STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

STATE ENGINEER

Elmer Storey of Scobey

County of Daniels; State of Montana

I have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based
   Livestock

3. Date of approximate date of earliest beneficial use; and how continuous the use has been: 1923 continuous use since

4. The amount of groundwater claimed (in miner's inches or gallons per minute). 1.0 gallon per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof
   No irrigation

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal
   Pump-Jack
   approx. 350 feet east and 2541 feet south of NW corner of Section 30, Twp 35N, Range 49E

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater
   Summer 1932

8. The depth of water table
   29 feet of water

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater
   Drilled well, 4" iron casing, 33 feet deep

10. The estimated amount of groundwater withdrawn each year
    270,000 gallons per year

11. The log of formations encountered in the drilling of each well if available
    No log available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record
    No

Signature of Owner

Date Dec. 30, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.
Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Elmer Storie
   of Scohey, Montana
   (Name of Appropriator) (Address) (Town)

   County of Daniels State of Montana

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based: Domestic, Agriculture

   3. Date or approximate date of earliest beneficial use, and how continuous the use has been: 1938 Continuous use up to 1958—Intermittent use since

   4. The amount of groundwater claimed (in miner's inches or gallons per minute): 16 gallons per minute

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

   SWSW 1/4 Sec. 20 T. 33 N.

   Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal.

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater, Fall of 1938

   8. The depth of water table: 20 feet of water

   9. So far as may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:

   Drilled well, 8" steel casing, 30 feet deep

   10. The estimated amount of groundwater withdrawn each year: 817,775 gallons per year

   11. The log of formations encountered in the drilling of each well if available: no log available

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: no

   Signature of Owner: 

   Date: Dec. 30, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

County of: Montana State of: Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. **2. The beneficial use on which the claim is based:**
   - Livestock

2. **3. Date or approximate date of earliest beneficial use; and how continuous the use has been:**
   - 1959

3. **4. The amount of groundwater claimed (in miner's inches or gallons per minute):**
   - 1 gal. per minute

4. **5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:**
   - Irrigation

5. **6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:**
   - Electric pump Jack 100 ft. East of SW 1st corner and 300 ft. East thereof

6. **7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:**
   - Spring of 1960

7. **8. The depth of water table:**
   - 25 feet of water

8. **9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:**
   - Drilled well 4 inch steel pipe for 93 feet deep

9. **10. The estimated amount of groundwater withdrawn each year:**
   - 1,500,000 gal. per year

10. **11. The log of formations encountered in the drilling of each well if available:**
    - Log on file

11. **12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:**
    - Has been registered

Notice of Completion of Groundwater Appropriation Without Well

(Under Chapter 237, Montana Session Laws, 1951)

Date of Appropriation of Groundwater:  

Owner: Martin Knauss  
Address or Location:  

Contractor (if any):  
Address of Contractor:  

Date Started: June 20  
Date Completed: June 1953

Describe means of obtaining groundwater without a well:  

1. Insert sub-surface system, e.g. Installed and 200 feet of 3 inch plastic pipe run out to a tank.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent, estimate approximate lengths of periods of use:  

1/2 gallon per minute estimated average.  
Summer use, 6 months

Signature of Owner: Martin Knauss  
Date: 12-30-53

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer or to the Montana Bureau of Mines and Geology and Quadruplicate for the Appropriate.
Notice of Completion of Groundwater Appropriation by Means of Well

(Under Chapter 237, Montana Session Laws, 1981)

Owner: Andrew (Eddy) Gustafson, Maxville, Montana

Date of Notice of Appropriation of Groundwater: July 20, 1985

Date well started: July 20, 1985

Date Completed: July 23, 1985

Type of well: Drilled

Equipment Used: Drilled

Water Use: Domestic □ Municipal □ Other □ Irrigation □ Industrial □ Drainage □ Stock □

Indicate on the diagram the character and thickness of the different strata met with in drilling, such as soil, clay, shale, gravel, rock or sand, etc. Show depth at which water is encountered, thickness and character of water-bearing strata and height to which water rises in the well.

This form to be prepared by driller, and three copies to be filed by the owner with the County Clerk and Recorder in the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the School of Mines and quadruplicate for the Appropriator.
### Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

1. **John D. Curranagh**, of [Address], in the County of **Daniels** State of Montana, have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

<table>
<thead>
<tr>
<th>N</th>
</tr>
</thead>
<tbody>
<tr>
<td>E</td>
</tr>
</tbody>
</table>

**Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.**

2. The beneficial use on which the claim is based: **Agriculture**

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: **1916 Continuous Since**

4. The amount of groundwater claimed (in miner's inches or gallons per minute): **1.8 Gallons per minute**

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: **None**

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: **Drilled well located 8.5 feet deep**

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: **Spring 1916**

8. The depth of water table: **75 feet of water**

9. So far as it may be available, the type, size and depth of each well or other means of withdrawal: **Drilled well 8.5 feet deep**

10. The estimated amount of groundwater withdrawn each year: **2,757,625 Gallons per year**

11. The log of formations encountered in the drilling of each well if available: **No Log Available**

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: **No**

**Signature of Owner: John D. Curranagh**

**Date: 1-2-31-63**

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Board of Mines and Geology, and Quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights

Name of Applicant: HARRY BUTLER

Address: FLAXVILLE

State of Montana

I, HARRY BUTLER, having been notified of the right of any person to file a Declaration of Vested Groundwater Rights, hereby declare that I have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: Domestic. Irrigation.

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: September, 1952 Continuous.

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 38 gal. per minute.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: 1 acre, South 40 acres.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Cylinder pump with electric motor. North of the SE corner of Sec. 19, approx. 500 yards due East.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: Sept. 1952.

8. The depth of the water table...Wall is 200 feet deep with 30' of water.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: Drilled well with 6' casing 100' deep with 28' cylinder pump.

10. The estimated amount of groundwater withdrawn each year: 175,000 gal. per year.

11. The log of formations encountered in the drilling of each well if available: Non-available.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: None.

Signature of Owner: [signature]

Date: 10-14-63

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology, and quadruplicate for the Appropriaator.

I, the undersigned, do hereby declare that I have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based:

3. Date or approximate date of earliest beneficial use; and how continuous the use has been. Approximately 1919-

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 5 gallons per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: Approximately 1919

8. The depth of water table:

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:

10. The estimated amount of groundwater withdrawn each year: 66,000 gallons

11. The log of formations encountered in the drilling of each well if available: No log available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

Signature of Owner: John M. Jacobson
Date: 12/30/63

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

1. Carl Bend, \(\text{(Name of Appropriator)}\)
   
   County of: Teton County, Montana
   
   State of Montana
   
   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based.
   
   Description.

   3. Date or approximate date of earliest beneficial use; and how continuous the use has been. Dec. 1963 has been used continuously to this date.

   4. The amount of groundwater claimed (in miner's inches or gallons per minute). 6 gallons per minute.

   5. If used for irrigation, give the acreage and description of the lands on which water has been applied and name of the owner thereof.

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal.

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater.

   Oct. 25, 1963

   8. The depth of water table.

   13 feet.

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater.

   24-inch well, 30 feet deep.

   10. The estimated amount of groundwater withdrawn each year.

   100,000 gallons.

   11. The log of formations encountered in the drilling of each well if available.

   0 to 12 feet clay

   12 to 15 feet gravel, 15 to 20 feet sand

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

   None.

STATE OF MONTANA
 ADMINISTRATOR OF GROUNDWATER CODE
 OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. **Alvin Marsh**
   - **County of**: [Blank]
   - **State of**: Montana
   - **Redlined Area**
   - **Address**: [Blank]
   - **Town**: [Blank]

   The claimant has appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based: [Blank]

   3. Date or approximate date of earliest beneficial use; and how continuous the use has been: June 1953, every season

   4. The amount of groundwater claimed (in inches or gallons per minute): 1.5 gal. per minute

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: No irrigation

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: June 1953

   8. The depth of water table: 6' to water, 6' water in hole

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: 12' deep, hand dug

10. The estimated amount of groundwater withdrawn each year: 550,000 gallons

11. The log of formations encountered in the drilling of each well if available: 0-1' of clay 4-6' sand

12. Such other information of a similar nature as may be useful in carrying out the policy of this Act, including reference to book and page of any county record:

   Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the claim will be returned.

Original to the County Clerk and Recorder, Duplicate to the State Engineer, Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the State Agriculturist.

Signature of Owner: [Signature]

Date: Jan 13, 1963
