Static Water Level for non-flowing Well: feet:

Shut-in Pressure for flowing Well:
Pumping Water Level: feet at gal per minute.

Discharge in gal per min. of flowing well:

How Tested: Beiler Length of Test:

Remarks: Gravel packing, cementing, packers, type of shutoff, location of place of use of groundwater if not at well, and any other similar pertinent information, including number of acres irrigated, if used for irrigation:

Driller’s License Number: 
Driller’s Signature:

This form to be prepared by driller, and three copies to be filed by the owner with the County Clerk and Recorder in the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology and Quadruplicate for the Appropriator.
Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

(Name of Appropriator) (Address) (Town)
County of State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: House and livestock use

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: Since 1944

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 1 gal

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: 1944 - 1944

8. The depth of water table: 100 ft

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: Drilled 170 ft. 5½ in. hole

10. The estimated amount of groundwater withdrawn each year: 200,000 gal

11. The log of formations encountered in the drilling of each well if available: Unknown

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: None

Signature of Owner: Alfred Lemon
Date: 12-30-64

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology; and Quadruplicate for the Appropriate.

Notice of Completion of Groundwater Appropriation
Without Well
(Under Chapter 237, Montana Session Laws, 1961)

Date of Appropriation of Groundwater: 1908
Owner: Harry Sawtrey, Bloomville
Contractor (if any): not app
Address of Contractor: not app
Date Started: not app
Date Completed: not app

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable.

4'4" in sand approx. 3 feet in soil and underground piping laid to obtain lower stock water by means of pumps located in ditches and in ditches.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent estimate approximate lengths of periods of use.

Quantity: 4 to 5 gal per day by actual measurement made in 1945.

Indicate point of appropriation and place of use, if possible.

Signature of Owner: Harry Sawtrey
Date: 12-27-63

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based:
   Well No. 1 - stock and irrigation

3. Date or approximate date of earliest beneficial use; and how continuous the use has been:
   Well No. 1 - continuous since 1910
   Well No. 2 - continuous since 1953

4. The amount of groundwater applied (in miner's inches or gallons per minute):
   Well No. 1 - 5 gallons per minute
   Well No. 2 - 10 gallons per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:
   Well No. 1, water used for garden and lawn - patented 0

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
   Well No. 1 - electric pump
   Well No. 2 - electric pump

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:
   Well No. 1 - June 1910
   Well No. 2 - July 1953

8. The depth of water table:
   Well No. 1 - 60 ft
   Well No. 2 - 100 ft

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:
   Well No. 1 - 2 1/2 inch intake
   Well No. 2 - 4 inch intake

10. The estimated amount of groundwater withdrawn each year:
    Well No. 1 - 80,000 per year
    Well No. 2 - 2,000,000 per year

11. The log of formations encountered in the drilling of each well if available:
    Well No. 1
    Well No. 2

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

Signature of Owner: A. A. Gody
Date: 11-29-63

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.
Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

NAME: Anthony J. Nubuh, of Bloomfield
(Address) (Town)
County of Dawson, State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based:
   (1) Domestic (2) Stock

3. Date or approximate date of earliest beneficial use; and how continuous the use has been:
   (1) 1944 (2) 1958

4. The amount of groundwater claimed (in miner's inches or gallons per minute):
   (1) 5.0415 PER MINUTE (2) 15.94 PER MINUTE

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:
   (1) lawn and garden only
   (2) none

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
   (1) pump and windmill
   (2) pump and windmill

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:
   (1) 1944 (2) 1958

8. The depth of water table:
   (1) 82 ft (2) 132 ft

9. So far as it may be available, the type, size, and depth of each well or the general specifications of any other works for the withdrawal of groundwater:
   (1) drilled 6 inch casing
   (2) drilled 5 inch casing

10. The estimated amount of groundwater withdrawn each year:
    (1) 256,000 gallons (2) 500,000 gallons

11. The log of formations encountered in the drilling of each well if available:
    None Available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:
    None Available

Signature of Owner: Anthony J. Nubuh
Date: 12-26-63

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

STATE OF MONTANA

ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Jacob J. Albrecht, of Bloomfield, Dawson County, Montana, have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based. Water for household use and stock water.

3. Date or approximate date of earliest beneficial use; and how continuous the use has been. March 1960.

4. The amount of groundwater claimed (in miner's inches or gallons per minute). 3½ gal.

5. If used for irrigation, give the acreage and description of the land to which water has been applied and name of the owner thereof. None.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal. Pump and electric motor.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater. 8-2-760 to 8-15-60.

8. The depth of water table. 140 ft.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater. Drilled 6" 220 ft., 20 ft., 4". Total 220 ft.

10. The estimated amount of groundwater withdrawn each year. 150,000 gal.

11. The log of formations encountered in the drilling of each well if available. None.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record. Put gravel in bottom of well and cemented 6" pipe.

Signature of Owner: [Signature]
Date: 12-19-63

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Notice of Completion of Groundwater Appropriation by Means of Well

(Under Chapter 237, Montana Session Laws, 1965)

Owner: Frank Klemme
Address: Bloomfield, Mont.

Driller: Bulbrea Drilling Co.
Address: Sidney, Mont.

Date of Notice of appropriation of ground water:

Date well started: 9 Sept. 1966
Date completed: 23 Sept. 1966

Grilled

Type of well: Drilled

Equipment used during drilling:
- Churn
- Drill
- Rotary
- Drilled

Water use:
- Domestic
- Municipal
- Stock
- Irrigation
- Industrial
- Drainage
- Other

Indicate on the diagram the character and thickness of the different strata encountered in drilling, such as soil, clay, shale, gravel, rock or sand. Show depth at which water is encountered, thickness and character of wells forming strata and height to which the water rises in the well.
