Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

1. R. H. Foss

(Name of Appropriator)

Dawson

(State of)

County of

of B ox 415

(Row)

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based:

Live stock and household use

3. Date or approximate date of earliest beneficial use; and how continu-

ous the use has been

Sec. 15, T. 16 S., R. 56 E., Dawson Co., Mont., 1870

4. The amount of groundwater claimed (in million gallons per month):

Sec. 15 - 25 gal.; Sec. 25 - 25 gal.; Sec. 26 - 25 gal.; Sec. 27 - 25 gal.

5. If used for irrigation, give the acreage and description of the lands

to which water has been applied and name of the owner thereof

Montana

6. The means of withdrawing such water from the ground and the loca-

tion of each well or other means of withdrawal:

Sec. 15 - Pump

7. The date of commencement and completion of the construction of the well, wells, or other means of withdrawal:

Sec. 15 - May 15, 1963

8. The depth of water table:

Sec. 15 - 60 ft.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other

works for the withdrawal of groundwater:

Sec. 15 - Pump

10. The estimated amount of groundwater withdrawn each year:

Sec. 15 - 2,000 gal.

11. The log of formations encountered in the drilling of each well if available:

Sec. 15 - Soft shale

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including

reference to book and page of any county record:

Signature of Owner:

R. H. Foss

Date: Dec. 27, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Obert Kartenold
   (Name of Appropriator)

County of Dawson
   (Town)

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: Stock Water

3. Date or approximate date of earliest beneficial use; and how continuous the use has been:
   A-1956-1 months usage
   B-1957-1 months usage
   C-1957-1 months usage
   D-1953-1 month usage

4. The amount of groundwater claimed (in miner's inches or gallons per minute): A = B = C = 0.4 gal. will produce 10 gal. a minute. 1 pump is used.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
   A = Windmill
   B = Windmill
   C = Electric
   E = Gas Motor & Pump jack

7. The date of commencement and completion of the construction of the well(s) or other works for withdrawal of groundwater
   Date of commencement: ________
   Date of completion: ________

8. The depth of water table: Not Known

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:
   A = 18" Casing 700 ft.
   B = 18" Drilled Cement Casting 35 ft.
   C = 18" 3/4" Hollow Access Casting 42 ft.
   D = 18" Drilled Cement Casting 48 ft.
   E = 18" Drilled Cement Casting 45 ft.

10. The estimated amount of groundwater withdrawn each year: 1,200,000 gal.

11. The log of formations encountered in the drilling of each well if available:

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

Signature of Owner: Obert Kartenold
   Date: 12-19-63

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

Recently a copy of a groundwater appropriation form,

- GW 1, Notice of Appropriation of Groundwater
- GW 2, Notice of Completion of Groundwater Appropriation by means of Well
- **GW 3**, Notice of Completion of Groundwater Appropriation without Well
- GW 4, Declaration of Vested Groundwater Rights (This form is obsolete and was limited by law to use only through 1965)

was forwarded to this office by the County Clerk and Recorder.

This form is identified by

Owner Roy Rakes
Address 132 Maple Ave.

Location T. 15N., R. 57E., Sec. 10 & 15 Document No. 308033

The form is complete as filed. This is to inform you that your GW form has been received and no further action is necessary on your part.

**X** The form is incomplete. Please complete the enclosed copy by providing information where indicated, or as noted here and return the corrected copy to the Montana Water Resources Board in Helena.

- Please indicate dates of commencement and completion of spring developments.
- Also provide information regarding use of the water (domestic, stock, irrigation, etc.)
- Other.

**X** County recording information is missing. Please forward this information to the Montana Water Resources Board in Helena.

Douglas E. Smith

(under Chapter 237, Montana Session Laws, 1961)

Roy and Gladys Bakes
(Name of Appropriator)
State of Montana
(Town)
County of Dawson

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. Stock and house well
2. The beneficial use on which the claim is based... stock and house well
3. Date or approximate date of earliest beneficial use; and how continuous the use has been...

4. The amount of groundwater claimed (in miner's inches or gallons per minute).

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof...

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal...

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater...

8. The depth of water table...

9. So far as may be available, the type, size and depth of each well or the general specifications of any other well or works for the withdrawal of groundwater...

10. The estimated amount of groundwater withdrawn each year...

11. The log of formations encountered in the drilling of each well if available...

12. Such other information of a similar nature as may be useful in carrying out the policy of this act...

Notice of Completion of Groundwater Appropriation
Without Well
(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: #1-1958; #2-1958; #3-1961

Owner: Roy and Gladys Baker
Address: Rte. 69, Glendive, Montana
Contractor (if any)

Address of Contractor

Date Started
Date Completed

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable: 1-curved sp. ring and piped to tank
2-curved spring and piped to creek
3-has been curved with well and piped out of hill

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent estimate approximate lengths of periods of use: 1-measured at
one gallon per minute; 2-measured two gallons per minute; 3-estimated one and one half gallons per minute

Signature of Owner

Notice of Completion of Groundwater Appropriation Without Well
(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: 1-1-1958; 1-2-1958
Owner: Roy and Gladys Rees, Address: Rte. 6, Glendive, Mont.
Contractor (if any): None
Address of Contractor: 
Date Started: Date Completed:

Describe means of obtaining groundwater without a well “as by sub-irrigation and other natural processes”. Include depth to water when applicable. If spring comes up in sandrock and runs down creek, 

- Five-foot bottomless tank set in spring

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent

- Estimated that
- It runs a gallon and one half per minute
- Estimated that it runs two gallons per minute
- Estimations based on using a gallon can to measure

Signature of Owner: Gladys Rees
Date: 1-21-63

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

(Under Chapter 237, Montana Session Laws, 1961)

1. Rose Parker
   (Name of Appropriator)
   of
   (Address)
   (Town)

County of Wibaux
   (County)
State of Montana
   (State)

I have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based
   water for household use and livestock

3. Date or approximate date of earliest beneficial use and how continuously the use has been in use since that date

4. The amount of groundwater pumped (in minor's inches or gallons per minute): 10 gallons per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof. This isn't used for irrigation.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal
   Pump Location W 26 T 15 R 58

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater
   1912

8. The depth of water table
   approx. 10 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater
   50ft. deep - 6in. casing

10. The estimated amount of groundwater withdrawn each year
    300,000 gals

11. The log of formations encountered in the drilling of each well if available
    unknown

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record
    none

Signature of Owner: [Signature]
Date: December 27th, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

STATE OF MONTANA
County of Dawson

Notice of Completion of Groundwater Appropriation
Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: 1942
Owner: Ross Parker
Address: Ribbons, Montana
Contractor (if any)
Address of Contractor
Date Started: Unknown
Date Completed: Unknown

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable: Flowing spring; depth 5 ft.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent, estimate approximate lengths of periods of use. This provides water for cattle on pasture from June 1st, till November or December depending on the season, there is an average of 30 head of cattle in pasture for this period.

Signature of Owner: Ross Parker
Date: December 1943

N, W 1/4  Sec. 29  T. 15  R. 56

Indicate point of appropriation and place of use, if possible.

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and quadruplicate for the Appropriator.
Notice of Appropriation of Groundwater: With a Well

(Under Chapter 237, Montana Session Laws, 1942, for Groundwater Appropriation)

Date of Appropriation of Groundwater: 1942, APPROX

Owner: Rose Parker
Address: Hoback, Montana
Contractor (if any): 
Address of Contractor: 
Date Started: Unknown
Date Completed: Unknown

Describe means of obtaining groundwater without a well, "as by sub-irrigation and other natural processes." Include depth to water when applicable: Flowing spring; depth 15 ft.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent, estimate approximate lengths of periods of use. This provides water for cattle on pasture from June 1st, till November or December, depending on the season.

There is an average of 35 head of cattle in pasture for this period.

Signature of Owner: R. E. Parker
Date: December 1962

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and quadruplicate for the Appropriator.

</tr>
</tbody>
</table>

1. **(Name of Appropriator)**
2. **(Address)**
3. **(Town)**

- **County**: Davison
- **State**: Montana

### Specifications

1. **The beneficial use on which the claim is based:** Livestock

2. **Date or approximate date of earliest beneficial use:** 1948

3. **Amount of groundwater claimed (in miner's inches or gallons per minute):**
   - 10 gal/min

4. **Means of withdrawing such water from the ground and the location of each well or other means of withdrawal:**
   - Well 1: Pump with 20 ft. of pipe and 4 HP motor
   - Well 2: Pump with 20 ft. of pipe and 4 HP motor

5. **The depth of water table:**
   - 20 ft. to 200 ft.

6. **The estimated amount of groundwater withdrawn each year:**
   - 320,000 gal.

7. **The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:**
   - 1950

8. **The log of formations encountered in the drilling of each well if available:**
   - Unknown

9. **Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:**

10. **Signature of Appropriator:** Eugene E. Thistle
    
    **Date:** 12/27/1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located. Please answer all questions; if not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology; and Quadruplicate for the Appropriator.
