Declaration of Vested Groundwater Rights STATE ENGINEER

(Under Chapter 237, Montana Session Laws, 1961)

1. Vernon J. Kransky of 1011 Alie St Miles City
(Name of Appropriator) (Address) (Town)
County of Custer State of Mont
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1/4 Sec. T. R.

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

- The beneficial use on which the claim is based. Irrigation
- Date or approximate date of earliest beneficial use; and how continuous the use has been. June 1946 to 1963 during summer months
- The amount of groundwater claimed (in miner's inches or gallons per minute). Unknown
- If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof. lots 14-15-16-17 BLS6
18-19-20-21 BLS6
Garden and lawn
- The means of withdrawing such water from the ground and the location of each well or other means of withdrawal. 1 1/2" centrifugal Pump
- The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater. June 1946
- The depth of water table. 21'
- So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater. 21' Deep 1 1/2" pump
- The estimated amount of groundwater withdrawn each year. Unknown
- The log of formations encountered in the drilling of each well if available. surface well
Dirt and gravel
- Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

Signature of Owner. Vernon J. Kransky
Date. 12-31-1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

1 W.C.Gibb and Catherine Gibb Mathis of Box 657 Miles City
(Name of Appropriator) (Address) (Town)

County of Custer State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1/4 Sec. T. R.

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

2. The beneficial use on which the claim is based. household uses

3. Date or approximate date of earliest beneficial use; and how continuous the use has been. Continuous since 1905

4. The amount of groundwater claimed (in miner's inches or gallons per minute).

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal. Hand pump and then electric pump

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater. 1905

8. The depth of water table.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater. 75 feet 2" casing

10. The estimated amount of groundwater withdrawn each year. 20,000 gallons

11. The log of formations encountered in the drilling of each well if available.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.
