NOTICE OF COMPLETION OF GROUNDWATER APPROPRIATION WITHOUT WELL

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater
Owner
Address
Contractor (if any)
Address of Contractor
Date Started
Date Completed

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent estimate approximate lengths of periods of use

Signature of Owner
Date

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the School of Mines and quadruplicate for the Appropriator.
NOTICE OF COMPLETION OF GROUNDWATER APPROPRIATION WITHOUT WELL

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater May, 1950

Owner Perry Farms Inc.

Address Box 1194 Great Falls, Montana

Contractor (if any) Self

Address of Contractor

Date Started Oct, 1950 Date Completed Oct, 1950

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable. 97 ft. underground.

1st line end points to point, 2nd line runs to High Line.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent, estimate approximate lengths of periods of use...........

Indicate point of appropriation and place of use, if possible.

Signature of Owner Perry Farms Inc. 9-29-50 Perry

Date Dec, 29, 1950

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the School of Mines and Quadruplicate for the Appropriator.

STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

DECLARATION OF VESTED GROUNDWATER RIGHTS
(Under Chapter 237, Montana Session Laws, 1961)

1. **Walter Bills** of **Br. 123** in **Fort Benton**

COUNTY OF ___________________________ STATE OF ___________________________

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: _______________

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: _______________

4. The amount of groundwater claimed (in miner's inches or gallons per minute): _______________

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: _______________

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: _______________

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: _______________

8. The depth of water table: _______________

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: _______________

10. The estimated amount of groundwater withdrawn each year: _______________

11. The log of formations encountered in the drilling of each well if available: _______________

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: _______________

---

Signature of **Owner** _______________

Date _______________

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the School of Mines and Quadruplicate for the Appropriator.

1. FRANK W. CHARTER
   (Name of Appropriator)
   Box 285, Fort Benton
   (Address)
   (Town)
   County of Chouteau State of Montana
   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based
      Domestic

   3. Date or approximate date of earliest beneficial use; and how continuous the use has been
      July 31, 1918

   4. The amount of groundwater claimed (in miner's inches or gallons per minute)
      10 g.p.m.

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal
      Pumped water well

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater
      About July 30, 1918

   8. The depth of water table

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater
      WELLS: 150 FT.

   10. The estimated amount of groundwater withdrawn each year
      No Record 30,000 gals.

   11. The log of formations encountered in the drilling of each well if available
      Not furnished

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

      Signature of Owner
      Frank W. Charter
      Date Dec. 4, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the School of Mines and quadruplicate for the Appropriator.
Notice of Completion of Groundwater Appropriation by Means of Well
(Under Chapter 237, Montana Session Laws, 1961)

Owner: C.H. Passey  Address: Fort Benton
Driller: Pat Murphy  Address: Great Falls

Date of Notice of Appropriation of Groundwater: 6/23/64
Date well started: 6/23/64  Date Completed: 6/23/64

Type of well: drilled  Equipment Used: Chenuill
(Dug, driven, bored or (Churn, drill, rotary or other)

Water Use: Domestic  Municipal  Other  Irrigation

Indicate on the diagram the character and thickness of the different strata met with in drilling, such as soil, clay, shale, gravel, rock or sand, etc. Show depth at which water is encountered, thickness and character of water-bearing strata and height to which water rises in the well.

Show exact depth of bottom.

This form to be prepared by driller, and three copies to be filed by the owner with the County Clerk and Recorder in the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology and Quadruplicate for the Appropriator.
DECLARATION OF VESTED GROUNDWATER RIGHTS
(Under Chapter 237, Montana Session Laws, 1961)

1. Party Farms, Inc. of Box 1194, Great Falls
   (Name of Appropriator) (Address) (Town)

   County of Chouteau. State of Montana

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based
      ________________________________
      Livestock

   3. Date or approximate date of earliest beneficial use; and how continuous the use has been About 1946—continuous

   4. The amount of groundwater claimed (in miner's inches or gallons per minute) All the well will produce

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof
      None

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal
      Centrifugal pump and water system

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater
      Probably 1946. Drilled while Boyd LeMond owned the land.

   8. The depth of water table
      100 ft.

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater
      Casing and about 170 ft.

   10. The estimated amount of groundwater withdrawn each year
      Limited—For livestock use only

   11. The log of formations encountered in the drilling of each well if available
      Not available

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record
      Alkali—unknown

   Signature of Owner ________________________________ Date __________________

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the School of Mines and Quadruplicate for the Appropriator.

NOTICE OF COMPLETION OF GROUNDWATER APPROPRIATION WITHOUT WELL

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: December 30, 1963
Owner: Parry Farms, Inc.
Address: Box 1194, Great Falls, Montana
Contractor (if any): Unknown
Address of Contractor:
Date Started: See footnote
Date Completed:

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable. Spring developed with reservoir ditched and dammed. Depth about 16 ft. at high water.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent, estimate approximate lengths of periods of use. Used the year around for livestock.

S W 1/4 S E 1/4 Section 8, T 23N R 10E
Indicate point of appropriation and place of use, if possible.

Signature of Owner: Parry Farms, Inc. date: Nov 30, 1963

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the School of Mines and Quadruplicate for the Appropriator.

** This ditch was dug and the spring was opened to run into a reservoir that was built about the same time—before 1944—and it was worked over and the dam raised subsequent to that date—about 1950—before we purchased the place.
STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

DECLARATION OF VESTED GROUNDWATER RIGHTS
(Under Chapter 237, Montana Session Laws, 1961)

1. Walter Billups, of B.13 East Benton
   (Name of Appropriate) (Address) (Town)
   County of Chouteau State of Montana

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based: ground and stock watering.

   3. Date or approximate date of earliest beneficial use; and how continuous the use has been: 1925 Continuous use until 1950.

   4. The amount of groundwater claimed (in miner's inches or gallons per minute): 6 or 8 gal. a minute.

   5. If used for irrigation, give the acreage and description of the land to which water has been applied and name of the owner thereof: 1925.

   6. The means of withdrawing such water, from the ground and the location of each well or other means of withdrawal: ground well, ground pool.

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: 1925.

   8. The depth of water table: 50 ft.

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works used for withdrawal of groundwater: blue clay gravel.

   10. The estimated amount of groundwater withdrawn each year: 1000 head of cattle.

   11. The log of formations encountered in the drilling of each well if available: clay.

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: Walter Billups

   Signature of Owner: Walter Billups
   Date: Jan 14, 1964

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the School of Mines and Quadruplicate for the Appropriator.
STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

DECLARATION OF VESTED GROUNDWATER RIGHTS
(Under Chapter 237, Montana Session Laws, 1961)

1. Riska & Sons, Inc., of Geraldine
   (Name of Appropriator) (Address) (Town)

County of Chouteau State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based ________________________________
   Irrigation water

3. Date or approximate date of earliest beneficial use; and how continuous the use has been __________________________
   1966 has been used 9 months of every year since

4. The amount of groundwater claimed (in miner's inches or gallons per minute) __________________________
   1 12 gal per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof _______
   Does not apply

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal _______
   Deep well, pump and windmill or gas engine

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater ______________________________________
   Commenced and completed in 1966

8. The depth of water table __________________________
   100 feet to water

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater ______________________________________
   Drilled well, 6 inch casing, 170 feet deep, 1 13/16 inch cylinder

10. The estimated amount of groundwater withdrawn each year __________________________
    140,000 gal.

11. The log of formations encountered in the drilling of each well if available __________________________
    Log not available, there was about 50 feet of yellow sandstone, 9 feet of gravel and 111 feet of blue sandstones

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record. I know of no other information __________________________

Signature of Owner __________________________
Date __________

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the School of Mines and Quadruplicate for the Appropriator.
DECLARATION OF VESTED GROUNDWATER RIGHTS
(Under Chapter 237, Montana Session Laws, 1961)

1. Ficks & Sons, Inc. (Name of Appropriator)
   County of Montana (Town)
   State of Montana (Address)

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: Household use...
   and Livestock water...

3. Date or approximate date of earliest beneficial use; and how continuous the use has been...
   use since that time...

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 1.1/4 gal. per minute...

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof...
   Does not apply...

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal...
   Deep well pump...
   with electric motor...
   100 feet N of house...

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater...
   1945 completed and commended...

8. The depth of water table...
   120 feet to water...

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater...
   Drilled well...
   12 inch casing...
   11/3/16 inch...
   Cylinder...
   170 feet deep...

10. The estimated amount of groundwater withdrawn each year...
    250,000 gal.

11. The log of formations encountered in the drilling of each well if available...
    There was about 35 feet Yellow sandstone, 9 feet quicksand, 66 feet of blue sandstone, and then shale...

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record...
    I know of no other information...

371401
Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

Helen Grant, Eula Grant and Margaret G., of E.A. Heule, Box 1666, Great Falls
(Name of Appropriator) (Address) (Town)

County of Cascade State of Montana

I have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based:
   for household and stock purposes.

3. Date or approximate date of earliest beneficial use, and how continuous the use has been:
   1923 and thereafter.

4. The amount of groundwater claimed (in miner's inches or gallons per minute):
   About 500 gallons a day.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:
   none.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
   Well located on SW SE 23-23-10.
   Pump with windmill at one time, but not pumped with engine.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:
   1923.

8. The depth of water table:

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:
   110' well.

10. The estimated amount of groundwater withdrawn each year:
    Can pump it dry in 15 minutes, then wait two hours and repeat process.

11. The log of formations encountered in the drilling of each well if available:

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

Signature of Owner:

Date:

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

NOTICE OF COMPLETION OF GROUNDWATER APPROPRIATION WITHOUT WELL

(Under Chapter 226, Montana Session Laws, 1961)

Date of Appropriation of Groundwater: Nov. 1957

Owner: Perry Farms

Address: Box 1194 Great Falls, Montana

Contractor (if any): 

Address of Contractor: 

Date Started: Nov. 1957; Date Completed: Nov. 1957

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable. 

Ditching to a reservoir.

Reservoir 18 feet deep and covering 3 acres.

Reservoir is used for stock water throughout the year.

Signature of Owner: 
Date: Nov. 25, 1957

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state. Otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the School of Mines and Quadruplicate for the Appropriator.
NOTICE OF COMPLETION OF GROUNDWATER APPROPRIATION WITHOUT WELL

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater 1946
Owner William E. Patterson
Address Anaconda, Montana
Contractor 15th St., Montana
Address of Contractor

Date Started 1946 Date Completed 1946

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable. Spring, and runoff, ditches blown with dynamite

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent estimate approximate length of periods of use

Flows continuously and used
Principally from Oct. 1st to June 1st.

Signature of Owner William E. Patterson
Date 12/31/63

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the School of Mines and quadruplicate for the Appropriator.
