STATE OF MONTANA
County of Dawson

Filed for record this 13th day of

Agno 1977

3:00 o'clock P.M.

Thaddeus \W. Mason
County Clerk and Recorder

By Alice Quastley Deputy
Notice of Completion of Groundwater Appropriation
Without Well

(Under Chapter 367, Montana Session Laws, 1961)

Date of Appropriation of Groundwater: [Date]

Owner: [Name]  Address: [Address]

Contractor (if any): [Name]  Address of Contractor: [Address]

Date Started: [Date]  Date Completed: [Date]

Describe means of obtaining groundwater without a well; "as by sub-irrigation and other natural processes". Include depth to water when applicable. Natural spring flows:

[Diagram]

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent, estimate approximate lengths of periods of use.

[Diagram]

Indicate point of appropriation and place of use, if possible.

Signature of Owner: [Name]  Date: [Date]

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and quadruplicate for the Appropriator.
Notice of Completion of Groundwater Appropriation
Without Well
(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: May 1963

Owner: Andrew Richard
Address: Butte-Montana

Contractor (if any): None

Address of Contractor: None

Date Started: May 1963
Date Completed: Aug 30, 1963

Describe means of obtaining groundwater without a well; use by sub-irrigation and other natural processes. Include depth to water when applicable. In the perforated pipe well, one end led into a sump.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent, estimate approximate lengths of periods of use.

Signature of Owner: Andrew Richard
Date: 10/19/63

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and quadruplicate for the Appropriator.
# Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

1. Robert and William Sylversen of Intake, Montana (Name of Appropriator) (Address) (Town) State of Montana (County of Dawson)
   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

<table>
<thead>
<tr>
<th>W</th>
<th>E</th>
</tr>
</thead>
<tbody>
<tr>
<td>1</td>
<td>48</td>
</tr>
<tr>
<td>9</td>
<td>10</td>
</tr>
</tbody>
</table>

- **Well A**: Stock water
- **Well B**: Domestic use, stock water, and irrigation.

2. The beneficial use on which the claim is based: **Well A**: Stock water, **Well B**: Domestic use, stock water, and irrigation.

3. Date or approximate date of earliest beneficial use: **Well A**: 1955; **Well B**: about 1965 (first well at this site drilled about 1940).

4. The amount of groundwater claimed (in miner's inches or gallons per minute): **Well A**: 25 gallons per minute; **Well B**: 25 gallons per minute.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: "Well A" is used for irrigating garden and lawn and trees at building site.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: **Well A**: Pump and cylinder with windmill, **Well B**: Jet pump and electric motor.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: Both wells drilled by the same driller, one after the other in about 1962.

8. The depth of water table: **Well A**: 90 feet deep; **Well B**: 110 feet deep.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: **Well A**: Four inch casing with 1 1/2" pipe and 24 inch cylinder. **Well B**: Drilled well, four inch casing, with 1 1/2" pipe and 24 inch cylinder.

10. The estimated amount of groundwater withdrawn each year: **Well A**: ; **Well B**: .

11. The log of formations encountered in the drilling of each well if available: 

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

[Signature of Owner]

Date: Nov 17, 1962

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and quadruplicate for the Appropriator.
Notice of Completion of Groundwater Appropriation by Means of Well

**Developed After January 1, 1962**

(Under Chapter 237, Montana Session Laws, 1961)

**Driller:** Joe Johnson

**Owner:** South Cattle Co.

**Address:** Terry, Mont.

**Date Started:** 7/28/62

**Date Completed:** 8/1/62

**Type of Well:** Drilled

**Equipment Used:** Cable Tool

- **Water Use:** Domestic
- **Type of Drilling:** Dug, driven, bored, or cased

Indicate on the diagram the character and thickness of the different strata as encountered in drilling, such as soil, clay, shale, gravel, rock, or sand, etc. Show depth at which water is encountered, thickness and character of water-bearing strata and height to which the water rises in the well.

Gordon J. Russell
County Clerk and Recorder
Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

John W. Tweedt
of Intake
(intake)

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based:
   1 - 2 - 8 - 4 - 5 Stock

3. Date or approximate date of earliest beneficial use; and how continuous the use has been:
   1 - 1943
   2 - 1943
   4 - 1933
   5 - 1960

4. The amount of groundwater claimed (in miner's inches or gallons per minute):
   1 - 5 gal
   2 - 5 gal
   4 - 5 gal
   5 - 5 gal

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
   Pump Jack Electric Motor

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:

8. The depth of water table:
   9 - 155 ft
   1 - 7 ft
   2 - 52 ft
   4 - 60 ft

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:

10. The estimated amount of groundwater withdrawn each year:
   2,000,000 gal.

11. The log of formations encountered in the drilling of each well if available:

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

Signature of Owner: John W. Tweedt

# Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

## 1. Francis Joyce
   (Name of Appropriator)

- **County of:** Dawson
- **State of:** Montana

## 2. The beneficial use on which the claim is based

- Stock water and household use

## 3. Date or approximate date of earliest beneficial use; and how continuous the use has been

- Wells in sec. 20, T. 19 N., R. 56 W., 1925

## 4. The amount of groundwater claimed (in miner's inches or gallons per minute)

- Sec. 31 seven gal. per min.

## 5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

- Irrigate garden & lawn

## 6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal

- Windmill on one and electric pumps on other

## 7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater

## 8. The depth of water table

- 1-12 ft.
- 2-10 ft.
- 3-14 ft.
- 4-16 ft.

## 9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater

- 2-20 ft., deep = 3 ft., cim. curb
- 3-20 ft., deep = 3 ft., curb
- 3-60 ft., deep = 18 in. hole, wood curb
- 4-55 ft., deep = 4 in. casing

## 10. The estimated amount of groundwater withdrawn each year

- #1 280,000 gal.
- #2 160,000 gal.
- #3 360,000 gal.

## 11. The log of formations encountered in the drilling of each well if available

- unknown

## 12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

- none

### Signature of Owner

STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Notice of Completion of Groundwater Appropriation Without Well
(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: 1918
Owner: Floyd C. Allred
Address: Southport

Contractor (if any) ____________________________
Address of Contractor __________________________
Date Started __________________________ Date Completed __________________________

Describe means of obtaining groundwater without a well—"as by sub-irrigation and other natural processes". Include depth to water when applicable.

Flow From Natural Spring

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent, estimate approximate lengths of periods of use.

100 gals per minute — Constant Use

Indicate point of appropriation and place of use, if possible.

Signature of Owner: Floyd C. Allred
Date: Dec. 30, 1963

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and quadruplicate for the Appropriator.
STATE OF MONTANA
County of Dawson

Filed for record this 12th day of December, A.D. 1902,

By

County Clerk and Recorder.

Deputy.
NOTICE OF COMPLETITION OF GROUNDWATER APPROPRIATION WITHOUT WELL
Developed After January 1, 1962
(Use Chapter 137, Montana Session Laws, 1951, as amended)

This form to be prepared by contractor (if any), otherwise by the owner.
Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, state so. Otherwise the form may be returned.

For Administrator's Use

File  319875

Owner: Mildred K. Allard
Address: Savage, Montana

Contractor (if any) ________________________________
Address of Contractor ________________________________
Date Started __________________ Date Completed ______________

1. Describe means of obtaining groundwater (as by sub-irrigation, developed spring, drains, etc.)

Springs

2. Means of withdrawing water (gravity, pump, canal, etc.)

Flow from natural springs

3. Depth of water table

Not applicable

4. Use of the water

Stock water

5. Amount of groundwater claimed (in miner's inches or gallons per minute) 100 gal. per minute

This pertains to all 3 springs

6. If used for irrigation, give number of acres and description of land used for irrigation

Not used for irrigation

7. Estimate amount of water used each year

525,60000 gallons (or 3 fl. min)

8. Months of year spring flows

Twelve

OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

We, Robert and William [Surname],
of Intake, Montana
(Address)
(Town)
County of Dawson
State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: Well A: Stock water, domestic use, and minor irrigation; Well B: Stock water.

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: Well A: about 1915; Well B: 1945.

4. The amount of groundwater claimed (in miner's inches or gallons per minute): Well A: 15 gallons per minute; Well B: 25 gallons per minute.

5. If used for irrigation, give the acres and description of the lands to which water has been applied and name of the owner thereof: Well A is used for household irrigation, garden and lawn and trees.

6. The means of withdrawing such water from the ground and the general specifications of any other works for withdrawal of groundwater: Well A: electric motor on pump jack, 25' cylinder and 12' pipe; Well B: 21 inch casing 50 feet deep.

7. The date of commencement and completion of the construction of the well or other works for withdrawal of groundwater: Well A: about 1915; Well B: in 1945.

8. The depth of water table: Well A: 65 feet deep; Well B: approximately 85.5 feet deep.

9. So far as it may be available, the type, size, and depth of each well or the general specifications of any other works for the withdrawal of groundwater: Well A: 21 inch casing 50 feet deep; Well B: 21 inch casing 50 feet deep.

10. The estimated amount of groundwater withdrawn each year: Well A: ; Well B: .

11. The log of formations encountered in the drilling of each well if available.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

Signature of Owner: [Signature]
Date: 7/15/1965

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology, and quadruplicate for the Appropriate.

OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

Hatfield & Raudsep Inc.
By Leida E. Hatfield, President

County of Dawson
State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. Sec. 1
2. Sec. 8
3. Sec. 18

2. The beneficial use on which the claim is based: Stock watering.

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: Approximately 1910.

4. The amount of groundwater claimed (in miner's inches or gallons per minute): Approximately 150 gallons per minute this being a total of the 7 separate springs indicated on the plat.

5. If used for irrigation, give the acreage and description of the land to which water has been applied and name of the owner thereof: Not used for irrigation.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Natural flowing springs 2 of which are piped into wooden tanks (WWM Sec 6 & SMM Sec 18).

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: 1910 on all excepting the 2 springs to which pipes and tanks were added, which work was done in 1960 or '61 (see two springs indicated in Question 6 above).

8. The depth of water table: Not applicable to springs.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: No wells involved in this declaration.

10. The estimated amount of groundwater withdrawn each year: 150 gallons per minute, see question 4 above.

11. The log of formations encountered in the drilling of each well if available: Not applicable to springs.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: No other information available.

By Leida S. Hatfield, President of Savage, Montana

County of Dawson State of Montana

In accordance with the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based

Stock watering

3. Date or approximate date of earliest beneficial use; and how continuous the use has been

Approximately 1910

4. The amount of groundwater claimed (in miner's inches or gallons per minute) 210 gallons per minute, this being the estimate total of the 7 separate springs indicated on the plat.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: Not used for irrigation

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal

Leased Lands in Sec. 16, operated through perforated pipes (Spring on State)

Approximately 1910. (Development work on the spring on State Leased Lands completed on about the year 1950 or '51.)

7. The depth of water table

Not applicable to springs

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater

No other information involved in this declaration

10. The estimated amount of groundwater withdrawn each year, see question 4 above.

210 gallons per minute, see question 4 above.

11. The log of formations encountered in the drilling of each well if available

Not applicable to springs

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

No other information available

STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Registration of Vested Groundwater Rights
(Chapter 237, Montana Session Laws, 1961)

JOSEPHINE CLEMENTS,
of 668 Fig Avenue, Chula Vista,
County of San Diego, State of California
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. 

2. The beneficial use on which the claim is based.

3. Date of application and written commitment, and how continuously the use has been made, and for what purposes.

4. The amount of groundwater consumed (in acre-feet or gallons per minute) 5 gallons per minute.

5. If used for irrigation, give the name and description of the lands to which water has been applied and the area of the crops thereof.

6. The means of withdrawing water from the ground and the location of each well and other means of withdrawal, e.g., pump.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater.

8. The depth of water table.

9. So far as it may be available, the type, size, and depth of each well or the general specifications of any other works for withdrawal of groundwater.

10. The estimated amount of groundwater withdrawn each year.

11. The log of formations encountered in the drilling of each well if available.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

JOSEPHINE CLEMENTS
Transfer Agent and Lessee
Date December 30, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.
