Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

(Name of Appropriator) (Address) (Town)
County of State of

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based:

3. Date or approximate date of earliest beneficial use; and how continuous the use has been:

4. The amount of groundwater claimed (in miner's inches or gallons per minute):

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:

8. The depth of water table:

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:

10. The estimated amount of groundwater withdrawn each year:

11. The log of formations encountered in the drilling of each well if available:

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

Signature of Owner:
Date:

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.
Notice of Completion of Groundwater Appropriation Without Well

Date of Appropriation of Groundwater: None

Owner: ____________________________ Address: ____________________________

Contractor (if any): ____________________________ Address of Contractor: ____________________________

Date Started: ____________________________ Date Completed: ____________________________

Describe means of obtaining groundwater without a well “as by observation and other natural processes” Include depth to water when applicable.

Conveyed to concrete stockwater trough with 32 t.f. of 1-1/2" I.D. galv. steel pipe.

Source of water is from fractures in rock outcrops.

Quantity of water developed and used with explanation as to method used to measure or estimate such amount. If use is intermittent for livestock during fall & winter. Approximate estimated lengths of periods of use:

Amount of water is 5 gpm.

Indicate point of appropriation and place of use, if possible.

Signature of Owner: ____________________________ Date: ____________________________

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology and Quadruplicate for the Appropriator.

Notice of Completion of Groundwater Appropriation Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: Early 1960

Owner: Edward M. Mayer
Address: Eden, River Falls, Montana

Contractor (if any): None
Address of Contractor: Unknown
Date Started: Unknown, Date Completed: Unknown

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable:

Natural processes
Depth about 18 inches

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent, state approximate lengths of periods of use:

Water supplies every 5 minutes, at those times dry seasons completely
Use about eight months

Signature of Owner: Marie E. Mayer
Date: Jan. 2, 1963

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Notice of Completion of Groundwater Appropriation
Without Well
(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: 1910
Owner: Edward M. Matie
Address: 1441 Hubbell St., Great Falls, Montana
Contractor (if any): None
Address of Contractor: None
Date Started: Unknown. Date Completed: Unknown

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable.

Natural processes:
Depth 18 inches
4 gallons per minute measured with 1 gallon container

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent estimate approximate lengths of periods of use.

Used throughout the year

Edward M. Matie
Signature of Owner: 11/1/1963

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Herman Wuerl
   (Name of Appropriator) of "Zen Bte. Great Falls
   (Town) State of Montana
   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based. This water is used for the home and livestock

   3. Date or approximate date of earliest beneficial use; and how continuously the use has been used continually

   4. The amount of groundwater claimed (in miner's inches or gallons per minute). Three gallons per minute

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof.

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal.

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater.

   8. The depth of water table.

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater.

   10. The estimated amount of groundwater withdrawn each year.

   11. The log of formations encountered in the drilling of each well if available.

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

   Signature of Owner: Herman Wuerl
   Date: Dec. 9, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

Notice of Completion of Groundwater Appropriation
Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: Sept 1958
Owner: Ernest Helby
Address: Eden, Me., Great Falls, Mont.
Contractor (if any) - Steeple, Montana
Address of Contractor -

Date Started: Sept 1958  Date Completed: Sept 1958

Describe means of obtaining groundwater without a well "as by
sub-irrigation and other natural processes". Include depth to
water when applicable.

1. Concrete collection box

2. Of 1/2 inch perforated plastic pipe

of source of springs, water from collection box
drilled to 20 feet up hill, 1/2 inch, plastic pipe.
water then conveyed to dwelling with 1/2 inch, perforated pipe

Quantity of water developed and used with explanation of method
used to measure or estimate such amount. If use is intermittent
estimate approximate length of periods of use.

Two pipe 10 feet long at each end of house used to supply
water for livestock & dwelling. Amount of water in each pipe last varies from

1 tsp. to 6 tsp. depending on source.

</tbody>
</table>

2. The beneficial use on which the claim is based
   Domestic, Stock, and personal

3. Date or approximate date of earliest beneficial use; and how continuous the use has been since I acquired the land:
   Since I acquired the land, I have used water seen in Sec. 24, T. 17, R. 17, W. 4, in 1955. In Sec. 25, T. 17, R. 17, W. 4, in 1955.

4. The amount of groundwater claimed (in miner's inches or gallons per minute) from wells - 80 gallons per minute each. All spring water questions. Varieties from season to season.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied: No water used for irrigation.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal for withdrawal of groundwater from water system. The well was dug.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: All wells were constructed before I acquired the land. One which I had drilled in 1952 and is on State record.

8. The depth of water table: 20 to 95 feet.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: Not applicable. One well, 50 feet deep. Other wells dug by others, owners, and depth varies. All springs developed by use of manure and fertilizer. Spring water is size from 2 to 6 gallons.

10. The estimated amount of groundwater withdrawn each year: 8000 gallons from wells.

11. The log of formations encountered in the drilling of each well if available: No logs are available except one. Four wells were drilled, one well 25 feet, one well 75 feet.

12. Such other information: No other information is available.

Signature of John O. Stampailler

NO

J. L. LENNON
CLERK AND RECORDER

DT.
STATE OF MONTANA  
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. **Colby Sheep Co.**, of **Milledgeville, MT**, **GREAT FALLS**
   (Name of Appropriate)  
   (Address)  
   (Town)

   County of **CUT BANK**  
   State of **MONTANA**

   I have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   **[Diagram]**

   *Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.*

   **[Grid]**

   **[NE 1/4 Sec. 3T 17R 3E]**

   2. The beneficial use on which the claim is based:
   - HOUSEHOLD USE
   - STOCK WATER

   3. Date or approximate date of earliest beneficial use; and how continuous the use has been:
   - **No. 1. CONTINUED USE SINCE ABOUT 1870**
   - **No. 2. CONTINUED USE SINCE 1894**
   - **No. 3. CONTINUED USE SINCE 1904**

   4. The amount of groundwater claimed in million (hundreds or gallons per minute) **5 yrs. for more than 10 yrs.**

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:
   - **Irrigation for lawns, only**
   - **Adjacent to house (No. 1)**
   - **No. 3. irrigated for stockwater**

   6. The means of withdrawing such water from the ground and the location of each:
   - **Swell Pumps (No. 1)**
   - **Caser, 1. 400 ft. deep. Pump No. 3**

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater **July 8-10, 1915**

   8. The depth of water table **71 ft. 15 ft.**

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:
   - **No. 1. 10 ft. deep.**
   - **No. 2. 25 ft. deep.**
   - **No. 3. 30 ft. deep.**

   10. The estimated amount of groundwater withdrawn each year **70,000 gal. each year.**

   11. The log of formations encountered in the drilling of each well if available
   - **No. 1, 2, 3**

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record
   - **Colby Sheep Co.**

   Signature of Owner
   **Colby Sheep Co.**
   **P. W. Colby 2-7-1916**

   Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

   Please answer all questions. If not applicable, so state, otherwise the form will be returned.

   Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriate.
COUNTY OF MONTANA,

County of Cascade.
