have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based:

3. Date or approximate date of earliest beneficial use; and how continuous the use has been:  
   - 1957  
   - Continuous

4. The amount of groundwater claimed (in miner's inches or gallons per minute):  
   - 1200.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:  
   - So

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:  
   - None

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:  
   - Not known.

8. The depth of water table:  
   - 5.1 ft.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:  
   - None

10. The estimated amount of groundwater withdrawn each year:  
    - Approx. 100. gal. per day = 36500. gal.

11. The log of formations encountered in the drilling of each well if available:  
    - None

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:  
    - None

**Signature of Owner:**  

**Date:** 20 Dec. 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the School of Mines and Quadruplicate for the Appropriate.

STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Notice of Completion of Groundwater Appropriation Without Well
(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: 1915

Ethel K. and
Owner: Elnor Q. Lidstone
Address: Big Sandy, Montana

Contractor (if any): None
Address of Contractor: None

Date Started: 1915
Date Completed: 1915

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable. Spring dug out 6 feet and a 4" x 4" box inserted 6 feet deep with culvert 13 and plastic pipe to troughs.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent estimate approximate lengths of periods of use.

500 gal per day 7 months a year

Indicate point of appropriation and place of use, if possible.

Signature of Owner: Ethel M. Lidstone
Date: Dec. 20, 1963

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology and Quadruplicate for the Appropriator.

25968
DECLARATION OF VESTED GROUNDWATER RIGHTS
(Under Chapter 237, Montana Session Laws, 1961)

1. Ethel M. and Elmer O. Lidstone, of Big Sandy,
   (Name of Appropriator) (Address) (Town)
   County of _________ State of _________
   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based ________________.

3. Date or approximate date of earliest beneficial use; and how continuous the use has been ________________.
   When springs go dry ________________.

4. The amount of groundwater claimed (in miner's inches or gallons per minute) ________________.
   Four Gallons per minute ________________.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof ________________.
   Not used for irrigation ________________.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal ________________.
   Gas engine or tractor with pump jack ________________.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater ________________.
   May 1915 ________________.

8. The depth of water table ________________.
   663 Feet ________________.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater ________________.
   Drilled Well with 4 inch casing 663 Feet deep ________________.

10. The estimated amount of groundwater withdrawn each year ________________.
    In dry years 189,500 gal ________________.

11. The log of formations encountered in the drilling of each well if available ________________.
    Not available ________________.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record ________________.

Signature of Owner: ________________
Date: December 20, 1963 ________________.

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the School of Mines and quadruplicate for the Appropriator.
Date of Appropriation of Groundwater: 1916
Elmer G. and
Owner: Ethel M. Lidstrom
address: Big Sandy, Montana
Contractor (if any): None
Address of Contractor: None
Date Started: 1916 Date Completed: 1936

Describe means of obtaining groundwater without a well "as by
sub-irrigation and other natural processes". Include depth to
water when applicable. **Spring dug out 6 feet and
4' 6" box inserted 6' deep with culvert
and pipe to troughs**

Quantity of water developed and used with explanation of method
used to measure or estimate such amount. If use is intermittent
estimate approximate lengths of periods of use...

**Fill 500 gal tank in approximately 12 hours continuous use**

Signature of Owner: Ethel M. Lidstrom
Date: 12-20-53

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the
works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

School of Mines and Quadtruplicate for the Appropriator.
NOTICE OF COMPLETION OF GROUNDWATER APPROPRIATION WITHOUT WELL

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater

Owner: Edward W. Moss
Address: 107 W. Sandy, Montana
Contractor (if any): None
Address of Contractor: "
Date Started: Just known
Date Completed: Just known

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable. Spring-3' down where the water comes out of sand rock. It is pumped up into a tank to be available as stock water.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent estimate approximate lengths of periods of use. The spring is used for watering stock at all times, winter and summer. The amount available is 2000 to 3000 gal. per day. The method used to measure was to simply pump it into a tank of known capacity.

Signature of Owner: Edward W. Moss
Date: 20 Dec. 1963

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state; otherwise the form will be returned.

OFFICE OF STATE ENGINEER

DECLARATION OF VEested GROUNDWATER RIGHTS
(Under Chapter 237, Montana Session Laws, 1961)

1. S. Warren Halle, of Big Sandy, Montana, have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based
   - Stock water and domestic

3. Date or approximate date of earliest beneficial use; and how continuous the use has been...
   - 1959

4. The amount of groundwater claimed (in miner's inches or gallons per minute)...
   - 15 gallons per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof...

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal...

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater...
   - 1959

8. The depth of water table...
   - 10 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater...
   - 15 foot well, concrete lined

10. The estimated amount of groundwater withdrawn each year...
    - 1,000,000

11. The log of formations encountered in the drilling of each well if available...
    - None

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record...
    - None

Signature of Owner

Date, June 29, 1973

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the School of Mines and Quadruplicate for the Appropiorator.

Water Conservation Board
Water Resources Engineer
Sam W. Mitchell Building
Helena, Montana 59601

Dear Sir:

Enclosed you will find a copy of a release agreement for the utilization of a fresh water well.

Operator
Webb Resources Inc.

Lease Name
Bough

Well No. 9-16 Section 9, Township 22 North, Range 6 East
Chouteau County

Yours very truly,

Donald E. Chiholm
Administrator

cc: Mr. W. Bond
Bureau of Mines and Geology
Butte, Montana 59701

APPROVED BY:

Board of Oil and Gas Conservation

Petroleum Engineer, Geologist, or Administrator

Dated: June 7, 1973
KNOW ALL MEN BY THESE PRESENTS, that I, June Bough, Highwood of the County of Chouteau, in the State of Montana, am the owner of the hereinafter described land upon which a well for oil or gas was drilled, to-wit:

Operator: Webb Resources Inc.
Lease Name: Bough
Well No.: 0-16 Sec. 9 Twp. 22N Rge. 6E
The well is located 660 feet S of the South line and 660 feet E of the East line.

That, in accordance with Regulation 233.6, Order No. 1-1, November 30, 1953, I do hereby notify the Board of Oil and Gas Conservation of the State of Montana of my desire to utilize said well as a fresh water well; and, that if such utilization is approved, I do hereby release and discharge the operator hereinabove named from any further work or responsibility in relation to the plugging of said well.

Water Use: Domestic X Municipal
Industrial ______ Drainage ______ Irrigation ______

Producing Depth: 1200 Producing Formation: Madison
Yield of well: ______ Annual Withdrawal: ______

WITNESS my hand and seal this 22nd day of May, 1973.

IN THE PRESENCE OF:

APPROVED BY:

Board of Oil and Gas Conservation

Petroleum Engineer, Geologist, or Administrator
Notice of Completion of Groundwater Appropriation

Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater 1964

Owner: Frank L. Flore
Address: Bela, Montana

Contractor (if any) None
Address of Contractor None

Date Started None Date Completed None

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable. Natural Gravity Spring. Depth not known and not investigated for fear of disrupting the flow thereof and killing said spring.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent estimate approximate lengths of periods of use. Used presently.

Indicate point of appropriation and place of use, if possible.

Signature of Owner

Date December 27, 1964

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and quadruplicate for the Appropriator.

WATER WELL LOG

Owner: E. M. Ketzenberger
Address: 1404 I Street, Butte, Montana

Driller: E. M. Ketzenberger
Address: 1404 I Street, Butte, Montana

Date Started: August 31, 1960
Date Completed: August 31, 1960

Location: Sec. 9, T. 28 N., R. 84 E., Butte County, Montana

Type of well: Dug
Equipment used: Hand labor (shovel)
(Dug, driven, bored, or drilled)

Water use: Domestic [ ] Municipal [ ] Stock [ ] Irrigation [ ]
Industrial [ ] Drainage [ ] Other [ ]

Casing: 15 feet to 15 feet, Type: Culvert, Size: 6 ft. x 16 ft.
Casing: 15 feet to 15 feet, Type: Size:
Casing: 15 feet to 15 feet, Type: Size:
Perforated or Screened: 15 feet to 15 feet, Type: Size:

Type of screen or perforations:

Static water level, for non-flowing well: 180 feet.
Shut-in pressure, for flowing well: lb./sq. in. on: (date)
Pumping water level: 128 ft. feet at 164 ft. gal. per min. 5

How tested: Pumped by electricity

Length of test: One hour

Remarks: (Gravel packing, cementing, packers, type of shut-off, depth of shut-off)

Drilled into gravel and put in four foot culvert, eighteen foot long.

DECLARATION OF VESTED GROUNDWATER RIGHTS
(Under Chapter 237, Montana Session Laws, 1962)

Hazel J. Marie Holland
Highwood, Montana

County of Highwood State of Montana

I have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. Hazel J. Marie Holland
2. The beneficial use on which the claim is based: Household use
3. Date or approximate date of earliest beneficial use; and how continuous the use has been: From 1911
4. The amount of groundwater claimed (in miner’s inches or gallons per minute): 1000 gpm
5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: No
6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Pump
7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: 1919
8. The depth of water table: 50 feet
9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: One well: 50 feet
10. The estimated amount of groundwater withdrawn each year: For one house
11. The log of formations encountered in the drilling of each well if available:
12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

Signature of Owner: Hazel J. Marie Holland
Date: Dec. 31, 1962

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the School of Mines and Quadruplicate for the Appropriator.

DECLARATION OF VESTED GROUNDWATER RIGHTS
(Under Chapter 237, Montana Session Laws, 1961)

1. Clinton C. Zant of Highwood
   (Name of Appropriator) (Address) (Town)

   County of Chouteau State of Montana

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based
      Stock water well

   3. Date or approximate date of earliest beneficial use; and how continuous the use has been
      1920
      Irrigated every 5 years since

   4. The amount of groundwater claimed (in miner's inches or gallons per minute)
      1 gal. per minute

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof
      10 acres

   6. The method of withdrawing such water from the ground and the location of well or other means of withdrawal
      Jet pump

   7. The date of commencement and completion of drilling of groundwater
      1920

   8. The depth of water table
      10 feet

   9. To the extent as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater
      Hand dug stock well, 20 ft. diameter, 20 ft. deep

   10. The estimated amount of groundwater withdrawn each year
      5000

   11. The log of formations encountered in the drilling of each well if available
