Notice of Completion of Groundwater Appropriation Without Well

Under Chapter 237, Montana Session Laws, 1961

Date of Appropriation of Groundwater
Owner
Address, Town, County, State

Contractor (if any)
Address of Contractor

Date Started
Date Completed

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable.

Indicate point of appropriation and place of use, if possible.

Signature of owner
Date

This form to be prepared by contractor if any, otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology and Quadruplicate for the Appropriator.
Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Name of Appropriator: (Address)  (Town)
   County of: State of: Montana

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based: stock water.

   3. Date or approximate date of earliest beneficial use; and how continuous the use has been: 1930, continuous use.

   4. The amount of groundwater claimed (in miner's inches or gallons per minute): NOT MEASURED.

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: STOCK WATER.

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: SPRING.

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: UNKNOW.

   8. The depth of water table: UNKNOW.

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: SPRING.

   10. The estimated amount of groundwater withdrawn each year: NOT MEASURED.

   11. The log of formations encountered in the drilling of each well if available: UNKNOW.

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

   Signature of Owner: 
   Date: DEC. 31-1963.

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located. Please answer all questions. If not applicable, write none in the space. The form will be returned.

Notice of Completion of Groundwater Appropriation
Without Well

Under Chapter 257 Montana Session Laws, 1961

Date of Appropriation of Groundwater: ____________________________

Owner: ____________________________ Address: __________________

Contractor (if any): ____________________________ Address of Contractor: __________________

Date Started: __________________ Date Completed: __________________

Describe means of obtaining groundwater without a well "as by
subirrigation and other natural processes". Include depth to
water when applicable. Exemptions referred to here are improve-
ments in natural springs into regular channel of
subirrigation and natural channel of each spring.

If springs are used for watering stock, the springs
are described and are used and installed. Each
spring is described as to its water source which is
well through the spring, spring and fall for watering
purpose, and use of the water. Each well is described
and fall

Quantity of water developed and used with explanation of method
used to measure or estimate such amount. If use is intermittent
estimate approximate lengths of periods of use: __________________

Indicate point of appropriation and place of use, if possible.

Signature of Owner: __________________ Date: __________________

This form to be prepared by contractor if any, otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the
works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana
Bureau of Mines and Geology and quadruplicate for the Appropriator.
STATE OF PENNSYLVANIA
County of Berks

Before me, on the 24th day of December, 1863

I, Robert D. Shaler, County Clerk, do hereby certify

/\
By: James T. Johnson, Deputy.
Notice of Completion of Groundwater Appropriation by Means of Well
DEVELOPED AFTER JANUARY 1, 1962
Under Chapter 257, Montana Session Laws, 1961

Owner: ROBERT OBERON
Address: WILTON, MONTANA
Driller: MURRUS DRILLING & PUMP
Address: BILLINGS, MONTANA

Date of Notice of appropriation of groundwater: Nov. 30, 1966
Date well started: Nov. 19, 1966
Date completed: Nov. 30, 1966

Type of well: Drilled
Equipment used: churn

Water use: Domestic

Indicate on the diagram the character and thickness of the different strata met with in drilling, such as soil, clay, shale, gravel, rock or sand, etc. Show depth at which water is encountered, thickness and character of water-bearing strata and height to which the water rises in the well.

<table>

Notice of Completion of Groundwater Appropriation
Without Well

Under Chapter 127, Montana Session Laws, 1961

Date of appropriation of Groundwater: not applicable

Owner: A. H. Diehl
Address: Winston

Contractor (if any): Lewis Eich
Address of Contractor: Townsend

Date Started: not applicable
Date Completed: not applicable

Describe means of obtaining groundwater without a well, "as by sub-irrigation and other natural processes". Include depth to water when applicable: train ditch-surface pump

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent, estimate approximate lengths of periods of use

Signature of Owner: G. W. Diehl
Date: ____________________

This form to be prepared by contractor if any, otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights
(Under Chapter 37, Montana Session Laws, 1961)

1. United States of America, Box 2353, Billings, Montana

2. The beneficial use on which the claim is based: water for recreational purposes

3. Date or approximate date of earliest beneficial use, and how continuous the use has been: August 10, 1960, continuous use

4. The amount of groundwater claimed, in miner's inches or gallons per minute: 20 gallons per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: Not used for irrigation

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Hand lift pump

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: Well started July 26, 1960 - completed July 30, 1960

8. The depth of water table: 32'

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: 6" pipe - 32' in depth

10. The estimated amount of groundwater withdrawn each year: 1 acre-foot

11. The bar of formations encountered in the drilling of each well if available: 0' - 5' top soil and gravel, 5' - 15' large gravel and boulders, 15' - 29' hard pan, 29' - 31' gravel and clay, 31' - 32' clean gravel.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: This water is used for domestic, household, stock watering and similar use by employees of the United States, its agents, and the public in connection with operation of the recreational facilities at the Canyon Ferry Federal Reclamation Project.
