STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

Name of Appropriator: Edwin Cornelius
Address: Helena
Town: Blende
County of: Lewis
State of: Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. Name of Appropriator
2. The beneficial use on which the claim is based: House use
3. Date or approximate date of earliest beneficial use; and how continuous the use has been: Jan 1961
4. The amount of groundwater claimed (in miner's inches or gallons per minute): 5 gal per min
5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: 100
6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: 

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: Oct 20, 1961
8. The depth of water table:

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:

A well drilled 125 ft. to casing
B drill to 110 ft. to casing

10. The estimated amount of groundwater withdrawn each year: 300,000 to 400,000 gal
11. The log of formations encountered in the drilling of each well if available: 

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: 

Signature of Owner: Edwin Cornelius
Date: Dec 31, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.
Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

Nora Corneliusen
(Name of Appropriator)

County of Dawson State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: household, stock water and garden irrigation.

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: 1913 and 1937. earliest use, same.

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 10 gallons per minute.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: one-half acre.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: pump.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: 1913 and completed same date and 1937 and completed same date.

8. The depth of water table: 113 feet, 27 feet and 35 feet.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: 50 ft casing 1-5 ft. and hand dug 32 ft. in diameter, 27 ft. deep, 8 ft. casing and 35 ft.

10. The estimated amount of groundwater withdrawn each year: 500,000 gallons.

11. The log of formations encountered in the drilling of each well if available: sand, gravel and clay.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: 

Signature of Owner: Nora Corneliusen
Date: December 31, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Approprietor.

Notice of Completion of Groundwater Appropriation
Without Well
(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of groundwater: 12-30-63
Owner: Christ Siegel
Contractor (if any): Blundine
Address of Contractor: 100th St.
Date Started: 1941 Date Completed: 1941

Describe means of obtaining groundwater without a well "as by
sub-irrigation and other natural processes". Include depth to
water when applicable:

Pipe

Quantity of water developed and used with explanation of method
used to measure or estimate such amount. If use is intermittent
estimate approximate lengths of periods of use: 8 months

20,000

Signature of Owner: Christ Siegel
Date: 12-30-63

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the
works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana
Bureau of Mines and Geology and Quadruplicate for the Appropriator.
STATE OF MICH. A.D.
County of Ingham

Filed for record this 30th day of December, A.D. 1962, at

Notice of Completion of Groundwater Appropriation
Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: 1967

Owner: Donald Williams
Address: 123 Main St.

Contractor (if any): None
Address of Contractor: None

Date Started: Date Completed:

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable. Springs (a) natural spring running out of Creek bottom about 2 feet deep 20 ft wide 50 ft long. Springs (b) natural spring running out of Rock. Rock about 3 feet deep 20 ft wide 100 ft long.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent estimate approximate lengths of periods of use:

Indicate point of appropriation and place of use, if possible.

Signature of Owner: Donald Williams
Date: 12-30-1967

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology and Quadruplicate for the Appropriator.

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: **stock water**

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: **December 1960 continuous**

4. The amount of groundwater claimed (in miner's inches or gallons per minute): **10 gallons per minute**

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:
   Not used for irrigation

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
   (1) SW 1/4 Sec. 10-14-53
   (2) NE 1/4 Sec. 34-14-53

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:
   (1) 1962

8. The depth of water table: **75 feet and 0 feet**

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:
   **Size 5" casing, depth 50 feet**
   **Size 5" casing, depth 150 feet**

10. The estimated amount of groundwater withdrawn each year: **900,000 gallons**

11. The log of formations encountered in the drilling of each well if available:
   **Gravel, sand and clay**
   **Well 1: Clay, sandstone and coal**
   **Well 2**

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

   Signature of Owner: **BE Barnick**
   Date: **December 31, 1963**

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Static Water Level for non-flowing Well: 26 feet
Shut-in Pressure for Flowing Well: 25 feet at 12 gal. per minute
Pumping Water Level: 25 feet
Discharge in gal. per min. of flowing well: 12.6 gpm
How Tested: Drilled Length of Test: 260 ft

Remarks: (Gravel packing, cementing, packers, type of shutoff, location of place of use of groundwater if not at well, and any other similar pertinent information, including number of acres irrigated, if used for irrigation)

Signed: State Engineer

Driller's License Number: C. H. Starl
Driller's Signature: C. H. Starl

This form to be prepared by driller, and three copies to be filed by the owner with the County Clerk and Recorder in the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.
Notice of Completion of Groundwater Appropriation Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: 14-5-3
Owner: John E. Hess
Address: C.R. 6, Box 924
Contractor (if any):
Address of Contractor: 
Date Started: 14-5-3
Date Completed: 14-5-4
Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes": Include depth to water when applicable.
Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent estimate approximate lengths of periods of use.

Indicate point of appropriation and place of use, if possible.

Signature of Owner: John E. Hess
Date: 12-31-63

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original: to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and quadruplicate for the Appropriator.
MONTANA WATER RESOURCES BOARD

NOTICE OF COMPLIANCE OF GROUNDWATER APPROPRIATION WITHOUT WELL
Developed After January 1, 1962
(Under Chapter 237, Montana Session Laws, 1961, as amended)

This form to be prepared by contractor (if any), otherwise by the owner.
Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.
Please answer all questions. If not applicable, so state, otherwise the form may be returned.

Owner: JOHN E. HESS and SOLVEIG HESS
Address: Cracker Box Route, Glendive, Montana
Contractor (if any): Self
Address of Contractor:
Date Started: August 1, 1974
Date Completed: August 1974

1. Describe means of obtaining groundwater (as by sub-irrigation, developed spring, drains, etc.)... sub-irrigation...

2. Means of withdrawing water (gravity, pump, canal, etc.)... 6" Crisafulli Pump...

3. Depth of water table... 5 feet...

4. Use of the water... Crop and pasture irrigation...

5. Amount of groundwater claimed (in miner's inches or gallons per minute)... 2 cubic feet per second...

6. If used for irrigation, give number of acres and description of land... 50 acres - South Half (84) of Section 25, Township 14 N., Range 53 E.

7. Estimate amount of water used each year... 50 acre-feet...

8. Months of year spring flows...

Notice of Completion of Groundwater Appropriation by Means of Well
DEVELOPED AFTER JANUARY 1, 1962
(Under Chapter 237 Montana Session Laws, 1961, as amended)

Owner:  Edwin Roessler  Address: C.B.R., Glendive
Driller:  Joe Johnson Drlg.  Address: Terry, Mt.

Date of Notice of appropriation of groundwater: ________________
Date well started: ____________  Date completed: ____________

Type of well:  Drilled  Equipment used: Cable tool & rotary
Water use:  Domestic  Municipal  Stock  Irrigation  Industrial  Drainage  Other

Indicate on the diagram the character and thickness of the different strata
met with in drilling, such as soil, clay, shale, gravel, rock or sand, etc. Show
depth at which water is encountered, thickness and character of water-bearing
strata and height to which the water rises in the well.

Drop in Water Level for non-flowing well

Shut-In Pressure for Flowing Well

Pumping Water Level

Discharge in gal. per min. of flowing well

Length of Test: 4 hrs.

Remarks: (Gravel packing, cementing, packers, type of shut-off, etc.)

USE—If used for irrigation, industrial, drainage or other. Explain, state
number of acres and location or other data (e.g. Lot, Block and Addition).

This form to be prepared by driller, and three copies to be filed by the owner with the
County Clerk and Recorder in the county in which the well is located, tissues copy to be
retained by driller.

Please answer all questions. If not applicable, so state, otherwise the form will be
returned.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

STATE ENGINEER

Name of Appropriator: Maude Reynolds
Address: Brandon
State: Montana
County of Dawson

I have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. Maude Reynolds of Brandon, State of Montana, have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based is livestock.

3. Date or approximate date of earliest beneficial use, and how continuous the use has been: June, 1958.

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 100 miner's inches.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: three wells 70 to 80 feet deep with 1½ inch pipe with motor pumps.

6. The means of withdrawing such water from the ground and the location of each well or other points of withdrawal:

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: June, 1958.

8. The depth of water table: 65 ft.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: 170 to 180.

10. The estimated amount of groundwater withdrawn each year: not known.

11. The log of formations encountered in the drilling of each well if available: not known/available.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: signature of owner.

Signature of Owner: Maude Reynolds
Date: 12-3-63

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.
