STATE OF MONTANA  
ADMINISTRATOR OF GROUNDWATER CODE  
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights  
(Under Chapter 237, Montana Session Laws, 1961)

1. William J. Boodle & Josephine Boodle  
   (Name of Appropriator) Stockeit  
   (Address)  
   (Town)

County of Cascade  
State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based:  
   Livestock

3. Date or approximate date of earliest beneficial use; and how continuous the use has been  
   Continuous since 1958  
   and prior to that by predecessors.

4. The amount of groundwater claimed (in miner's inches or gallons per minute):  
   One gallon per spring, 4 springs

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:  
   Not applicable

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:  
   Natural Springs

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:  
   Natural Springs

8. The depth of water table:  
   Approximately 4 feet to 5 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:  
   Natural Springs

10. The estimated amount of groundwater withdrawn each year:  
    900 gallons per day per spring

11. The log of formations encountered in the drilling of each well if available:  
    Not applicable

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:  

   Signature of Owner
   December 27, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

Notice of Completion of Groundwater Appropriation Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: 12/31/63
Owner: E. Newton Thomas
Address: Hardin, Mont.
Contractor (if any): E. Newton Thomas
Address of Contractor: Hardin, Mont.
Date Started: June 1963
Date Completed: July 1963

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable. Perforated tile, collection box and 1 4" steel pipe to a 50-gallon metal tank

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent, estimate approximate lengths of periods of use:

Signage of Contractor: E. Newton Thomas
Date: Dec. 31, 1963

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology; quadruplicate for the Appropriator.

Signed before me, Vera L. Hovde, Notary in and for the State of Montana, my commission expires March 1, 1966

Vera L. Hovde

By ___________ Deputy.
Notice of Completion of Groundwater Appropriation
Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: 1942-

Owner:

Address:

Contractor (if any): 

Address of Contractor:

Date Started: Date Completed:

Describe means of obtaining groundwater without a well "as by
sub-irrigation and other natural processes". Include depth to
water when applicable:

Indicate point of appropriation
and place of use, if possible.

Quantity of water developed and used with explanation of method
used to measure or estimate such amount. If use is intermittent
estimate approximate lengths of periods of use:

Signature of Owner:

Date:

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the
works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana
Bureau of Mines and Geology and Quadruplicate for the Appropriator.
Notice of Completion of Groundwater Appropriation
Without Well

Date of Appropriation of Groundwater: 1935

Owner's Address: East Rev.

Constrator (if any): 

Address of Contractor: 

Date Started: Date Completed:

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent, estimate approximate lengths of periods of use. Water is used year around for stock.

Signature of Owner: 

Date: Dec. 27, 1964

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state; otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and quadruplicate for the Appropriator.
STATE OF MONTANA

(Under Chapter 257 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: Approx. 1884.
Owner: Dr. M. P. Doran, address Great Falls
Contractor (if any): NA or Unknown
Address of Contractor: NA
Date Started: Unknown, Date Completed: Unknown

Describe means of obtaining groundwater without a well— "as by
sub-irrigation and other natural processes". Include depth to
water when applicable—Seepage, spring, stream,
rock formation, flow usable without
development, ...........................................

Quantity of water developed and used with explanation of method
used to measure or estimate such amount. If use is intermittent
estimate approximate lengths of periods of use, Approx. 30
gal per minute, Used All Year.

Signature of Owner

Date: Dec 31, 1963

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which
the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana
Bureau of Mines and Geology and quadruplicate for the Appropriator.
Notice of Completion of Groundwater Appropriation
Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: Approx. 1984
Owner: Dr. H. D. Donar
Address: Great Falls
Contractor (if any) NA
Address of Contractor NA
Date Started: NA Date Completed: NA

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable. See page, spring from rock formation, flow usable without development.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent estimate approximate lengths of periods of use.

Yearlong

Approx. 20 gph per minute

Indicate point of appropriation and place of use, if possible.

Signature of Owner: Michael D. Donar
Date: Dec 31, 1963

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state; otherwise the form will be returned.

Declaration of Vested Groundwater Rights
(Under Chapter 27, Montana Session Laws, 1961)

1. U.S. of America, Forest Service, USDA (Name of Appropriator) of: (Address)

County of: Cascade State of: Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: Recreation - Logging Creek Campground.

3. Date or approximate date of earliest beneficial use: and how continuous the use has been, continuous since 1959 (summarize period each year.)

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 0.12 miner's inches.

5. If used for irrigation, give the area and description of the land to which water has been applied and name of the owner thereof.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: by well.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: 1959.

8. The depth of water table: 15 feet.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: 1-2" casing, 1-2" screen, 1-2" deep with

10. The estimated amount of groundwater withdrawn each year: 40,000 Gallons.

11. The log of formations encountered in the drilling of each well if available: Not Available.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: Lewis and Clark Water Right #33.

Signature of Owner:

Date:

This form is to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.
