provide withdrawal means.
Location is shown on map above.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater The first well was completed by myself as owner in July, 1938, the second well was completed Oct. 29th 1955. Both have Galvanized steel curbing.

8. The depth of water table Varies with rainfall, between 14 and 20 feet.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater Both wells are hand dug. Both have 2 ft. curbing at the top and 3ft curbing at the bottom and both are 20 ft. deep.

10. The estimated amount of groundwater withdrawn each year 73000 Gal.

11. The log of formations encountered in the drilling of each well if available Loam and Clay

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record
