### Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1983)

**STATE OF MONTANA**

**ADMINISTRATOR OF GROUNDWATER CODE**

**OFFICE OF STATE ENGINEER**

**DECLARATION OF VESTED GROUNDWATER RIGHTS**

**STATE ENGINEER**

1. Otto Fabniash, of Dillon, Montana
   - (Name of Appropriator)
   - (Address)
   - (Town)
   - County of Beaverhead, State of Montana

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   - 2. The beneficial use on which the claim is based: **domestic water, house and garden and lawn**
   - 3. Date or approximate date of earliest beneficial use; and how continuous the use has been: **Nov. 1, 1951, continuous**
   - 4. The amount of groundwater claimed (in miner's inches or gallons per minute): **15 g.p.m.**
   - 5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: **lawn and garden, 6 acres**
   - 6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: **drilled well, with electric pump**
   - 7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: **Started Oct. 31, 1951, completed Nov. 2, 1951**
   - 8. The depth of water table: **static level 3 ft.**
   - 9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: **drilled well, cased with 6" O.D. casing, 43 ft. deep**
   - 10. The estimated amount of groundwater withdrawn each year: **2,000,000 g.p.y.**
   - 11. The log of formations encountered in the drilling of each well if available: **Travel to 25 ft., clay & sand to 43 ft., finished in coarse sand.**
   - 12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: **Not applicable.**

   **Signature of Owner:**

   **Date:** Dec 23, 1983

---

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplication to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.
STATE OF MONTANA

COUNTY OF BEAVERHEAD

I hereby certify that the within instrument was filed in my office on the 23rd day of July, A.D. 1963, at 2 P.M. and recorded on page 667 of Book 151 of Records of Beaverhead County, Montana. 

Attest: My hand and seal

COUNTY RECORDER

[Stamp]

Deputy
Notice of Completion of Groundwater Appropriation
Without Well
(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: 1880
Owner: Otto Pahnish
Address: Dillon, Montana
Contractor (if any): Look here
Address of Contractor: Look here
Date Started: 1880
Date Completed: 1880
Describe means of obtaining groundwater without a well "as by
sub-irrigation and other natural processes". Include depth to
water when applicable: Spring, 1/4 acre, Flow
Livestock and meadow irrigation or both

Quantity of water developed and used with explanation of method
used to measure or estimate such amount. If use is intermittent
estimate approximate lengths of periods of use: Year

Indicate point of appropriation and place of use, if possible.

Signature of Owner: Otto Pahnish
Date: Dec 31, 1963

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the
works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana
Bureau of Mines and Geology and quadruplicate for the Appropriator.
STATE OF MONTANA,
County of Beaverhead.

I hereby certify that the within instrument was filed in my office on the 31st day of December, A.D. 1883, at 8:01 A.M., and recorded on page 508 of Book 133 of Wills, Records of Beaverhead County, Montana.

Attest my hand and seal,

Notice of Completion of Groundwater Appropriation by Means of Well
DEVELOPED AFTER JANUARY 1, 1962
(Under Chapter 237 Montana Session Laws, 1961, as amended)

Owner: William Show
Address: Grant, Star Route, Dillon

Driller: Carl F. Hollemsteiner
Address: Dillon, Mont.

Date of Notice of appropriation of groundwater: Nov. 6, 1969
Date well started: Nov. 6, 1969
Date completed: Nov. 7, 1969

Type of well: Drilled
Equipment used: Churn Drill
(Dug, driven, bored or drilled)

Water use: Domestic □ Municipal □ Stock □ Irrigation □ Industrial □ Drainage □ Other □

Indicate on the diagram the character and thickness of the different strata met with in drilling, such as soil, clay, shale, gravel, rock or sand, etc. Show depth at which water is encountered, thickness and character of water-bearing strata and height to which the water rises in the well.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

Robert H. James and Isabel James, of Grant
(Name of Appropriator) (Address) (Town)
County of Beaverhead State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: stock water

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: 1918

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 10 miners inches

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: well

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: 1918

8. The depth of water table: 15 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: dug cistern - 4 feet - 4 feet in diameter

10. The estimated amount of groundwater withdrawn each year: 50,000 gallons

11. The log of formations encountered in the drilling of each well if available: not available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

Signature of Owner R. H. James
Date December 15, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriorator.

Notice of Completion of Groundwater Appropriation
Without Well
(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: 12-70

Owner: L. M.
Address: Dillon, Montana

Contractor (if any) -
Address of Contractor -
Date Started: Date Completed:

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable. 

75 ft. to two steel stockwater tanks. Total storage: 393 gallons.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent, estimate approximate lengths of periods of use.

Indicate point of appropriation and place of use, if possible.

Signature of Owner: District Manager:
Date: 12-70

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology and Quadruplicate for the Appraiser.

STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

Paul Henneberry
(Name of Appropriator)
of Box 488
(Address)
County of Beaverhead
(Town)
State of Montana

I have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: Irrigation

3. Date or approximate date of earliest beneficial use; and how continuous the use has been:
   Continuous use since 1886. Reservoir and ditch reconstructed in 1938 and 1958.

4. The amount of groundwater claimed (in miner's inches or gallons per minute) 90 cu. feet 360 inches also 150 in. decreed water.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:
   Several natural gravity flowing springs located in extreme NE corner Sec. 29 T9S R10W and NW corner Sec. 28
   Owner: Paul Henneberry.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
   Spring water held in reservoir and carried by way of ditch 3 ft. wide and 2 feet deep to point of irrigation Sec. 16 (Ditch 2 miles).

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: Year 1886.

8. The depth of water table: unknown.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:
   Spring water held in reservoir

10. The estimated amount of groundwater withdrawn each year:

11. The log of formations encountered in the drilling of each well if available: Gravity springs.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: Notice of appropriation in Book 50 Page 520 in office of Co. Clerk & Recorder Beaverhead County, also 150 inches of waters of that certain spring. The decree of which appears of record in the office of the Clerk of the Court in Book 4 at Page 341 records of said County and State.

Signature of Owner:

Date: April 29, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the School of Mines and quadruplicate for the Appropriator.
STATE OF MONTANA, 1938.
County of Beaverhead, Montana.

I hereby certify that the within instrument was filed in my office on the 26th day of June, A.D. 1938, at 12:15 minutes past 2:00 P.M., and recorded on page 185 of Book 138 of

Notice of Completion of Groundwater Appropriation by Means of Well
DEVELOPED AFTER JANUARY 1, 1962
(Under Chapter 237, Montana Session Laws, 1961)

Owner: James Rebich
Address: Dillon, Montana

Driller: Briggs Delg
Contractor: Address: Dillon, Montana

Date of Notice of appropriation of groundwater: July 13, 1966
Date well started: July 5th, 1966
Date completed: July 8th, 1966

Type of well: Drilled
Equipment used: Cable tool
(Dug, Driven, bored or drilled)
(Churn drill, rotary or other)

Water use: Domestic □ Municipal □ Stock □ Irrigation □
Industrial □ Drainage □ Other □

Indicate on the diagram the character and thickness of the different strata met with in drilling, such as soil, clay, shale, gravel, rock or sand, etc. Show depth at which water is encountered, thickness and character of water-bearing strata and height to which the water rises in the well.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

Rock Island Oil & Refining Co., Inc. Box 271 Dillon

County of Beaverhead State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based water from well used for irrigation and at all times for stock and domestic use.

3. Date or approximate date of earliest beneficial use; and how continuous the use has been April 1, 1953, and used continuously for each and all above beneficial uses since said earliest use.

4. The amount of groundwater claimed (in miner's inches or gallons per minute) 1500 gallons per minute.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof used with creek water and water from other wells on approximately 1000 acres in Sec. 4, T.98, R.8W & Sec. 31 & 32, T.98, R.8W, owned by Rock Island Oil & Refining Co., Inc.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal

Electric Turbine pump located on top of well.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater January 5, 1953; finished about March 15, 1953.

8. The depth of water table About 35 feet.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater 20' steel casing, approximately 1800 perforations 36' to 165'.

10. The estimated amount of groundwater withdrawn each year 2,150,000 gals per day for 150 days.

11. The log of formations encountered in the drilling of each well if available 3' top soil, 3 to 10' light gravel, 10 to 30' heavy gravel, 36 to 170' light gravel, 170 to 172' heavy gravel, 172 to 175' clay. First water seep about 50 feet.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

I hereby certify that the within instrument was filed in my office on the 17th day of September, A.D. 1963, at 10:00 a.m., and recorded on page 469 of Book 15 of Records of Beaverhead County, Montana.

Attest hand and seal.

By, Deputy

County Recorder
STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Rock Island Oil & Refining Co., Inc., Box 271, Dillon, MT
   (Name of Appropriator) (Address) (Town)

County of Beaverhead, State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based is used for irrigation and at all times for stock water and domestic use.

3. Date or approximate date of earliest beneficial use; and how continuous the use has been since said earliest use.

4. The amount of groundwater claimed (in miner's inches or gallons per minute) Approximately 800 gallons per minute.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater started October 30, 1952; finished December 16, 1952.

8. The depth of water table 35 feet.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater 20" steel casing, 1500', 3/8" x 3" perforations, 65' to 140', 120' feet of casing in well.

10. The estimated amount of groundwater withdrawn each year 1,130,000 Gal. per day for 150 days.

11. The types of formations encountered in the drilling of each well if available, 1/2' top soil, 1/2' to 3' loose gravel, 3' to 10' pea gravel, 10' to 25' boulders, 25' to 50' dirty heavy gravel, 50' to 100' light gravel - silt, 100 to 115' heavy gravel & silt, 115' to 135' gravel washed, 135' to 150' clay.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record of appropriation filed on October 14, 1963, recorded at page 15-10 in Book 133 of Records in Beaverhead County, Montana, name being incorporated herein by reference thereto.

1. Rock Island Oil & Refining Co., Inc., of Box 271 Dillon
   (Name of Appropriator) (Address) (Town)
   County of Beaverhead State of Montana
   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based: water from well used for irrigation and at all times for stock water and domestic use.

   3. Date or approximate date of earliest beneficial use; and how continuous the use has been April 14, 1952, and used continuously for each and all above beneficial uses since said earliest use.

   4. The amount of groundwater claimed (in miner's inches or gallons per minute) Approximately 1100 gallons per minute

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof is used in conjunction with creek water on all irrigable lands in Sec. 4-36-8-W & Sec. 33-34-86-8W owned by Rock Island Oil & Refining Co., Inc.

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal Electric Turbine pump located on top of well.

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater...Started about February 15, 1952; finished April 14, 1962.

   8. The depth of water table 47 feet.

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater...20" steel casing, approximately 1800, 5/8" x 3" perforations from about 70' to 145'. 154 feet deep.

   10. The estimated amount of groundwater withdrawn each year 1,500,000 Gal. per day for 150 days.

   11. The log of formations encountered in the drilling of each well if available: top soil, 6' to 51 dirty gravel, 5' to 50' dirty cobble, rock gravel, 50 to 55', sandy gravel, 55 to 110', dirty gravel & silt, 110 to 150', dirty gravel, 150 to 154', clay & gravel. Small amount of water 70 to 100', no water 100 to 115', water good 127 to 150'.

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record Notice of Appropriation filed April 22, 1962, recorded on Page 364 of Book 73 of Water Records of Beaverhead County, same being incorporated herein by reference thereto.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

Rock Island Oil & Refining Co., Inc., of Box 271, Dillon

County of Beaverhead, State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. The beneficial use on which the claim is based was water from well used for irrigation and at all times for domestic use.

2. Date or approximate date of earliest beneficial use; and how continuous the use has been, Feb. 15, 1952, and used continuously for each and all above beneficial uses since said earliest use.

3. The amount of groundwater claimed (in miner's inches or gallons per minute) Approximately 1100 gallons per minute

4. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof water is used in conjunction with creek water and water from other wells on all irrigable lands in Sec. 4 & 5 T. 9 S., R. 8 W., Sec. 20, 31 & 32 T. 9 S., R. 8 W., owned by Rock Island Oil & Refining Co., Inc.

5. The means of withdrawing such water from the ground showed Electric Turbine pump located on top of well.

6. Indicate point of appropriation No. 2 Well

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater Started drilling of well on or about Dec. 31, 1951; finished Feb. 12, 1952.

8. The depth of water table 80 feet

9. The log of formations encountered in the drilling of each well if available heavy gravel, 30 to 65' dirty gravel, 65 to 70' gravel and sand stone silt, 70 to 85' dirty gravel, 85 to 105' heavy gravel, 105 to 140' extra heavy gravel, 140 to 150' dirty gravel, 150 to 160' clay & silt, 160 to 170' loose dirty gravel.

10. The estimated amount of groundwater withdrawn each year 1,700,000 Gal. per day for 150 days.

11. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record Notice of Appropriation filed Feb. 16, 1962, recorded on page 163 of Book 73 of Water Records of Beaverhead County, same being incorporated herein by reference thereto.
