(Under Chapter 237, Montana Session Laws, 1961)

1. Alfred Christman of Brady
(Name of Appropriator) (Address) (Town)

County of Chouteau State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1/24 SE Sec 33 T26 R3E
Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

- 2. The beneficial use on which the claim is based
Private Water Well
- 3. Date or approximate date of earliest beneficial use; and how continuous the use has been
June 1912
Renovated in fall of 1925 and used since
- 4. The amount of groundwater claimed (in miner's inches or gallons per minute)
about 1 gallon per minute
- 5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof
Not applicable
- 6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal
Electric pump
- 7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater
August 1925
- 8. The depth of water table
about 15 feet
- 9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater
Hand dug 30 ft. deep 6ft. in dia. cribbed with rock.
- 10. The estimated amount of groundwater withdrawn each year
35,000.
- 11. The log of formations encountered in the drilling of each well if available
None
- 12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.....
None

Signature of Owner Alfred L. Christman
Date Dec 30 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.
Please answer all questions. If not applicable, so state, otherwise the form will be returned.
Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the School of Mines and Quadruplicate for the Appropriator.

(Under Chapter 237, Montana Session Laws, 1961)

1. Lawrence W. Colwell, of Blaine, Blaine Montana
(Name of Appropriator) (Address) (Town)

County of Blaine State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

N.W. 1/4 N.W. Sec. 9 T.26 R.6

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

2. The beneficial use on which the claim is based

Stock Water

3. Date or approximate date of earliest beneficial use; and how continuous the use has been

approx. 1935
continuous since completion

4. The amount of groundwater claimed (in miner's inches or gallons per minute)

10 gal. min.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

not applicable

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal

Pumps

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater

not applicable

8. The depth of water table

10 ft.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater

3.0 in. stone cased
total depth 70 ft.

10. The estimated amount of groundwater withdrawn each year

70,000 gal.

11. The log of formations encountered in the drilling of each well if available

not applicable

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

not applicable

Signature of Owner Lawrence W. Colwell

Date Dec. 16, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.
