December 31, 1963
as 37 minutes past 8:00 o'clock
P.M.

ANDREW QUIGLEY
County Recorder

Served by Fleet

Deputy
STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. [Name of Appropiator] of [Address] (Town)
   County of [County] State of Montana
   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based

   3. Date or approximate date of earliest beneficial use; and how continuous the use has been

   4. The amount of groundwater claimed (in miner's inches or gallons per minute)

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater

   8. The depth of water table

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater

   10. The estimated amount of groundwater withdrawn each year

   11. The log of formations encountered in the drilling of each well if available

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

   Signature of Owner

   Date

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropiator.

ANNA QUICKLY
County Recorder

Carol McCarthy
Deputy
STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

   (Name of Appropriator)  (Address)  (Town)

County of Deer Lodge  State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: Domestic-household

3. Date or approximate date of earliest beneficial use, and how continuous the use has been: August 1941, Steadily, mostly summer

4. The amount of groundwater claimed (in min. inches or gallons per minute): Unknown

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: None

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Electric pump, one well

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: August 1941

8. The depth of water table: 5'

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: One well-20'

10. The estimated amount of groundwater withdrawn each year: Unknown

11. The log of formations encountered in the drilling of each well if available: Unknown

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: Unknown

Signature: Joseph F. Lescomps
Date: Dec 31, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. GLEN W. VETTER
   (Name of Appropriator)  
   (Address)  
   County of Deer Lodge, State of Montana
   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based: Domestic, Irrigation.

   3. Date or approximate date of earliest beneficial use, and how continuous the use has been: September 13, 1946. Sept 15th, 1946.

   4. The amount of groundwater claimed (in miner's inches or gallons per minute): Ten (10) gallons per minute.

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: 387 acres. More or less. Lawns, Gardens, Pasture. Owner: GLEN W. VETTER.

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Electric pump from one well located 1/2 mile from house. Twenty one feet six inches S of N corner and eleven feet E.

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: Not applicable. Well was complete when property was purchased.

   8. The depth of water table: Three (3') feet to six (6') feet, more or less.

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: Drive well. (2') inches. Twenty six feet (26') deep.

   10. The estimated amount of groundwater withdrawn each year: 82,200 gallons. More or less.

   11. The log of formations encountered in the drilling of each well if available: Not applicable.

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: Deed. Book Seventy-Four. Page 355. Records of Deer Lodge Co.

   Signature of Owner: GLEN W. VETTER
   Date: Dec. 31, 1963.

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Notice of Completion of Groundwater Appropriation Without Well
(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater 4-11-64
Owner MARY H. WALSH Address Cable Road
Contractor (if any)
Address of Contractor
Date Started 4-11-64 Date Completed 5-19-64
Describe means of obtaining groundwater without a well "as by
irrigation and other natural processes". Include depth to
water when applicable. Constructed concrete retaining
wall 14' x 6' x 4' and 3' in depth in front of spring
spreading seepage and put a 1½" valve in front wall,
then laid approximately 500 ft. of 1½" pipe to
a concrete reservoir or cistern 10' x 10' and 8 ft.
depth.
Quantity of water developed and used with explanation of method
used to measure or estimate such amount. If use is intermit-
tent estimate approximate lengths of periods of use. 9 months of use
Flow of spring estimated at 6 gal. per minute.
Estimated by gal. containers and stop-watch.

Signature of Owner MARY H. WALSH
Date 11-5-64

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in
which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: Home use

Date or approximate date of earliest beneficial use: August 25, 1959

Continuous except for a thirty-month period in Dec. 1951, Jan. & Feb. 1952

3. The amount of groundwater claimed (in miner’s inches or gallons per minute): 3 to 12 gals. per min.

4. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

5. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal. 3. P.I. Denning Electric Deep Well Pump. Well is approx. 100’ west of dwelling.

6. The depth of water table: 3 to 10 ft.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:

Commencement date: Aug. 6, 1959

Completion date: Aug. 10, 1959

8. The estimated amount of groundwater withdrawn each year: 30,000 gals. a year (Approx.)

9. The log of formations encountered in the drilling of each well if available:

Pit 7’ to 28’ clay, 28’ to 43’ Hardpan clay, 43’ to 61’ gravel & sand, 61’ to 67’ seams of clay & gravel, 67’ to 86’ gravel and sand, 86’ to 101’ plastic pipe,

10. The log of formations encountered in the drilling of each well if available:

Pit 7’ to 43’ gravel & sand, 43’ to 67’ seams of clay & gravel, 67’ to 86’ gravel and sand

11. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

Well located on approx. 1.27 acres.

66 Degrees, 52 Min. E, 246.5 ft, 6.67 Deg., 56 Min. W. 300 R.

6.1 Acre, 13’ to 45’ N. 47 Deg., 48 Min. W. 200 R.

Date: ________________

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the School of Mines and quadruplicate for the Appropriator.
