Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

Name of Appropriator: Carl Holland
Address: 523 Main St.
County of: Cass
State of: Montana

I have appropriated groundwater according to the Montana laws in effect prior to January 1, 1963, as follows:

1. The beneficial use on which the claim is based: Irrigation

2. Date or approximate date of earliest beneficial use; and how continuous the use has been: 1947, July 15; duration: 1947

3. The amount of groundwater claimed (in miner's inches or gallons per minute): Approximately 3 gal. per minute; when pump operated

4. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: Irrigation crop

5. The means of withdrawing such water from the ground: Engine and pump pack

6. The date of commencement and completion of the construction of the well, wells, or other means for withdrawal of groundwater: Pump pack and water installed about 10-1-1947

7. The depth of water table: Total hole depth 347 feet

8. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: Water well drilled, 107 ft. deep

9. The estimated amount of groundwater withdrawn each year: 575,000 gal

10. The log of formations encountered in the drilling of each well if available: None available

11. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: Nothing available

1. The beneficial use on which the claim is based is Stock water.

2. Date or approximate date of earliest beneficial use; and how continuous the use has been.

3. The amount of groundwater claimed (in miner's inches or gallons per minute): #1-1,050 g.p.m.; #2-4,900 g.p.m.; #3-540 g.p.m.; #4-4,700 g.p.m.; #5-7,400 g.p.m.; #6-4,000 g.p.m.; #7-1,400 g.p.m.; #8-5,600 g.p.m.;

4. If used for irrigation, give the acreage and description of the land to which water has been applied and name of the owner thereof.

5. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater.

6. The depth of water table.

7. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater.

8. The estimated amount of groundwater withdrawn each year:

9. The log of formations encountered in the drilling of each well if available.

10. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

Signature of Owner

Date

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology, and quadruplicate for the Appropriator.
