STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

C. J. Jonutis
of Pouderville Stage, Miles City
County of Custer
State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1961, as follows:

1. (Name of Appropriator) (Address) (Town)

2. The beneficial use on which the claim is based: stock and domestic

3. Date or approximate date of earliest beneficial use: 1913

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 50 gpm

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:

8. The depth of water table:

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:

10. The estimated amount of groundwater withdrawn each year: 32,850 gal. per year

11. The log of formations encountered in the drilling of each well if available: not available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

Signature of Owner: C. J. Jonutis
Date: Dec. 18, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology, and quadruplicate for the Appropriator.

STATE OF MONTANA

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

Giesicker Brothers, a co-partnership, consisting of
Richard Giesicker and Ralph Giesicker... Box 221... Miles City
(Name of Appropriator) (Address) (Town)

County of... Custer... State of... Montana...

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. The beneficial use on which the claim is based...
   Watering livestock...

2. Date or approximate date of earliest beneficial use and how continuous the use has been... Has been used continuously for more than 10 years...

3. The amount of groundwater claimed (in miner's inches or gallons per minute)...
   5 gallons per minute...

4. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof...
   No irrigation...

5. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal...
   Windmill...

6. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater...
   More than 10 years prior to making this declaration, but exact date unknown...

7. The depth of water table...
   Unknown...

8. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for withdrawing groundwater...
   Depth of well 200 feet...

9. The estimated amount of groundwater withdrawn each year...
   Unknown, but pumps 5 gallons per minute...

10. The log of formations encountered in the drilling of each well if available...
    Appropriator knows of no log formations, as well was drilled before present owners purchased land...

11. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record...
    No other information known...

GIESICKER BROTHERS...

Signature of Owner...

Date... February 21, 1963...

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder... duplicate to the State Engineer... triplicate to the Montana Bureau of Mines and Geology... and quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

E. Ostendorf
(Name of Appropriator)

County of Custer
State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. Date or approximate date of continuous beneficial use. Oct. 17, 1966

2. The beneficial use on which the claim is based. Livestock

3. Date or approximate date of earliest beneficial use, and how continuous the use has been. Oct. 17, 1966 - Constant

4. The amount of groundwater claimed (in miner's inches or gallons per minute). 15 gpm

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal. Artesian

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater. Oct. 17, 1966

8. The depth of water table. 500 ft.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater. Artesian 2 in pipe 370 ft.

10. The estimated amount of groundwater withdrawn each year. 3,000,000 gals

11. The log of formations encountered in the drilling of each well if available. Not available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record. Well partially shallowed

Signature of Owner: E. Ostendorf
Date: Dec. 1, 1966

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology, and quadruplicate for the Appropriator.

STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. GARTH LAND AND LIVESTOCK CO. of
   (Name of Appropriator) (Address) (Town)
   County of Custer State of Montana
   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based is for watering of livestock and other ranch purposes.

3. Date or approximate date of earliest beneficial use; and how continuous the use has been. The water was put to beneficial use in June, 1965, and has been used continuously since that time.

4. The amount of groundwater claimed (in miner’s inches or gallons per minute) 12 gallons per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof. Water is used primarily for watering of livestock on Garber Land and Livestock Co. lands in Custer County, Montana—SINCE—Sec. 11, T6N, R33E.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal, portable pumps (submersible and siphon-jet) 220 volt 1 HP electric engine—SINCE—Sec. 11, T6N, R33E

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater July, 1965

8. The depth of water table Approximately 6 feet below ground level.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater. Well is approximately 22 feet deep with a 24-inch concrete casing, the total depth of the well. The water is piped to various water tanks on the Garber land and livestock Co. ranch holdings.

10. The estimated amount of groundwater withdrawn each year 140,000 gallons

11. The log of formations encountered in the drilling of each well if available Not available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Notice of Completion of Groundwater Appropriation Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater
Owner: Garry Haas
Address: Great Falls, Montana
Contractor (if any): None; Self Developed
Address of Contractor
Date Started: Date Completed:

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable:

1. Flowing Spring
2. Flowing Spring
3. Flowing Spring into Arroya
4. Pumps + Flow

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent estimate approximate lengths of periods of use:

1. Waste 150 Hectoliters per hour
2. Waste 200 Hectoliters per hour
3. Well water 300 Hectoliters per hour
4. Pumps 15 Gallons per minute for 150 Hectoliters per hour

Signature of Owner: Milt Haas
Date: 7-1-62

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the School of Mines and Quadruplicate for the Appropriator.
STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. GARBER LAND AND LIVESTOCK CO. of...Ismay, Montana
   (Name of Appropriator) (Address) (Town)
   County of Custer State of Montana
   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based is for watering of livestock and other ranch purposes.

   3. Date or approximate date of earliest beneficial use; and how continuous the use has been...The water was put to beneficial use in June 1965, and has been used continuously since that time.

   4. The amount of groundwater claimed (in miner's inches or gallons per minute)...22 gallons per minute.

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof. Water is used primarily for watering of livestock on Garber Land and Livestock Co. lands in Custer County, Montana — SW1/4 of Sec. 6, T61N, R54E.

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal. Various portable pumps (submersible and siphon jet) 220 volt 1 HP electric engine. SW1/4, Sec. 6, T61N, R54E.

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater...June 1, 1965.

   8. The depth of water table...Approximately 16 feet below ground level.

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater. Well is approximately 18 feet deep with a 24-inch concrete casing: total depth of the well. The water is piped to various water tanks on the Garber land and Livestock Co. ranch holdings.

   10. The estimated amount of groundwater withdrawn each year...480,000 gallons.

   11. The log of formations encountered in the drilling of each well if available...Not available.

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

Lamar
(Address)

Montana
(Town)

County of Custer

I have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. The beneficial use on which the claim is based: Household and livestock

2. Date or approximate date of earliest beneficial use and how continuous the use has been: 1944, continuous

3. The amount of groundwater claimed (in miner's inches or gallons per minute): 5 gal. per minute

4. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: None

5. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Pump jack and cylinder

6. The depth of water table: 140 ft.

7. The log of formations encountered in the drilling of each well if available: None

8. The estimated amount of groundwater withdrawn each year: 68,800

9. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: None

Signature of Owner: Marie Myers

Date: December 23, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

## Declaration of Vested Groundwater Rights

under Chapter 237, Montana Session Laws, 1961

1. **Grant Pham**
   - **Name of Appropriator**
   - **Address**
   - **Town**
   - **County**
   - **State**

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

### Declaration Details

2. **Beneficial Use**
   - The beneficial use on which the claim is based is **irrigation**

3. **Date of Beneficial Use**
   - The date or approximate date of earliest beneficial use and how continuous the use has been is **June 1, 1958**

4. **Amount of Groundwater Claimed**
   - The amount of groundwater claimed (in miner's inches or gallons per minute) is **5 gallons per minute**

5. **Irrigation Details**
   - If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof is **240 acres**

6. **Means of Withdrawal**
   - The means of withdrawing such water from the ground and the location of each well or other means of withdrawal is **borehole or well**

7. **Date of Construction**
   - The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater is **June 1, 1958**

8. **Depth of Water Table**
   - The depth of water table is **30 feet**

9. **Well Specifications**
   - So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater is **1 in county from 500 ft. to 700 ft.**

10. **Estimated Water Withdrawal**
    - The estimated amount of groundwater withdrawn each year is **54,000 gallons**

11. **Formation Logs**
    - The log of formations encountered in the drilling of each well if available is **2 ft. of clay and black shale, 3 ft. to 2 ft. of sandstone, 210 ft. of well.**

12. **Additional Information**
    - Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record is **Additional Information**

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and quadruplicate for the Appropriator.
### Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

| NE | Sec. 2, T5, R45 |

**(Name of Appropriator)** of **(Address)** in **(Town)**

**County of:**************** State of:*********

I have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. The beneficial use on which the claim is based.

2. Date or approximate date of earliest beneficial use; and how continuous the use has been

3. The amount of groundwater claimed (in miner’s inches or gallons per minute)

4. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

5. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal

6. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater

7. The depth of water table

8. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater

9. The estimated amount of groundwater withdrawn each year

10. The log of formations encountered in the drilling of each well if available

11. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

**Signature of Owner**

Date:

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.
STATE OF MONTANA
