Notice of Completion of Groundwater Appropriation Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: Oct. 1, 1958

Owner: John Doe
Address: Cascade, Montana
Contractor (if any): None
Address of Contractor:
Date Started: Oct. 1
Date Completed: Oct. 8, 1958

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable. Area head computed at source of spring. Depth 4', length 12', width 12'. Livestock water at immediate source of water.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent estimate approximate lengths of periods of use.

Indicate point of appropriation and place of use, if possible.

Signature of Owner: John Doe
Date: October 8, 1963

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology and Quadruplicate for the Appropriator.
STATE OF MONTANA
County of Cascade

I, J. F. LENNON, Clerk and Recorder, do hereby certify that the within instrument was filed in this office on

OCT 7 - 1963

Date

At 5:30 o'clock p.m.

J. F. LENNON
Clerk and Recorder.

By

Deputy.

# Declaration of Vested Groundwater Rights

**State of Montana**

**Administrator of Groundwater Code**

**Office of State Engineer**

Under Chapter 257, Montana Session Laws, 1931:

1. **Name of Appropriator:** John E. & Daisy P. Segerman
   **Address:** Route Creel, South, Cascade

2. **County of Appropriation:** Cascade
   **State of Montana:**

3. **Data of Appropriation:**
   According to the Montana laws in effect prior to January 1, 1982, as follows:

<table>
<thead>
<tr>
<th>Use</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>Drinking</td>
<td></td>
</tr>
<tr>
<td>Irrigation</td>
<td></td>
</tr>
<tr>
<td>Garden</td>
<td></td>
</tr>
</tbody>
</table>

4. **The amount of groundwater claimed in acre-feet or gallons per minute:**
   Using about 6000 gal. at a time
   (Estimated by Choteau Falls Water Dept. Engineer)

5. **If used for irrigation, give the average and description of the lands to which water has been applied and name of the owner thereof:**
   YES; SPRINKLE 100 LARGES LAWN & GARDEN AREA AROUND HOME, 3500 SQ. FT, SIMILAR TO LARGE VACANT CITY LOT.

6. **The means of withdrawing water from the ground and the location of each well or other means of withdrawal:**
   SINGLE WELL, ELECTRIC PUMP

7. **The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:**
   ABOUT 1910-1911, CONSTRUCTED BY FORMER OWNER

8. **The depth of water table:** Varies from 15' to 50' in area. Max about 20

9. **So far as may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:**
   INFORMATION NOT AVAILABLE

10. **The estimated amount of groundwater withdrawn each year:**
    6000 gal.

11. **The log of formations encountered in the drilling of each well if available:**
    
12. **Such other information of a similar nature as may be useful in carrying out the policy of this act including reference to book and page of any county record:**
    
**Signature of Owner:**

**Date:**

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplet to the Montana Bureau of Mines and Geology; and Quadruplicate for the Appropriator.

County of Cascade

State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. The beneficial use on which the claim is based: watering livestock and irrigation.

2. The date or approximate date of earliest beneficial use, and how continuous the use has been: November 2, 1956 and used continuously since then.

3. The amount of groundwater claimed (in inches or gallons per minute): 4 gallons per minute.

4. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: 115 feet length of 4 inch collection pipe in gravel about 6 feet below surface to 30 inch diameter concrete collection box, these 300 feet of pipe underground to stock water tank with overflow from tank into irrigation ditch, flow by gravity.

5. If used for irrigation, give the average and description of the lands to which water has been applied and name of the owner thereof: 200 acres in Section 3 and Section 10, SE NW 1/4 SW NW 1/4, owned by Elva M. Humphrey, James M. Humphrey, and Elizabeth Sez, Humphrey as shown by deeds of record.

6. The estimated amount of groundwater withdrawn each year: 5,102,400 gallons.

7. The depth of water table: five feet.

8. The log of formations encountered in the drilling of each well or other works for the withdrawal of groundwater: underground collection pipe is on hill above stock water tank and is described above. Continuously flows. The above mentioned collection box is six feet long extending into the ground three feet below the collection tile are low flow below the pipe to the stockwater tank.

9. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

Signature of Owner: Elva M. Humphrey

Date: December 26, 1968

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

(Pursuant to § 297, Montana Session Laws, 1961)

Agnes F. Holliday and Barry Holliday

County of Cascade

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based - Stock and Domestic Water

3. Date or approximate date of earliest beneficial use, and how continuous the use has been - December 20, 1961

Continuous through the year

4. The amount of groundwater claimed in miner's inches or gallons per minute - 8 gallons per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal - Pump jack and cylinder

NE 1 56 2-7 T 18 H1 West

Indicate point of appropriation, and place of use, if possible. Each small square represents 10 acres.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater - November 15, 1961 - Commenced November 23, 1961

8. The depth of water table - 35 Feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater - Drilled well with 7 inches outside diameter

Casing depth 120 feet

Casing perforations - 62' to 64 feet

Casing perforations - 97' to 120 feet

10. The estimated amount of groundwater withdrawn each year - 800,000 gallons

11. The log of formations encountered in the drilling of each well if available - 0' - 6' Top Soil - Sand - some shale, 6'-26' firr sandy shale, 26'-68' alternate shallow strata of firm and soft shale, 68'-97' firm to tight shale, 97'-120' alternate shallow strata of very tight and very soft shale, 62'-64' some water, 97'-120' some water.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

Address of Contractor

Date Started

Date Completed

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent, estimate approximate lengths of periods of use.

Indicate point of appropriation and place of use, if possible.

Signature of Owner

Date

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state; otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology; quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights
(Under Chapter 276, Montana Session Laws, 1961)

Agnes E. Holliday and Barry J. Holliday
(Name of Appropriator) (Address) (Town)
County of Cascade State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based:
Stock and Domestic Water

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: December 20, 1961
Continuous through the year

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 8 gallons per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
Pump jack and cylinder

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: November 30, 1961, finished December 4, 1961

8. The depth of water table: 12 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:
Drilled well with 7 inch outside diameter
Casing depth 38 feet. Casing perforated 23' to 24', then at 28' to 28.6'.

10. The estimated amount of groundwater withdrawn each year: 700,000 gallons

11. The log of formations encountered in the drilling of each well if available:
0-3' top soil, some sand, 3-18' silty sand, some gravel; 18-23' clay, some gravel; 23-24' clean washed gravel; 24-29.6' sharp gravel, some sand; 29.6-38' shale; some water at 23'; some water at 28'.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

Signature of Owner:

Date: July 21, 1962

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the School of Mines; quadruplicate for the Appropriator.

I have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

<table>
<thead>
<tr>
<th>Date of appropriation</th>
<th>12/31/66</th>
</tr>
</thead>
</table>

2. The location being upon which this claim is based.

3. Date or approximate date of earliest beneficial use and how continued the use has been

4. The amount of groundwater claimed, in acre-feet, inches, or gallons per minute.

5. If used for irrigation, give the average and description of the lands to which water has been applied and name of the owner thereof.

6. The means of withdrawing such water from the ground and the number of days per year that each means of withdrawal was used.

7. The date of commencement and completing of the construction of the well, works, or other works for withdrawal of groundwater.

8. The depth of water table.

9. So far as it may be available, the type, size, and depth of the well or works for withdrawal of groundwater.

10. The estimated amount of groundwater withdrawn each year.

11. The log of operations recorded in the drilling of each well, showing depth, kind of rock, and number of feet drilled.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any pertinent record.

Signature of Owner

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, cross out otherwise the form will be returned.

Omitted to the County Clerk and Recorder applicable to the Mont. Engineer, duplicate to the Mont. Bureau of Mines and Geology, and Quadruplicate to the Watermaster.
