DECLARATION OF VESTED GROUNDWATER RIGHTS
(Under Chapter 237, Montana Session Laws, 1961)

Elmer Dostal
 NAME OF APPROPRIATOR

(Signature of Owner)

Date: Dec. 27, 1963

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the School of Mines and Quadruplicate for the Appropriator.

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.
STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

DECLARATION OF VESTED GROUNDWATER RIGHTS
(Under Chapter 237, Montana Session Laws, 1961)

1. John S. Owen, of Geraldine

County of Chouteau, State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: household, stockwater, irrigation, and spraysing.

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: has been in use continuously since 1959.

4. The amount of groundwater claimed (in miner’s inches or gallons per minute): 25 gallons per minute.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: 4 acres, garden and pasturant adjacent to the well; John S. Owen.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: submersed electric pump.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: Spring of 1932, well dug and hand pump installed.

8. The depth of water table: 80 to 100 feet.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: hand dug well, about 5 feet in diameter.

10. The estimated amount of groundwater withdrawn each year: 200,000 gallons.

11. The log of formations encountered in the drilling of each well if available: not available.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: not available.

Signature of Owner: John S. Owen
Date: 9-7-1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the School of Mines and Quadruplicate for the Appropriator.
DECLARATION OF VESTED GROUNDWATER RIGHTS
(Under Chapter 237, Montana Session Laws, 1961)

1. Charles J. Koehlheide, of Harrison, Montana
(Named of Appropriator) (Address) (Town)
County of Harrison, State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: Stock Water - Household Water

3. Date or approximate date of earliest beneficial use; and how continuous the use has been since 1962:

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 30 g.p.m.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:

6. The means of withdrawing such water from the ground: Description of each well or other means of withdrawal:

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:

8. The depth of water table:

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:

10. The estimated amount of groundwater withdrawn each year:

11. The log of formations encountered in the drilling of each well if available:

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

Signature of Owner: Charles J. Koehlheide
Date: Dec. 30, 1962

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the School of Mines and Quadruplicate for the Appropriator.
STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

NOTICE OF COMPLETION OF GROUNDWATER APPROPRIATION WITHOUT WELL

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: September 1963

Owner: Charles J. Seidlitz

Address: 333 North 8th

Contractor (if any):

Address of Contractor:

Date Started: September 1963

Date Completed: September 1963

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent, estimate approximate lengths of periods of use.

Signature of Owner: Charles J. Seidlitz
Date: Nov 30, 1963

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the School of Mines and quadruplicate for the Appropriator.

(Under Chapter 237, Montana Session Laws, 1961)

Lois L. Dabson, \(\text{c/o James L. Humphrey Agency, Box 1428}\)

(Name of Appropriator) (Address) (STATE)

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: drinking water
   household use

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: continuous since 1944

4. The amount of groundwater claimed (in miner's inches or gallons per minute): x gallon per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: electric water on pump

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: 1948

8. The depth of water table: water table commences about 25 feet below surface

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: well is 20 feet deep and the well is braced 3 feet in diameter

10. The estimated amount of groundwater withdrawn each year: 153,600 gal. per year

11. The log of formations encountered in the drilling of each well if available: no records

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

Signature of Owner: Lois L. Dabson

Date: December 28, 1968

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology, and quadruplicate for the Appropriator.

2. The beneficial use on which the claim is based
   Stock and household

3. Date or approximate date of earliest beneficial use; and how continuous the use has been...1935

4. The amount of groundwater claimed (in miner's inches or gallons per minute) 10 gal. per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof...none

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal...electric motor and pump

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater...1935

8. The depth of water table...60 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater...casing, 123 feet

10. The estimated amount of groundwater withdrawn each year...1500 gal. per day

11. The log of formations encountered in the drilling of each well if available...unavailable

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record...none

Signature of Owner...Date Dec. 30, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the School of Mines and quadruplicate for the Appropriator.

STATE OF MONTANA
ADMINISTRATOR OF GROUNDBWATER CODE
OFFICE OF STATE ENGINEER

DECLARATION OF VESTED GROUNDBWATER RIGHTS
(Under Chapter 237, Montana Session Laws, 1961)

1. Arthur Bechtelher  
   (Name of Appropiaater)  
   (Address)  
   (Town)

   County of Choteau  
   State of Montana

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based  
      household, spraying, stock, irrigating

   3. Date or approximate date of earliest beneficial use; and how continuous the use has been approx.-1915  
      used over-since

   4. The amount of groundwater claimed (in miner's inches or gallons per minute) 25 gal per minute

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof Garden

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal electric water and jet pump

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater 1915

   8. The depth of water table 15 feet

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater 9 1/2 inches diameter plastered 33 feet

   10. The estimated amount of groundwater withdrawn each year

   11. The log of formations encountered in the drilling of each well if available unavailable

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record none

   Signature of Owner Arthur Bechtelher

   Date 1/2-3-54

   Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

   Please answer all questions. If not applicable, so state, otherwise the form will be returned.

   Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the School of Mines and Quadruplicate for the Appropiaater.

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the School of Mines and quadruplicate for the Appropriator.
