Information From

Remarks 41 - 6/5/08

System was originally a dam in Arnells Creek, flood system  
was installed about 1903, used as run and gravity  
system until 1944 when dam washed out and then a  
pump system was installed. The land has not been  
irrigated for the last 2 years except for the corn  
patch next to the nr. Finch is putting in a new  
pump this year and expects to pump on all the  
land next year
