OFFICE OF STATE ENGINEER

Notice of Completion of Groundwater Appropriation
Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater
Owner
Address
Contractor (if any)
Address of Contractor
Date Started
Date Completed

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent estimate approximate lengths of periods of use.

Signature of Owner
Date

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and quadruplicate for the Appropriator.

OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 287, Montana Session Laws, 1961)

1. Ethel R. Bean
   (Name of Appropriator)
   , of
   (Address)
   (Town)
   County of
   State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based

3. Date or approximate date of earliest beneficial use, and how continuous the use has been, if completely continuous

4. The amount of groundwater claimed (in miner's inches or gallons per minute) 5 gallons

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal
   Spring box and pipe

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater 1961

8. The depth of water table Pumps, pipelines, spring

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater
   Spring box and pipe

10. The estimated amount of groundwater withdrawn each year 20,000

11. The log of formations encountered in the drilling of each well if available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

Signature of Owner ____________________________

Declaration of Vested Groundwater Rights
(Under Chapter 217, Montana Session Laws, 1961)

Orin R. Cure
3230 2nd Ave. So., Great Falls,
(Cascade), Montana

1. (Name of Appropriator) (Address) (Town)

Counties of Montana have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based
   Stock water

3. Date or approximate date of earliest beneficial use and how continuous the use has been
   Approximately 1917 and continuous ever since

4. The amount of groundwater claimed (in miner's inches or gallons per minute)
   20 gal. per minute

5. If used for irrigation, the acreage and description of the lands to which water has been applied and name of the owner thereof
   Not applicable

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal
   Natural flow from spring

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater
   Not applicable

8. The depth of water table
   Unknown

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater
   Natural flow from spring

10. The estimated amount of groundwater withdrawn each year
    300,000 gal.

11. The log of formations encountered in the drilling of each well if available
    Not applicable

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record
    Not applicable

Signature of Owner

Date Dec. 27, 1965

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Notice of Completion of Groundwater Appropriation
Without Well
(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: 1961
Owner: Mary E. Harris
Address: Cascade, Mont.

Contractor (if any) ____________________________________________
Address of Contractor _________________________________________

Date Started: __________________________ Date Completed: __________

Describe means of obtaining groundwater without a well: "as by
sub-irrigation and other natural processes". Include depth to
water when applicable. Sprays described as
A, B, C, D, E are open, running, springs
Well #1 is 25 feet deep and
approx. 12 feet water

Quantity of water developed and used with explanation of method
used to measure or estimate such amount. If use is intermittent
estimate approximate lengths of periods of use: Springs
A, B, C, D, E are heavily flowing
Springs, quantity of water developed
unknown, they are used year
round.

Signature of Owner: Mary E. Harris
Date: 12/29/63
