Mr. Gerald J. Cravitz
Assistant State Engineer (Rosebud River)
Billings Montana - (Appropriation
No. 542)

Dear Mr Cravitz -

This will acknowledge the receipt of
your letter of May 3, - 1948 - Concerning the
irrigated land in sections 4-5-8-17 T-1n-
43 E - (which we now own) - As far as
we know - Mr. R. Q. Bear, filed a water
right, prior to 1887 - As to the number
of inches appropriated, we can not say -
This appropriation was the second
made on the Rosebud - At that time, as
you may know, we were in Custer County -
The above described land was
irrigated, by Mr. Bear in 1887 or before

Could you not, secure information,
as to the date of the filing - from our
County (Rosebud) records - since there
must have been a transcript of all
records - when we were segregated from
Custer County - ?

Mr. Gerald J. Prantz —
— This matter is very interesting to me.
Since we have rather extensive holdings
on the Rosebud — We have a copy of
of a water right, 900 inches, filed, Sept. 8,
1887, — Rosebud River; Also a water
right filed, Feb. 13, — 1906, for 800 inches
from Sprauge Creek, and tributaries —
(Sprauge Creek is a tributary of the)
Rosebud —

We are in section 4 — 2 — n 43 E —
— Home Ranch — Are sorry that we can not
give you the information, that you
really wish —

Very truly
Philbrick Land & Livestock Co
Mary H. Philbrick — Pres —

P.S. Mr. Bean, may
have filed a water right
in 1885 — well —
we just do not know —
Mrs Philbrick
