STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

WALTER MEHKE, MARQUETTE MEHKE,

1. CARL MEHKE and MARTHA E. MEHKE,

(Name of Appropriator)

of... P. O. Box 2083, Great Falls,

(Address)

County of Cascade, State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: Well has been used for water in home, watering cattle, and irrigating lawn and garden for over 50 years.

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: October 1936 to date.

4. The amount of groundwater claimed (in miner’s inches or gallons per minute): 60 gals. per minute.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: Used for irrigating lawn and garden in area adjacent to well.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Water withdrawn by means of electric pump.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: Commenced construction October 1936; finished in November 1936.

8. The depth of water table: Well is 260 ft. deep... Water is within 80 feet of the surface of the land.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: Well is 260 ft. deep... Water is within 80 feet of the surface of the land... Has 6 inch casing.

10. The estimated amount of groundwater withdrawn each year: Over 50,000 gallons.

11. The log of formations encountered in the drilling of each well if available: Not available.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: Not available.

Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

1. WALTER MEHNKE, MARGUERITE MEHNKE,
   CARL MEHNKE and MARTHA E. MEHNKE, of P. O. Box 2083, Great Falls,
   (Name of Appropriator) (Address) (Town)

   County of Cascade, State of Montana

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based. Water has been used for water in home, watering cattle, and irrigating lawn and garden for over 50 years.

   3. Date or approximate date of earliest beneficial use; and how continuous the use has been. Used for over 50 years continuously to date.

   4. The amount of groundwater claimed (in miner's inches or gallons per minute). 60 gals. per minute.

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof. Used for irrigating lawn and garden in area adjacent to well.

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal. Water withdrawn from well by means of electric pump.

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater. Well completed over 50 years ago.

   8. The depth of water table. Well is 25 ft. deep and water is 10 ft. from surface of ground.

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater. Well is 25 ft. deep; water is within 10 ft. of the surface of the ground, and well is rocked and approximately 5 ft. in diameter.

   10. The estimated amount of groundwater withdrawn each year. Over 50,000 gallons.

   11. The log of formations encountered in the drilling of each well if available. Not available.

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record. Not available.

Notice of Completion of Groundwater Appropriation
Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: 14 July 1970

Owner: Elva Zoller
Address: 201 - 1st Ave. So.
Great Falls, Montana

Contractor (if any): Falls Construction Company
Address of Contractor: 1001 - River Drive, Great Falls, Mont.

Date Started: 15 May 1968 Date Completed: 15 July 1970

Describe means of obtaining groundwater without a well "as by
sub-irrigation and other natural processes". Include depth to
water when applicable:

Placed a corrugated metal standpipe to elevation

12 vertical feet below ground level, thereby containing
A proving an artesian water flow, Water piped in
plastic conduit for use.

Quantity of water developed and used with explanation of method
used to measure or estimate such amount. If use is intermittent
estimate approximate lengths of periods of use:

Using formula: \[ Q = \frac{1.75 \times 16.4 d}{L} + 4.75 \ p \]
Flow measures 60 A.P.M. Flow & use are continuous.

Signature of Owner: [Signature]
Date: 14 July 1970

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the
works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana
Bureau of Mines and Geology and Quadruplicate for the Appropriator.

(Under Chapter 237, Montana Session Laws, 1961)

1. John E. Grier, of Great Falls, MT

County of:                State of: MT
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based. Headquarters—Milk Processing plant.

3. Date or approximate date of earliest beneficial use; and how continuous the use has been. 10 yrs. Steady.

4. The amount of groundwater claimed (in miner's inches or gallons per minute) 5 gal. per minute.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof. None.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal. Giant pump.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater. Started well #2 about May 1, 1924. Complete about July 5, 1924.

8. The depth of water table 100 ft.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater. Well #1: 170 ft. & Cap. 125 (gpm). Well #2: 225 ft. & Cap. 250 (gpm). Note: Groundwater is available from both wells. Therefore, Giant Pump.

10. The estimated amount of groundwater withdrawn each year 2024 gal.

11. The log of formations encountered in the drilling of each well if available. None.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record. Book 2, page 172.

2. The beneficial use on which the claim is based: **irrigation**, **garden**, **livestock**

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: **August 28, 1939**, and **continuous since then**

4. The amount of groundwater claimed (in miner's inches or gallons per minute): **20 gallons per minute**

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:
   - **1 acre**
   - **SW 1/4, Sec. 11, T. 20 N., R. 66 W.**
   - **contingent on water**

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
   - **electric pump***

7. The date of commencement and completion of the construction of the well, and other works for withdrawal of groundwater: **August 6, 1961** — **August 28, 1961**

8. The depth of water table: **158 feet**

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: **75 ft. deep**

10. The estimated amount of groundwater withdrawn each year: **3 million gallons**

11. The log of formations encountered in the drilling of each well if available:
   - **17 ft. sand, silt, and gravel**
   - **239-250 ft. sand and gravel with water**

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:
   - **E.H. Harvey, L.B. Hair**

Signature of Owner: **Robert A. Hentsch**

Date: **December 31, 1963**

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

J. L. LENNON
County Clerk and Recorder

Deputy.
NOTICE OF APPROPRIATION OF GROUNDWATER

TO WHOM IT MAY CONCERN:

Be it known that William M. Scott of 2020 Third Avenue South, Great Falls, Cascade County, Montana, does hereby publish and declare as legal Notice to all the world as follows:

1. That he did on June 20, 1973, appropriate and now has the legal right to the use, possession and control of and claim to 5,000 gallon per minute of the groundwaters beneath the bed of Red Coulee in Cascade County, Montana;

2. That said water is claimed for the purposes of irrigation, conservation and for domestic, recreational and agricultural uses;

3. That said water is intended to be used for said purposes on the following described property:

   Lots One (1), Two (2), Three (3), and Four (4), and the South Half (S1/2) of Section Three (3); North Half of the Northwest Quarter (NW1/2NW1/4), and the Northwest Quarter of the Northeast Quarter (NW1/4NE1/4) of Section Ten (10), all in Township Twenty (20) North of Range Six (6) East, Cascade County, Montana, containing 460 acres;

4. That said water shall be used year-round;

5. That the probable date of first beneficial use is on or before August 1, 1973, and the probable date of commencement of a dam to impound said water is on or before August 1, 1973, and the probable date of completion of said dam is on or before September 1, 1973;

6. The probable depth of said water to be impounded by said dam is 50 feet; the present depth of water there is 12 feet below ground level;

7. That the means of diversion of said water is by impoundment of the water by the use of a dam, said dam to abut the walls of Red Coulee just North of the cement foundation of the homestead cabin in said Red Coulee in the Northeast corner of Lot 3, Section 3, Township 20 North, Range 6 East, M.P.M., Cascade County, Montana.

   WITNESS my hand and seal at Great Falls, Montana, this 28th day of June, 1973.

[Signature]

William M. Scott
STATE OF MONTANA

County of Cascade

WILLIAM M. SCOTT, having first been duly sworn, deposes and says that he is of lawful age and is the appropriator and claimant of the water right mentioned in the foregoing Notice and the person whose name is subscribed thereto as the appropriator and claimant, and that he knows the contents of said foregoing Notice and that the matters and things therein stated are true.

SUBSCRIBED and SWORN to before me this 28th day of June, 1973.

Notary Public for the State of Montana
Residing at Great Falls, Montana
My Commission expires June 16, 1975
Declaration of Vested Groundwater Rights

   (Name of Appropriator)
   Great Falls, Highwood Star Route
   (Address)
   (Town)

   County of Cascade
   State of Montana

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: Domestic, stock

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: 1916 - 1946
   Only used intermittently since 1946

4. The amount of groundwater claimed (in miner’s inches or gallons per minute): 400 Gallons per day

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:
   Watered in one (1) acre

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
   Pump and Windmill

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:
   1916

8. The depth of water table: 250 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:

10. The estimated amount of groundwater withdrawn each year: 144,000 Gallons

11. The logs of formations encountered in the drilling of each well if available:
   Gumbo and Rock

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

Notice of Completion of Groundwater Appropriation Without Well
(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater... 1916
Owner: Sigrid Halgren Address: Pilea, Montana
Contractor (if any) None
Address of Contractor
Date Started Date Completed
Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes": Include depth to water when applicable. This is a surface spring that
sub-irrigates the area around it.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent
estimate approximate lengths of periods of use.

This spring will be developed in the future and the amount of water is unknown.

Signature of Owner: Sigrid Halgren
Date: 12-1-83

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology and Quadruplicate for the Appropriator.

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: June 10, 1933, continuously thereafter

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 500 gallons per day except irrigating season when use is estimated at 20 gallons per minute.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: electric pump with 1 h.p., discharge: NW.1/4 SW.1/4 Sec. 33, T.20N., R.6E.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: June 1933--well dug by hand; afterwards encased with masonry

8. The depth of water table: Approximately 9 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: Hand dug to depth of about 9 feet; thereafter encased in masonry and electric pump installed

10. The estimated amount of groundwater withdrawn each year: 250,000 gallons

11. The log of formations encountered in the drilling of each well if available: none available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

Signature of Owner: Roberta Goodhart
Date: December 1, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology, and quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

Everett D. Goodhart and
Roberta D. Goodhart
(Name of Appropriator)
(Address)
(Town)
County of Cascade
(State of Montana)

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based... stock water...

3. Date or approximate date of earliest beneficial use; and how continuous the use has been... June 15, 1957 and continuously thereafter...

4. The amount of groundwater claimed (in miner's inches or gallons per minute) Discharge from 3/4 inch gravity pipe...

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof... stock water...

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal... gravity flow through 3/4 inch pipe...

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater... June 8 to June 15, 1957...

8. The depth of water table... three feet...

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater... Scooped out shale to uncover spring and installed 3/4 inch pipe to carry water by gravity to stock trough...

10. The estimated amount of groundwater withdrawn each year... flow of 3/4 inch pipe...

11. The log of formations encountered in the drilling of each well if available... none...

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record...

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

Mary Mitsi

(Name of Approprietor) (Address) (Town)

County of Cascade, State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based.
   Domestic and Irrigation Uses.

3. The date or approximate date of earliest beneficial use; and how continuous the use has been. 1954 when I inherited same. The use has been continuous since.

4. The amount of groundwater claimed (in miner's inches or gallons per minute) 50 gallons per minute.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal. Electric Pump. See Plat for Location.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater. About 1910 according to information from my mother.

8. The depth of water table. Estimated to be 35 feet.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater. About 5 feet wide and estimated to be 35 feet deep, with boulder lined walls.

10. The estimated amount of groundwater withdrawn each year. 15000 Gals.

11. The log of formations encountered in the drilling of each well if available. Not Known.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record. None.
