STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. SUSAN L. MARTIN
   of Eden Route, Great Falls, Montana
   (Name of Appropriator)
   (Address)
   (Town)
   County of Cascade
   State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: Watering livestock

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: About 1970

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 6 gallons per minute

5. If used for irrigation, give the acresage and description of the lands to which water has been applied and name of the owner thereof:
   Not for irrigation

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
   Flowing spring, diverted by pipe to troughs

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:
   Not applicable

8. The depth of water table: Don't know

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:
   Flowing spring, diverted by pipe to trough

10. The estimated amount of groundwater withdrawn each year: 3,140,000 gallons

11. The log of formations encountered in the drilling of each well if available: Not applicable

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

   Signature of Owner
   Date, August 25th, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state. Otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology, and quadruplicate for the Appropriator.
STATE OF MONTANA, ss.
County of Cascade.

I hereby certify that the within instrument was filed in this office on SEP 5 - 1968.

Notice of Completion of Groundwater Appropriation Without Well

(Under Chapter 237, Montana Session Laws, 1961)

Date of Appropriation of Groundwater: June 1963

Owner: Herman Tuerl
Address: Eden, Mont.

Contractor (if any): None
Address of Contractor: None

Date Started: None
Date Completed: None

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes", include depth to water when applicable. This is a natural spring and flows from the ground without any assistance.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent, estimate approximate lengths of periods of use. This spring flows continually at four gallons per minute, measured with bucket and watch.

Signature of Owner: Herman Tuerl
Date: June 9, 1963

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and quadruplicate for the Appropriator.
STATE OF MONTANA, ss.
County of Cascade.

I hereby certify that the within instrument was filed in this office on

\[ \text{DEP. 1.5 1963} \]
\[ \text{at 11:07 of Nov. A} \]

J. L. LENNOX
County Clerk of Recorder.

Deputy
Notice of Completion of Groundwater Appropriation Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: June 1966

Owner: Herman Wuerl  Address: Eden

Contractor (if any): none

Address of Contractor: none

Date Started: none  Date Completed: none

Describe means of obtaining groundwater without a well "as by
sub-irrigation and other natural processes". Include depth to
water when applicable. This is a natural spring and flows from the ground without any assistance.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent estimate approximate lengths of periods of use. This spring flows continually at the rate of five to eight gallons a minute, depending on year and time of year measured with bucket and watch.

Signature of Owner: [Signature]

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. School District # 75 of Stockett, Montana
   (Name of Appropriator) (Address) (Town)
   County of Cascade State of Montana
   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based.
   water supply for school

3. Date or approximate date of earliest beneficial use; and how continuous the use has been.
   continuous since 1961

4. The amount of groundwater claimed (in miner's inches or gallons per minute).
   3 gallons per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof.
   none

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal.
   submersible pump

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater.
   August 1961

8. The depth of water table.
   86 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater.

10. The estimated amount of groundwater withdrawn each year.

11. The log of formations encountered in the drilling of each well if available.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. A.M. Bechler, Jr. for Bertha Bechler, of High Route, Lewistown, (Name of Appropriator)
   (Address) (Town)
   County of Cascade State of Montana
   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   S. E. 1/4 Sec. 5 T. 17 R. 17 N.

   Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

   2. The beneficial use on which the claim is based. Domestic use, Watering gardens and watering livestock.

   3. Date or approximate date of earliest beneficial use: and how continuous the use has been. November 1, 1961.

   4. The amount of groundwater claimed (in miner's inches or gallons per minute). 12 gal. per min.

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof.

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal. Electric pump.

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater. November 1, 1961.

   8. The depth of water table 270 ft.

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater. 170 ft., depth.

   10. The estimated amount of groundwater withdrawn each year 6,207,520.

   11. The log of formations encountered in the drilling of each well if available. No record.

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

   Signature of Owner: ____________________________

   Date: December 27, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the
works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana
Bureau of Mines and Geology and Quadruplicate for the Appropriator.
Declaration of Vested Groundwater Rights
(Under Chapter 277, Montana Session Laws, 1961)

1. LOUISE STEFANI, of 1820 5th Ave. So., Great Falls.
   (Name of Appropriator)
   (Address) (Town)
   County of Cascade
   State of Montana

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based.
      Household, domestic and watering cattle.

   3. Date or approximate date of earliest beneficial use; and how, continuously, the use has been.
      1935, Daily use since that date.

   4. The amount of groundwater claimed (in miner's inches or gallons per minute).
      10 gallons per minute

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof
      
   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal.
      Electric motor and pump jack.

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater.
      1935.

   8. The depth of water table. 
      Thirty feet. Second well 60 feet.

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater.
      1 3/4 inch pipe used to withdraw. Depth is thirty feet. (First well)
      2 1/8 inch pipe used to withdraw. Depth is 60 feet. (Second well)

   10. The estimated amount of groundwater withdrawn each year.
      100,000

   11. The log of formations encountered in the drilling of each well if available.
      Not available

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

   *There are two wells on this property, approximately 200 feet apart.

   Signature of Owner
   Date: December 31st, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.
