Declaration of Vested Groundwater Rights
(Under Chapter 137, Montana Session Laws, 1961)

1. John J. Dukart, of Wibaux, MT
   (Name of Appropmtor) (Address) (Town)
   County of Wibaux, State of Montana
   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based
   Stock use.

3. Date or approximate date of earliest beneficial use and how continuous the use has been
   Unknown.
   Used when needed.

4. The amount of groundwater claimed (in minor's inches or gallons per minute)
   10-15 gallons per minute.

5. If used for irrigation, give the average and description of the lands to which water has been applied and name of the owner thereof
   Not used.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal
   Gasoline motor and pump.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater
   Unknown.

8. The depth of water table
   Unknown.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater
   50' x 120'

10. The estimated amount of groundwater withdrawn each year
    Unknown.

11. The log of formations encountered in the drilling of each well if available
    Not available.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record
    Not available.

Signature of Owner
John J. Dukart
Date 12-30-63

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.
Please answer all questions. If not applicable, so state; otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Board of Mines and Geographic Survey.

Notice of Completion of Groundwater Appropriation
Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: ________________

Owner: John J. Dukart
Address: Wibaux, Montana

Contractor (if any): None
Address of Contractor: ________________

Date Started: ______ Date Completed: ______

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable. **Boxed spring in, depth unknown.**

Indicate point of appropriation and place of use, if possible.

SE 1/4, Sec. 23, T. 16, R. 38

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent, estimate approximate lengths of periods of use.

Unknown, use intermittently during summer months.

Signature of Owner: ________________
Date: 12-27-63

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and quadruplicate for the Appropriator.

WATER AGREEMENT AND EASEMENT

This Agreement by and between WILLIS MILLIRON and JUDY MILLIRON, his wife, and OLIVE A. MILLIRON, hereinafter referred to as "MILLIRON"; and JOHN J. DUKART and ELIZABETH E. DUKART, husband and wife, hereinafter called "DUKART"; and,

WHEREAS, the MILLIRONS are the owners of the Northeast Quarter of the Southeast Quarter (NE\(^{1}SE^{1}\)) of Section Twenty-two (22), Township Sixteen (16) North, Range Fifty-eight (58) East of the M.P.M. in Dawson County, Montana, and,

WHEREAS, the DUKARTS are the owners of the Northwest Quarter of the Southwest Quarter (NW\(^{1}SW^{1}\)) of Section Twenty-three (23), Township Sixteen (16) North, Range Fifty-eight (58) East, and,

WHEREAS, the MILLIRONS and DUKARTS have constructed a water well together with its accessories on the joint boundary between the above described tracts of land and,

WHEREAS, the MILLIRONS and DUKARTS each have contributed 50% of the costs of said well and accessories,

NOW, THEREFORE, for good and valuable consideration and based on the covenants herein provided the MILLIRONS and DUKARTS agree with each other as follows:

I.

Each shall have an undivided one-half interest in said well, casing, pump, and etc. and the right to take one-half of the water from said well and to convey water from said well to their respective above described tracts of land and each grants to the other, their heirs and assigns an easement on, in, over and across a strip of land ten (10) feet in width beginning at said well and extending directly to the other party's above described land.

II.

THE MILLIRONS and DUKARTS shall each bear one-half of all expenses connected with the operation of said pump and well and keeping the well and pump in repair and one-half of all of the expenses connected with the maintenance of said well and all things accessory thereto.

To have and to hold said rights and easements, to take water and conduct and convey the same on, over, through and across the respective land of the other grantor subject however to the above conditions unto the respective parties, their heirs and assigns forever.

IN WITNESS WHEREOF, the parties have hereunto set their hands the day and year first above written.

WILLIS MILLIRON

JUDY MILLIRON

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Alice J. Leclant, of Bob Blendure
   (Name of Appropriator) (Address) (Town)

   County of Dawson, State of Montana
   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based:  Well
   3. Date or approximate date of earliest beneficial use; and how continuous the use has been: 1943 to present date
   4. The amount of groundwater claimed (in miner's inches or gallons per minute): 5 gallons per minute
   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof
   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal

   Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: 1943 and 1948 electric motor
   8. The depth of water table: 120 ft. to water 20 ft. water depth
   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:

   Depth of well 150 ft.

   10. The estimated amount of groundwater withdrawn each year: 360.00 gallons
   11. The log of formations encountered in the drilling of each well if available:

   
   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

   Signature of Owner: Alice J. Leclant
   Date: DEC 31 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology; and Quadruplicate for the Appropriator.

County of Dawson

State of Montana

(Town)

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as fol-

2. The beneficial use on which the claim is based

Stock wells and home use.

3. Date or approximate date of earliest beneficial use and how con-

Sec. 1, about 1935; sec. 2, 1961, continued sec. 11, 1956, intermittent; sec. 24, 1945, continuous.

4. The amount of groundwater claimed (in miner's inches or gallons

per minute) — sec. 1, 10 gal; sec. 2, 15 gal; sec. 11, 15 gal; sec. 14, 15 gal.

5. If used for irrigation, give the acreage and description of the

lands to which water has been applied and name of the owner

thereof.

6. The means of withdrawing such water from the ground and the

location of each well or other means of withdrawal

windmills and pump jacks on all wells.

7. The date of commencement and completion of the construction of the well, wells, or other works for with-

drawal of groundwater

Sec. 1, not known; sec. 2, June 20, 1961; sec. 11, August 1, 1956—August 12, 1956; sec. 14, July 10-20, 1945.

8. The depth of water table

All wells about 130 ft. to water.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any

other works for the withdrawal of groundwater

Sec. 1, 4" casing 152 ft; sec. 2, 4" casing 154 ft; sec. 11, 4" casing 130 ft; sec. 14, 4" casing 114 ft.

10. The estimated amount of groundwater withdrawn each year

480,500 gals. from all wells.

11. The log of formations encountered in the drilling of each well if available

Gray, coal, shale, and gray sandstone.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including

reference to book and page of any county record

Don't know of any.

STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Dick M. Liles, of Box 139 Terry
(Name of Appropriator) (Address) (Town)
County of Dawson State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based:

3. Date or approximate date of earliest beneficial use; and how continuous the use has been:

4. The amount of groundwater claimed (in miner's inches or gallons per minute):

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:

8. The depth of water table:

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:

10. The estimated amount of groundwater withdrawn each year:

11. The log of formations encountered in the drilling of each well if available:

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

Signature of Owner: Dick M. Liles
Date: Dec. 23, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

Notice of Completion of Groundwater Appropriation Without Well
(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater...Dec. 23, 1963
Owner...B. C. Soto
Address...Ferry, Mont.
Contractor (if any)... 
Address of Contractor... 
Date Started...Date Completed...

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes." Include depth to water when applicable. These springs are free flowing without any digging.

Quantity of water developed and used with explanation of method used to measure or estimate such quantity. If use is intermittent estimate approximate lengths of periods of use.

Springs indicated by dots on map:
E 2 W 1/2
2 SW 1/2
E 2 SW 1/2
S 1/2 SW 6, 15, 51
S 2 W 1/2
S 1/2 SW 1/2

All springs used all year

Signature of Owner...B. C. Soto
Date...Dec. 23, 1963

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and quadruplicate for the Appropriate.

Notice of Completion of Groundwater Appropriation Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: 1910
Owner: 52 Ranch, Inc.
Address: Butte, Montana

Contractor (if any): None
Address of Contractor:

Date Started: Natural
Date Completed:

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable. Natural spring

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent estimate approximate lengths of periods of use.

Water the year round for stock:
15 gallons per minute

Signature of Owner: John Doe
Date: December 6, 1963

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and quadruplicate for the Appropriator.
