Remarks.....

* This property was sold on contract to Don Ellis of California, who gave a quit-claim deed to William C. Harrison, a Spokane attorney who is also involved as a stockholder and board member of Nancy Lee Mines, Inc. Jones is still receiving payments on the contract, but legal title rests with him at this time. Borden says he is leasing the property from Harrison.

** These rights were filed for use in and around the townsite of Carter (now known as Keystone) and are used only in Sec 5-17N-26W. There are several town lots in the townsite owned by people other than Jones who may have some claim to this water, but none of these others use water at this time.

* LOGE USES FOUR MILE CREEK FOR IRRIGATION ON U.S. LAND IN SEC. 27, AS SUPP. TO SWIFT (MILLER DRAW) CREEK. HE DOES PLAN F.I. ON THIS OWNERSHIP IN THE FUTURE, BUT AS OF THIS DATE HAS NO DEFINATE PLANS. HE PLANS TO REQUEST THE SERVICES OF SCS BECAUSE AN I/S RES. WILL BE REQUIRED & THE USE OF BENTONITE ON RES. & DITCHES IS A MUST. BASIC SOURCE OF WATER WILL BE SWIFT (MILLER DRAW) CREEK BECAUSE IT IS A LIVE STREAM UP TO THE POINT WHERE IT ENTERS FOUR MILE CREEK.

** LOGE SAID THIS RIGHT PRIMARILY BELONGS ON HIS OWNERSHIP. COULD POSSIBLY GO River Basin COLUMBIA ON TAMARACK CR. IN SEC. 8. CIBER GLO CALLS THIS DRAINAGE "FOURMILE".

* This property was sold on contract to Don Ellis of California, who gave a quit claim deed to William C. Harrison, a Spokane attorney who is also involved as a stockholder and board member of Nancy Lee Mines, Inc. Jones is still receiving payments on the contract, but legal title rests with him at this time. Borden says he is leasing the property from Harrison.

** These rights were filed for use in and around the townsite of Carter (now known as Keystone) and are used only in Sec. 5-17N-26W. There are several town lots in the townsite owned by people other than James who may have some claim to this water, but none of these others use water at this time.
