Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

I, John M. Crank, of Blaine, Montana
(Name of Appropriator) (Address) (Town)
County of Blaine State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1/4 Sec. 25 T. 36 R. 25

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

2. The beneficial use on which the claim is based Stockwater
3. Date or approximate date of earliest beneficial use; and how continuous the use has been. 1912 - 1962
4. The amount of groundwater claimed (in miner's inches or gallons per minute) 5 miner's inches
5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof Gardens
6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal Hand-dug well
7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater. 1912 - #1 1950 - #2 1955 - #3
8. The depth of water table. #1 - 14 ft. #2 - 20 ft.
9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater. Hand-dug well
10. The estimated amount of groundwater withdrawn each year. #1 - 300 gal. #2 - 100 gal. #3 - 300 gal.
11. The log of formations encountered in the drilling of each well if available.
12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

Signature of Owner

Date Dec 30, 1965

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

Notice of Completion of Groundwater
Appropriation by Means of Well

(Under Chapter 237, Montana Session Laws, 1961)

Owner Elwyn Wolery Address Turner, Mont.Driller Billmeyer & Sons Address Billings, Mont.

Date of Notice of Appropriation of Groundwater

Date well started 4-18-64 Date Completed 4-20-64Type of well Drilled Equipment Used Spudder
(dug, driven, bored or (Churn, drill, rotary or
drilled) other)Water Use: Domestic ☒ Municipal ☐ Other ☐ Irrigation ☐
Industrial ☐ Drainage ☐ Stock ☐

Indicate on the diagram the character and thickness of the different strata met with in drilling, such as soil, clay, shale, gravel, rock or sand, etc. Show depth at which water is encountered, thickness and character of water-bearing strata and height to which water rises in the well.

Size of Drilled Hole	Size and Weight of Casing	From (Feet)	To (Feet)	PERFORATIONS		
				Kind Size	From (Feet)	To (Feet)
<u>6 3/8"</u>	<u>6 3/4" .188</u>		<u>25'</u>	<u>none - open end</u>		

SW Sec. 17 T. 36 R. 26

Indicate location of well and place of use, if possible. Each small square represents 10 acres.

Show exact depth of bottom.

Static Water Level for non-flowing Well 16' feet.

Shut-in Pressure for Flowing Well

Pumping Water Level 18 feet at 10 gal. per minute.

Discharge in gal. per min. of flowing well

How Tested Bailed Length of Test 1 hr.

Remarks: (Gravel packing, cementing, packers, type of shutoff, location of place of use of groundwater if not at well, and any other similar pertinent information, including number of acres irrigated, if used for irrigation)

Driller's License Number

Driller's Signature

This form to be prepared by driller, and three copies to be filed by the owner with the County Clerk and Recorder in the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology and Quadruplicate for the Appropriator.

DECLARATION OF VESTED GROUNDWATER RIGHTS
(Under Chapter 237, Montana Session Laws, 1951)

Elvyn Holery of Turner
(Name of Appropriator) (Address) (Town)

County of... Blaine State of... Montana
have appropriated groundwater according to the Montana laws in effect prior to Jan. 1,
1962, as follows:

2. The beneficial use on which the claim is based.....
#1 for domestic use and #2 for stockwater

3. Date or approximate date of earliest beneficial use;
and how continuous the use has been.....
About 1911

4. The amount of groundwater claimed (in miner's inches
or gallons per minute).....
From 5 to 10 gallons per minute

5. If used for irrigation, give the acreage and description
of the lands to which water has been applied and name
of the owner thereof.....

On 1/4 Sec 34, T. 36, R. 26.
indicate point of appropriation
and place of use, if possible.
Each small square represents 6
acres.

The means of withdrawing such water from the ground and
the location of each well or other means of withdrawal
Electric jet pumps

The date of commencement and completion of the construction of the well, wells, or
other works for withdrawal of groundwater.....
Same as 3.

The depth of water table..... 18 feet

So far as it may be available, the type, size and depth of each well or the general
specifications of any other works for the withdrawal of groundwater.....
3 foot square wooden casing

The estimated amount of groundwater withdrawn each year..... continuous use

The log of formation encountered in the drilling of each well if available.....
gravel and no other information

Such other information of a similar nature as may be useful in carrying out the policy
of this act, including reference to book and page of any county record.....

Signature of Owner... Elvyn Holery

Date... December 30, 1963

STATE OF MONTANA) ss.
County of Blaine)

(Under Chapter 237, Montana Session Laws, 1961)

I, Arben Cederberg, of Turner,
(Name of Appropriator) (Address) (Town)
County of B. Laine State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

S.E. $\frac{1}{4}$ Sec. 19 T. 36 R. 26

Indicate point of appropriation
and place of use, if possible.
Each small square represents 10
acres.

2. The beneficial use on which the claim is based household and livestock water
3. Date or approximate date of earliest beneficial use; and how continuous the use has been 1947 continuous use since Aug.
4. The amount of groundwater claimed (in miner's inches or gallons per minute) 10 gal per minute
5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof none
6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal pump
7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater. 1947
8. The depth of water table 35 ft.
9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater.
drilled well 6"
10. The estimated amount of groundwater withdrawn each year. 110,000
11. The log of formations encountered in the drilling of each well if available. none
12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.
