Dear Sir:

Mr. Archie Shepherd brought me the enclosed notice of completion of groundwater by means of well, this notice is on file here in this office under doc. # 365368 filed Nov. 8, 1971, you indicate by the enclosed instruction that the form is incomplete indicated in red ink, in checking this form we find no red ink or otherwise, I have stamped the filing information on the reverse side.

George W. Harvey
Clerk & Recorder
Fort Benton, Montana.

Driller's Signature

Filed for record this 9th day of November, A.D. 19...

This form to be prepared by driller, and three copies to be filed by the owner with the County Clerk and Recorder in the county in which the well is located, tissue copy to be retained by driller.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.
STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

DECLARATION OF VESTED GROUNDWATER RIGHTS
(Under Chapter 237, Montana Session Laws, 1961)

1. Donald A. Lindey, of 103 West Averill
   (Name of Appropriator) (Address) (Town)

   County of Montana State of Montana

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based: Livestock and grazing grounds

   3. Date of earliest beneficial use: Year Round

   4. The amount of groundwater claimed (in miner's inches or gallons per minute): 1600

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: 1941

   8. The depth of water table: 30 ft from top

   9. The type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:

   10. The estimated amount of groundwater withdrawn each year: 1000

   11. The log of formations encountered in the drilling of each well if available:

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

   Signature of Owner: Donald A. Lindey

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the School of Mines and Quadruplicate for the Appropriator.

NOTICE OF COMPLETION OF GROUNDWATER APPROPRIATION WITHOUT WELL

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: April 6, 1941

Owner: John W. Clark

Address: 301 Main St., Great Falls

Contractor (if any):

Address of Contractor:

Date Started: Date Completed:

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes." Include depth to water when applicable. For example:

Sub-irrigation: Nez Perce Co., Idaho, July 1940, depth of lift to water limited

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent, estimate approximate lengths of periods of use:

No. 1: Nez Perce Co., Idaho, April 1940, 3/4 acre (approx. 500 gal)

No. 2: Nez Perce Co., Idaho, April 1940, 3/4 acre (approx. 500 gal)

Signature of Owner: John W. Clark

Date: Dec. 31, 1963

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the School of Mines and quadruplicate for the Appropriator.
Notice of Completion of Groundwater Appropriation
Without Well
(Under Chapter 937 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: 1919
Owner: Eugene W. Lyon, Address: Blythe, Montana
Contractor (if any): None
Address of Contractor: None
Date Started: 1919, Date Completed: 1919

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable. Use is continuous.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent estimate approximate lengths of periods of use. Estimate per minute, Use is continuous.

Signature of Owner: Eugene W. Lyon, Date: 12-20-64

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology and Quadruplicate for the Appropriator.
STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Notice of Completion of Groundwater Appropriation Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: 1916
Owner: Eugene W. Lynch Address: Big Meadow
Contractor (if any): None
Address of Contractor: None
Date Started: 1926 Date Completed: 1926

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable. Natural spring flow piped to trough.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent estimate approximate lengths of periods of use. Estimate 3 gallons per minute. Use is continuous.

Signature of Owner: Eugene W. Lynch Date: 10-02-63

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and Quadruplicate for the Appropriator.
DECLARATION OF VESTED GROUNDWATER RIGHTS
(Under Chapter 237, Montana Session Laws, 1961)

1. John Walker, of PTJ Highland, Mont.

Count of: State of: Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based is:

3. Date or approximate date of earliest beneficial use; and how continuous the use has been:

4. The amount of groundwater claimed (in miner's inches or gallons per minute):

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:

8. The depth of water table:

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:

10. The estimated amount of groundwater withdrawn each year:

11. The log of formations encountered in the drilling of each well if available:

STATE OF MONTANA

County of Chouteau

Highland Water User Assn by Jack Buckland, Sec. Towns

having first been duly sworn, deposes and says that he of lawful age and is the appropriator and claimant of the order and water right mentioned in the foregoing notice of completion of groundwater appropriation by means of well and the person whose name is subscribed thereto, as the appropriator and claimant that he know the contents of said foregoing notice and that the matters and things therein stated are true.

Jack Buckland

Subscribed and sworn to before me, this 7 day of August, 1965.

Herbert R. Peace
Notary Public for the State of Montana.

Residing at Highwood, Mont

My Commission expires May 22, 1966
STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

DECLARATION OF VESTED GROUNDWATER RIGHTS
(Under Chapter 237, Montana Session Laws, 1961)

1. Highwood water users Association of Highwood,
   (Name of Appropriator) (Address) (Town)
   County of Chouteau State of Montana
   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:
   2. The beneficial use on which the claim is based is domestic use of Highwood and country supply.
   3. Date or approximate date of earliest beneficial use; and how continuous the use has been since Nov. 1, 1940.
   4. The amount of groundwater claimed (in miner’s inches or gallons per minute) is a 1.5 HP electric motor and pump with an output of 100 gallon per minute.
   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof.
      Irrigation use involves gardens and lawns for resident of Highwood, Montana.
   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal.
      By pump electric.
   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: July 16th, 1940, completed July 20, 1940.
   8. The depth of water table:
   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:
      Well is 30 feet deep cased with a 6 inch casing galvanized iron.
   10. The estimated amount of groundwater withdrawn each year:
   11. The log of formations encountered in the drilling of each well if available.
      Formation in order and travel.
   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

      [Approved 1953]  

   3. The amount of groundwater claimed (in miner's inches or gallons per minute)  
      [Approved 50 gpm]  

   4. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:  
      [Not used for irrigation]  

   5. Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.  

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:  
      [Drilled to [Depth] ft.]  

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:  
      [Approved 1951]  

   8. The depth of water table:  
      [12 ft.]  

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:  
      [Drilled 18 ft. Deep]  

   10. The estimated amount of groundwater withdrawn each year:  
       [None]  

   11. The log of formations encountered in the drilling of each well if available:  
       [None available]  

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:  
       [None available]  

   [Signature of Owner]  
   Date: 12-31-63  

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.  
Please answer all questions. If not applicable, so state, otherwise the form will be returned.  
Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the School of Mines and Quadruplicate for the Appropriate.

(Under Chapter 237, Montana Session Laws, 1961)

1. Highwood Water Users Association of Highwood, Montana
   (Name of Appropriator) (Address) (Town)

   County of Chouteau State of Montana
   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based on domestic town of Highwood and country supply.

   3. Date or approximate date of earliest beneficial use; and how continuous the use has been since:

   4. The amount of groundwater claimed (in miner's inches or gallons per minute).

      Electric motor and pump with and output of 100 gallons per minute.

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:

      Irrigation used for resident, gardens and lawns for residents of Highwood, Montana.

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater July 15, 1940 - completed July 17, 1940.

   8. The depth of water table:

      20 feet.

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:

      Well 30 feet deep cased with a 6 inch galvanized iron.

   10. The estimated amount of groundwater withdrawn each year:

       730,000 gallons.

   11. The log of formations encountered in the drilling of each well if available:

       Formation sand and gravel.

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

       Signature of Owner: [Signature]

       Date: Nov. 5, 1963.

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.
