DECLARATION OF VESTED GROUNDWATER RIGHTS

(Under Chapter 237, Montana Session Laws, 1961)

Alice Harrington, of Elk Lake, State of Montana

County of Carter

Declara that I have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based:
   
   Spring Stock water

3. Date or approximate date of earliest beneficial use; and how continuous the use has been:
   
   Unknown, used year round

4. The amount of groundwater claimed (in miner's inches or gallons per minute):
   
   3 gals pm

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:

   Natural flow, unimproved

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:

   Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:

8. The depth of water table:
   
   Surface

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:

10. The estimated amount of groundwater withdrawn each year:
   
   2,241,000

11. The log of formations encountered in the drilling of each well if available:

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

Signature of Owner

Date: 6-22-1963

This form is to be filled by the owner with the County Clerk and Recorder of the county in which the well is located. Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

Alice Harrington
(Name of Appropriator)

Ekalaka
(Address)

Carter
(Town)

County of Carter
State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based:

Stock Water Springs

3. Date or approximate date of earliest beneficial use; and how continuous the use has been:

Unknown

Used continuously since 1900

4. The amount of groundwater claimed (in miner’s inches or gallons per minute):

No. 1 2 gals pm

No. 2 3 gals pm

No. 3 5 gals pm

6. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:

8. The depth of water table:

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:

10. The estimated amount of groundwater withdrawn each year:

No. 1 1,050,000

No. 2 1,500,000

No. 3 1,500,000

11. The log of formations encountered in the drilling of each well if available:

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

Signature of Owner:

Date: Feb. 22, 1963

This form to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Made to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Fish and Game; Quadruplicate to the Appropriator.

Notice of Completion of Groundwater Appropriation Without Well

(Under Chapter 237 Montana Session Laws, 1961)

<table>
<thead>
<tr>
<th>Sec. 11</th>
<th>2 N 59 E</th>
</tr>
</thead>
<tbody>
<tr>
<td>Sec. 14</td>
<td>2 N 59 E</td>
</tr>
</tbody>
</table>

Date of Appropriation of Groundwater: April 21, 1911
Herbert B. Albert
Owner: Eskalaka, Montana

Contractor (if any): 
Address of Contractor: 
Date Started: 
Date Completed: 

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes": Include depth to water when applicable. Water flows naturally from the surface from one Spring situated in NE 1/4 of Section 11 - Township 2 North, Range 59 East M. P. M., and two Springs situated in SW 1/4 SW 1/4 of Section 11 - Township 2 North, Range 59 East M. P. M.

Quantity of water developed and used, with explanation of method used to measure or estimate such amount. If use is intermittent estimate approximate length of periods of use. Springs are used continuously for stock water purposes and one Spring in SW 1/4 Sec. 14 - 2 N 59 E. is used for irrigation of a garden. Two of these Springs flow at a rate of approximately one gallon a minute.

Signature of Owner: 
Date: December 20, 1963

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology and Quadruplicate for the Appropriator.
Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

Richard Atkinson, ET-71

County of Carter
State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use for which the claim is based: Link

3. Date or approximate date of earliest beneficial use and how continuous the use has been: 1891-9 continued since

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 15 gal per min

5. If used for irrigation, give the acreage and description of the land to which water has been applied and name of the owner thereof

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Pumpage, flow continuity

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: 1891

8. The depth of water table: unknown

9. So far as it may be available, the type, use and depth of each well or the general specifications of any other works for the withdrawal of groundwater

10. The estimated amount of groundwater withdrawn each year: unknown

11. The log of formations encountered in the drilling of each well if available

12. Such other information of similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

Signature of Owner: Richard Atkinson
Date: Dec 30 - 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

They have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: stock water

3. Date or approximate date of earliest beneficial use and how continuous the use has been: June 30, 1948 - the use has been continuous to date

4. The amount of groundwater claimed (in months or gallons per minute): one gallon per minute

5. If used for irrigation, give the area and description of the land to which water has been applied and name of the owner thereof: none

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: 2 inch plastic pipe by natural flow

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: June 30, 1948

8. The depth of water table: about two feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: 2 inch plastic pipe with natural flow

10. The estimated amount of groundwater withdrawn each year: 100,000 gallons stored in dugout

11. The log of formations encountered in the drilling of each well if available: sand rock

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: none

Notice of Completion of Groundwater Appropriation by Means of Well

(Under Chapter 237, Montana Session Laws, 1911)

Owner: William Walter
Address: 5545, Montana

Driller: J. B. Ward
Address: 

Date of Notice of Appropriation of Groundwater

Date well started: Aug 5, 1913
Date completed: Aug 10, 1913

Type of well: Drilled
Equipment used: Rotary
(dig, driven, bored or other)

Water Use: Domestic □ Municipal □ Stock □ Irrigation □ Industrial □ Drainage □ Other □

Indicate the character and thickness of the different strata met with in drilling, such as soil, clay, shale, gravel, rock or sand, etc. Show depth at which water is encountered, thickness and character of water-bearing strata and height to which the water rises in the well.

Static Water Level for non-flowing well: 15 ft from top, 5 ft.

Shut-in Pressure for Flowing Well

Pumping Water Level: 15 ft. to 5 ft. gal. per minute.

Discharge in gal. per min. of flowing well

How Tested: Pumped

Length of Test: 27 ft.

Remarks: Gravel packing, cementing, packers, type of shutoff, location of place of use of groundwater if not at well, and any other similar pertinent information, including number of acres irrigated, if used for irrigation

This form to be prepared by driller, and three copies to be filed by the owner with the County Clerk and Recorder in the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the School of Mines and Quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

E. R. Heegen

County of... State of...

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based:
   - Watering livestock.

3. Date or approximate day of starting beneficial use and when continuous use has been since then:
   - No. 1, 1944 and continuously since then.
   - No. 2, 1944 and continuously since then.

4. The amount of groundwater claimed in cubic feet or gallons per minute:
   - No. 1, 2 gallons per minute.
   - No. 2, 1 gallon per minute.

5. If used for irrigation, give the acreage and description of the land to which water has been applied and name of the owner thereof:
   - unsustainable.

6. The means of withdrawing such water from the ground and the location of machinery or water well:
   - No. 1, Pumped by hand.
   - No. 2, Pumped by hand.

7. The date of commencement and completion of the construction of the well, wall, or other works for withdrawal of groundwater:
   - No. 1 was completed in 1944.
   - No. 2 was completed in 1944.

8. The depth of water table:
   - No. 1, 12 feet deep.
   - No. 2, 10 feet deep.

9. The type, size, and depth of each well or the general specifications of any other works for withdrawal of water:
   - No. 1, 6 inch pipe, 25 feet deep. casing 10 - 3 inch cylinder, 18 inch pipe.
   - No. 2, 20 feet deep. casing 16 - 3 inch cylinder, 18 inch pipe.

10. The estimated amount of groundwater withdrawn each year:
    - unknown.

11. The log of formations encountered in the drilling of each well:
    - unknown.

12. Such other information of a similar nature as may be useful in ascertaining the policy of this act, including reference to book and page of any county record:
    - unknown.
