Dear Sir:

Having operated a ranch in Montana only three years we do not clearly understand your letter of February 11, 1948 in regard to the irrigation.

The South Fork Foster Creek is a dry creek. We do not have any running water in creeks. The only irrigation we do is by wells.

We bought this land from Judson H. Wilson, Miles City Montana and his father Preston Wilson owned the land before his death.

Yours truly,
Williams & Phakitt Ranch
John Williams
