DECLARATION OF VESTED GROUNDWATER RIGHTS

(Under Chapter 237, Montana Session Laws, 1961)

1. Roger E Williams of Big Sandy
(Name of Appropriator) (Address) (Town)

County of Chouteau State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

SW 1/4 Sec. 1 T26 R15

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

2. The beneficial use on which the claim is based water for livestock

3. Date or approximate date of earliest beneficial use; and how continuous the use has been 1962

4. The amount of groundwater claimed (in miner's inches or gallons per minute) 160 miner's inches

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof NO

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal pump

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater 1962

8. The depth of water table 15 ft to 30 ft

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater 48 inch galvanized pipe g.d.s motor or electric pump, 20 ft well

10. The estimated amount of groundwater withdrawn each year As much as required by user

11. The log of formations encountered in the drilling of each well if available dug with bar/khoe

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record was recorded with A.S.S.

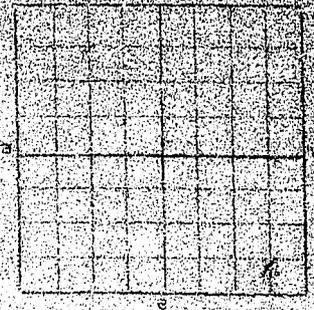

Signature of Owner Roger E Williams
Date Dec 26 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the School of Mines and Quadruplicate for the Appropriator.

(Under Chapter 237, Montana Session Laws, 1963) STATE ENGINEER

1. Harry E. Williams of Big Sandy
(Name of Appropriator) (Address) (Town)

County of Chouteau State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

S.W. 1/4 Sec. 22 T. 26 R. 15

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

2. The beneficial use on which the claim is based water for house & livestock

3. Date or approximate date of earliest beneficial use; and how continuous the use has been EARLY 1900 At the time

4. The amount of groundwater claimed (in miner's inches or gallons per minute) 160 miner's inches

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof NO

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal Electric pump

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater SOME WERE DUG IN EARLY 1900 SOME IN 1960

8. The depth of water table 15 to 30 ft

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater 3 1/2 in galvanized pipe 15 ft deep electric pump

10. The estimated amount of groundwater withdrawn each year AS MUCH AS REQUIRED BY USAGE

11. The log of formations encountered in the drilling of each well if available NO RECORD

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record NO RECORD

Signature of Owner Harry E. Williams

Date Dec 30 63

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the School of Mines and Quadruplicate for the Appropriator.

26306

1. The purpose of this report is to provide information regarding the proposed well location and its potential impact on the surrounding area.

2. The proposed well is located on the north side of the section, approximately 1/4 mile east of the center of the section.

3. The proposed well is to be drilled to a depth of approximately 100 feet below the surface.

4. The proposed well is to be drilled using a standard drilling rig and is expected to be completed within 30 days.

5. The proposed well is to be drilled to a depth of approximately 100 feet below the surface.

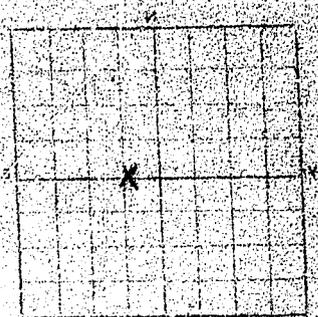

6. The proposed well is to be drilled to a depth of approximately 100 feet below the surface.

7. The proposed well is to be drilled to a depth of approximately 100 feet below the surface.

8. The proposed well is to be drilled to a depth of approximately 100 feet below the surface.

9. The proposed well is to be drilled to a depth of approximately 100 feet below the surface.

10. The proposed well is to be drilled to a depth of approximately 100 feet below the surface.

21.8.1.12
 has nothing to do with the proposed well. Each well shall be drilled to a depth of approximately 100 feet.

11. The proposed well is to be drilled to a depth of approximately 100 feet below the surface.

12. The proposed well is to be drilled to a depth of approximately 100 feet below the surface.

13. The proposed well is to be drilled to a depth of approximately 100 feet below the surface.

14. The proposed well is to be drilled to a depth of approximately 100 feet below the surface.

15. The proposed well is to be drilled to a depth of approximately 100 feet below the surface.

16. The proposed well is to be drilled to a depth of approximately 100 feet below the surface.

17. The proposed well is to be drilled to a depth of approximately 100 feet below the surface.

18. The proposed well is to be drilled to a depth of approximately 100 feet below the surface.

19. The proposed well is to be drilled to a depth of approximately 100 feet below the surface.

20. The proposed well is to be drilled to a depth of approximately 100 feet below the surface.

Attn: Mr. Robert Poad

Re: Arnold Hokanson -- Affidavits to correct Notices
of Completion of Groundwater Appropriations With-
out Wells

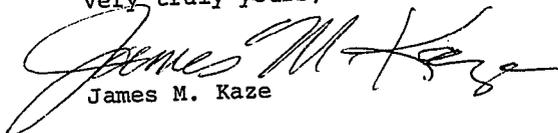

Dear Mr. Poad:

Pursuant to your instructions in our telephone conversation
of January 22, 1975, I am enclosing copies of five Affidavits
executed by Mr. Hokanson to correct errors made in descriptions
of points of appropriation on five separate Notices of Completion
of Groundwater Appropriations Without Wells.

We have sent the original Affidavits to Chouteau County
to be filed with the original Notices of Completion of Ground-
water Appropriations Without Wells.

Should you have any questions regarding this matter,
please contact me.

Very truly yours,

AFFIDAVIT

STATE OF MONTANA)
) Hill) ss.
County of ~~Chouteau~~)

ARNOLD HOKANSON, being first duly sworn upon oath, deposes and says:

That he is a citizen of the United States, over the age of 18 years and is residing in Chouteau County, Montana;

That he is the named claimant and appropriator of waters in that certain Notice of Completion of Groundwater Appropriation Without Well _____, dated June 5 _____, 1973, filed for record on June 27 _____, 1973, at 10:00 o'clock A.M., as Document # 371216 _____, records of Chouteau County, Montana;

That through inadvertence or mistake, the description of the point of appropriation and place of use set forth in the above described instrument of record is in error;

That the true and correct point of appropriation and place of use for the above described appropriation is described as follows:

Township 27 North, Range 16 East, M.P.M., Chouteau Co., MT

Section 35: SE $\frac{1}{4}$ SW $\frac{1}{4}$

That said appropriation is, and always has been, at the point and place herein described, since the date of appropriation thereof.

Arnold Hokanson

Subscribed and sworn to before me this 5th day of September 1975.
