Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

NAME OF APPROPRIATOR: CHARLES VAN HORN
ADDRESS: 2110 MAIN STREET, GREAT FALLS, MONTANA

COUNTY: CASCADE
STATE: MONTANA

I have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. The beneficial use on which the claim is based: LIVESTOCK AND PERSONAL USE INCLUDING IRRIGATION OF A GARDEN...

2. Date or approximate date of earliest beneficial use; and how continuous the use has been: 1945, DATE OF ACQUISITION, CONTINUOUS USE.

3. The amount of groundwater claimed (in miner's inches or gallons per minute): ABOUT 15 GALLONS PER MINUTE, ENTIRE OUTPUT OF WELL.

4. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: GARDEN PLOT OWNED BY CHARLES VAN HORN.

5. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: WELL.

6. The depth of water table: 12 FEET.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: WELL WAS ON PROPERTY WHEN PURCHASED.

8. The depth of water table: 12 FEET.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: 20 FT., DUG BY HAND, 30 TO 4 FEET IN DIAMETER.

10. The estimated amount of groundwater withdrawn each year: 30,000 GALLONS PER YEAR.

11. The log of formations encountered in the drilling of each well if available:...

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:...

Signature of Owner: CHARLES VAN HORN
Date: MAY 9, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Mrs. Edna Rickett of 925 Fourth Ave. South, Great Falls (Name of Appropriator)
   (Address) (Town)

County of Cascade State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: household use and irrigating small garden and yard adjoining house

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: approximately 1905, in continuous use since this date.

4. The amount of groundwater claimed (in miner's inches or gallons per minute): approximately six gallons per minute.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: Yard and garden plot about 100 feet by 50 feet in size. Mrs. Edna Rickett is the owner.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: electric pump. Well located NE 1/4 Sec. 31 T 18 N R 4 E.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: approximately 1905 to the best of our knowledge; or two wells close together; School well probably drilled in 1922.

8. The depth of water table: generally about 16 feet.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: This is a dug well about 2 feet in diameter and 20 feet deep. The well has a rock wall. There are two other wells in the same location, one about 100 feet from the well in use and built at the same time and in the same manner. The third well is a drilled well between 40 and 60 feet deep and is located about 200 yards from the first well. The latter two wells, owned by Mrs. Edna Rickett, are not in use. The last is at an abandoned school (former district #8) well.

10. The estimated amount of groundwater withdrawn each year: 50,000 to 75,000 gallons.

11. The log of formations encountered in the drilling of each well if available: no records available.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

Signature of Owner: __________________________
Date: __________________________

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Notice of Completion of Groundwater Appropriation Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: Aug 15, 1896.
Contractor (if any): Art Olsen. Address: Unknown.
Date Started: Oct 1932. Date Completed: Nov 1932.

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable.

Stock water dam due to a depth of 9 feet, when stream rises to flow after winter freeze. The water comes in the bottom of dam and flows through them filled all winter but does not flow until the spring thaw. Then it is used water at all times to water 100 head of sheep.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent estimate approximate lengths of periods of use.

Water is used to water stock 9 months of the year.

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and quadruplicate for the Appropriator.

Deputy.
Notice of Completion of Groundwater Appropriation
Without Well
(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: 1912

Owner: Mrs. Ethel Rice
Address: 925 Fourth Avenue South
Great Falls, Montana

Contractor (if any): None
Address of Contractor: 

Date Started: Date Completed: 

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable. sub-irrigation and other natural processes.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent, estimate approximate lengths of periods of use. These three springs are used for watering stock—first from April until the first part of October. No measure of their flow has been taken but they have never gone dry.

Signature of Owner: 

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder: duplicate to the State Engineer: Triplicate to the Montana Bureau of Mines and Geology and Quadruplicate for the Appropriator.

STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

State of Montana

1. S. W. * SULLIVAN, LASSEL, a. Eden, Route 1, Great Falls
   Name of Appropriator
   Address

2. The beneficial use on which the claim is based is for stock and home use.

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: About 1910, but has been continuous to date.

4. The amount of groundwater claimed (in miner's inches or gallons per minute): One gallon per minute.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: None.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Shallow well pump.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:

8. The depth of water table: About fifty feet.

9. So far as it may be available, the type, size, and depth of each well or the general specifications of any other works for the withdrawal of groundwater: One well, 50 feet deep.

10. The estimated amount of groundwater withdrawn each year: About 10,000 gals.

11. The log of formations encountered in the drilling of each well if available: None available.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: None.

Signature of Owner: 

Date: Nov 30, 1962

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.
