Decleration of Vested Groundwater Rights

County of:  Ravendale
State of:  Montana

I, the undersigned, have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based:
   Household  

3. Date or approximate date of earliest beneficial use; and how continuous the use has been:
   1920  since

4. The amount of groundwater claimed (in minor's inches or gallons per minute):
   50 gallons per minute

5. Sec 33  T81  R56 W

6. Means of withdrawing such water from the ground & the location of such well or other means of withdrawal:

7. The date of commencement & completion of the construction of the well, wells, or other works for withdrawal of groundwater:
   1920  started  completed 1920

8. The depth of water table  26 feet

9. So far as it may be available, the type, size & depth of each well or the general specifications of any other works for the withdrawal of groundwater:
   Drilled  96 ft  4 inch casing

10. The estimated amount of groundwater withdrawn each year  2,000,000

11. The log of formations encountered in the drilling of each well if available:

12. Other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book & page of my county record:

Deputy
Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. CLARENCE L. SMART, of WISDOM, P.O. BOX 233
   (Name of Appropriator) (Address) (Town)

   County of BEAVERHEAD State of MONTANA

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: Household and irrigation of lawn.

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: Real-estate—continuous-use.

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 10 gallons per minute.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:

   Corner of Pine & Second Streets, In Wisdom—Lots 1, 2, 3, of Elk 6
   ¼ Sec. T R

   Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:

   Electric pump.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: Not known

8. The depth of water table: 15 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:

   Dug well, 3-foot casing, depth of well, 15 ft.

10. The estimated amount of groundwater withdrawn each year: 100,000 gallons

11. The log of formations encountered in the drilling of each well if available: Not known.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: No other information available.

   Signature of Owner: Clarence L. Smart
   Date: 1/13/65

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

DeclARATION OF VESTED GROUNDWATER RIGHTS
(Under Chapter 237, Montana Session Laws, 1961)

Essie L. Helming, a
Wisdom

County of Beaverhead State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. Name of Appropriator (Address) (Town)

2. The beneficial use on which the claim is based: Household, Lawn and Shrubbery.

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: 1955.

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 20 gal per min.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof.

6. The means of withdrawing said water from the ground and the location of each well or other means of withdrawal: Electric Pump in House.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: August 1955.

8. The depth of water table: 9' from top of basement.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: 6" Casing 65' ft deep.

10. The estimated amount of groundwater withdrawn each year.

11. The log of formations encountered in the drilling of each well if available: Sandy and Yellow Clay White Sand at 53' 60' Gray Sand.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

Signature of Owner: Essie L. Helming
Date: Dec. 30, 1964

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

Notice of Completion of Groundwater Appropriation
Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: Spring 1934
Equitable Owner: Fred Rutledge  Address: Wisdom, Mont.
Contractor (if any): none
Address of Contractor: not applicable
Date Started: 1934  Date Completed: 1934

Describe means of obtaining groundwater without a well “as by
sub-irrigation and other natural processes”. Include depth to
water when applicable excavation of existing well
so as to develop flowing spring

Quantity of water developed and used with explanation of method
used to measure or estimate such amount. If use is intermittent
estimate approximate lengths of periods of use for stock watering.
water flows into troughs and then overflows onto
full flow 2 inch pipe in the spring and towards the
end of the summer and in the fall decreasing to
approximately a third of a 2 inch pipe. Quantity
estimated in spring at 8 gallons per minute and
in fall at approximately 2 gallons per minute.

Signature of Owner: Fred Rutledge
Date: Dec. 31, 1963

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the
works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

Wesley G. Skeeters

of Box 214 Milrona

County of Beaverhead

State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based

Domestic water

3. Date or approximate date of earliest beneficial use; and how continuous the use has been

Feb. 1959 — daily since

4. The amount of groundwater claimed (in miner's inches or gallons per minute)

15 ft. p.m.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal

3/4 hp. jet pump

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater

Jan. 6, 1959 — Jan. 8, 1959 — Inc. dril ling

8. The depth of water table

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater

6 in. drilled well — Cased 65 ft. In

10. The estimated amount of groundwater withdrawn each year

2,500,000 gallons

11. The log of formations encountered in the drilling of each well if available

loose gravel and sand, some clay. Finished well-in-coarse sand.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

Deputy
STATE OF MONTANA
ADMINISTRATOR: OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

STATE ENGINEER

1. Name of Appropriate: James P. Koran
   Address: 312 Main St., Helena, Montana
   County: Lewis
   State of Montana
   They have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based:
      Irrigation
   
   3. Date or approximate date of earliest beneficial use, and how continuous the use has been:
      Aug. 17, 1947, Irrigation

   4. The amount of groundwater claimed (in miner's inches or gallons per minute): 15 gallons

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:
      20 acres, Sec. 1, T. 3 N., R. 7 W.

   6. The means of withdrawing such water from the ground, and the location of each well or other means of withdrawal:
      Pump for Manual Irrigation

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:

   8. The depth of water table:
      5 ft.

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:
      Standard

   10. The estimated amount of groundwater withdrawn each year:
      14,400

   11. The log of formations encountered in the drilling of each well if available:

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

Signature of Owner: James P. Koran
Date: Feb. 14, 1969

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; TriPLICATE to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriate.
STATE OF MONTANA

County of Beaverhead

I hereby certify that the within instrument was filed in my office on the 15th day of Feb., A.D. 1942, at 5:00 o'clock, P.M. and recorded on page 156 of Book 151 of Water Well Records of Beaverhead County, Montana.
