(Under Chapter 237, Montana Session Laws, 1961)

1. Sigur Hoines, of Red Lodge (Town)
(Name of Appropriator) (Address)
County of Carbon State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

SE 1/4 NE Sec. T. R.

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

2. The beneficial use on which the claim is based.....
Stock

3. Date or approximate date of earliest beneficial use; and how continuous the use has been.....
1910 - continuous

4. The amount of groundwater claimed (in miner's inches or gallons per minute).....
3 gal./minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof.....
No irrigation

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal.....
Electric pump

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater.....
1910

8. The depth of water table.....
12 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater.....
50 feet deep
curbed with rock

10. The estimated amount of groundwater withdrawn each year.....
50,000 gal./yr.

11. The log of formations encountered in the drilling of each well if available.....
SAND ROCK

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.....
None
