DECLARATION OF VESTED GROUNDWATER RIGHTS

(Under Chapter 237, Montana Session Laws, 1961)

1. Francis Daniel of Cutting, Mont

(Name of Appropriator) (Address) (Town)

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based

3. Date or approximate date of earliest beneficial use; and how continuous the use has been

4. The amount of groundwater claimed (in miner's inches or gallons per minute)

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater

8. The depth of water table

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater

10. The estimated amount of groundwater withdrawn each year

11. The log of formations encountered in the drilling of each well if available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

Signature of Owner

Date

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the School of Mines and Quadruplicate for the Appropriator.
NOTICE OF COMPLETION OF GROUNDWATER APPROPRIATION WITHOUT WELL

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: commencing using in 1951

Owner: Thomas S. Bronson

Address: 912 4th Ave No Great Falls, Montana

Contractor (if any): none

Address of Contractor: 

Date Started: in 1951 Date Completed: in 1951

Describe means of obtaining groundwater without a well “as by sub-irrigation and other natural processes”. Include depth to water when applicable. Spring was there and we merely cleaned it out and made a better road to it for ingress and egress for our cattle.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent estimate approximate lengths of periods of use. runs 3/4 inch constantly; used regularly for fall and winter cattle watering; however this spring runs constantly whether or not in use.

Signature of Owner: Thomas S. Bronson

Date: December 23rd, 1963

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the School of Mines and quadruplicate for the Appropriator.

**Declaration: I have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:**

**1.** The beneficial use on which the claim is based: Domestic and Livestock

**2.** Date or approximate date of earliest beneficial use: Jan 1, 1948 continuous use. $8 unknown periodic use.

**3.** The amount of groundwater claimed (in miner's inches or gallons per minute): $5.20 gal per minute. $2 unknown. $8 unknown.

**4.** If used for irrigation, give the acreage and section of the lands to which water has been applied and any terms or conditions of irrigation.

**5.** The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:

- Electric drill pump
- Hand pump and gasoline pump
- $5 hand pump and gasoline pump

**6.** The date of commencement and completion of the construction of the well or other works for withdrawal of groundwater:

- Ward was struck at 105 ft. and the pump was set at 110 ft.
- Water being gravel.

**7.** The estimated amount of groundwater withdrawn each year: $1 $100,000 gal. $2

**8.** The depth of water table:

- $1 110 ft. deep 8 inch casing and 3 inch tubing
- $2

**9.** So far as may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:

**10.** The estimated amount of groundwater withdrawn each year: $1 $100,000 gal. $2

**11.** The log of formations encountered in the drilling of each well if available. The former owner doesn't have a log. We says it a sandy clay loose 105 ft. Researched Chouteau County and State files the log has not been registered.

**12.** Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

DECLARATION OF VESTED GROUNDWATER RIGHTS
(Under Chapter 237, Montana Session Laws, 1961)

1. Joseph H. Jurka, Jr., of Big Sandy, Chouteau, Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: Household

3. Date or approximate date of earliest beneficial use and how continuous the use has been: 1920

4. The amount of groundwater drawn (in miner's inches or gallons per minute): 65 gallons per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: One Acre

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Deep well 20 ft.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: 1920

8. The depth of water table: 40 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: Length 4½ ft. Depth 3 ft. Cast 2.

10. The estimated amount of groundwater withdrawn each year: 900,000

11. The log of formations encountered in the drilling of each well if available: Not available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

Mary Ann Adamse, of Big Sandy
County of Chouteau, State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: Household stockwater.

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: 1914—Homestead water—continuous flow and use.

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 10 gallons per minute.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:
   None—Mary Ann Fry Adamse
   James Fry, Betty Fry Silvan

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
   l/2 inch galvanized pipe—electric pump.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: 1914—25 foot dug well.

8. The depth of water table: 20 feet.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:
   5 ft. Diameter—25 foot deep—pump and pipe.

10. The estimated amount of groundwater withdrawn each year: 300 acre-feet.

11. The log of formations encountered in the drilling of each well if available: not available.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: None.

NOTICE OF COMPLETION OF GROUNDWATER APPROPRIATION WITHOUT WELL

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: 1959
Owner: George Fry
Address: Big Sandy, Montana 59520
Contractor (if any): none
Address of Contractor: none
Date Started: 1959 Date Completed: 1959

Describe means of obtaining groundwater without a well “as by sub-irrigation and other natural processes”. Include depth to water when applicable. dugout developed spring with culvert and pipe and tank, gravity flow

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent estimate approximate lengths of periods of use: Stock water, year around, 3 gallons per minute

Signature of Owner: George Fry
Date: 8/11/73

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the School of Mines and Quadruplicate for the Appropriator.
DECLARATION OF VESTED GROUNDWATER RIGHTS

(Under Chapter 237, Montana Session Laws, 1961)

1. George Fry
   of Big Sandy, Montana 59520
   (Name of Appropriator) (Address) (Town)

   County of Chouteau
   State of Montana

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based
      ________________
      domestic and stock

   3. Date or approximate date of earliest beneficial use; and how continuous the use has been until 1945
      ________________
      ________________
      ________________
      ________________

   4. The amount of groundwater claimed (in miner's inches or gallons per minute) five (5) gallons per minute
      ________________
      ________________
      ________________
      ________________

   5. If used for irrigation, give the acreage and description of the land to which water has been applied and name of the owner thereof
      none

   6. The amount of withdrawing such water from the ground and the location of each well or other means of withdrawal
      pressure pump
      ________________
      ________________
      ________________

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater 1945
      ________________
      ________________
      ________________

   8. The depth of water table 11: feet
      ________________
      ________________
      ________________

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater...case well with pressure pump...
      ________________
      ________________
      ________________

   10. The estimated amount of groundwater withdrawn each year
      ________________
      ________________
      ________________

   11. The log of formations encountered in the drilling of each well if available unknown
      ________________
      ________________
      ________________

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record...unknown
      ________________
      ________________
      ________________

   Signature of Owner George Fry
   Date 6-24-73

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the School of Mines and Quadruplicate for the Appropriator.

56255
Notice of Appropriation of Groundwater
(Under Chapter 237, Montana Session Laws, 1961)

1. Olmo E. Frye, at Big Sandy, Montana
   (Name of Appropriator)
   County of Chouteau, State of Montana, intend to appropriate groundwater in accordance with Chapter 237, Montana Session Laws of 1961.

2. The beneficial use to which water is to be applied is: House & Stock

3. The rate of use in gallons per minute or miner's inches of groundwater claimed: 2 gal

4. The annual period (inclusive dates) of intended use: April 1, 1964 to October 31, 1963

5. The probable or intended date of first beneficial use: April 1st

6. The probable date of commencement and completion of the well or wells: April 21, 1961

7. The location, type, size and depth of well or wells contemplated: SE 1/4 Sec. 13, T. 27 N., R. 14 E.

8. The probable or estimated depth of the water table or artesian aquifer: Surface Spring

9. Name, address and license number of the driller engaged: Self F. Made

10. Give such other similar information as may be useful: None

   SE 1/4 Sec. X T. 27 N., R. 14 E.
   Locate well or other means of development as accurately as possible on the plat.

   Signature of Appropriator: James F. Frye
   Date: June 27, 1963

* As defined in the Code Sec. 1 (c) "Well" means any artificial opening or excavation in the ground, however made, by which groundwater can be obtained or through which it flows under natural pressures or is artificially withdrawn.

Three copies of this notice are to be filed with County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology and Quadruplicate for the Appropriator.
