(Under Chapter 237, Montana Session Laws, 1961)

STATE ENGINEER

1. Frances Logar, of Baker, Montana  
(Name of Appropriator) (Address) (Town)  
County of Fallon State of Montana  
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

NE 1/4 NW Sec. 14, T. 2 R. 61

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

2. The beneficial use on which the claim is based  
Residence Well
3. Date or approximate date of earliest beneficial use; and how continuous the use has been April 1960 steady
4. The amount of groundwater claimed (in miner's inches or gallons per minute) 3 GPM
5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof
6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal  
Jet pump
7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater  
April 20 to April 29, 1960
8. The depth of water table 283'
9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater  
Rotary Drilled 4" Casing
10. The estimated amount of groundwater withdrawn each year 10,000 g.
11. The log of formations encountered in the drilling of each well if available
12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

Signature of Owner Frances Logar

Date November 27, 1963

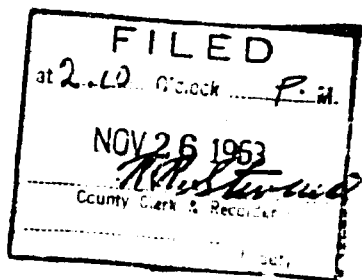

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

## Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

STATE ENGINEER

I, JAKE SWFMA, of \_\_\_\_\_, BAKER  
(Name of Appropriator) (Address) (Town)

County of Fallon State of Montana  
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

NE 1/4 SW 1/4 Sec. 6 T. 2N R. 62E

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

2. The beneficial use on which the claim is based  
Stock watering
3. Date or approximate date of earliest beneficial use; and how continuous the use has been 1958 and in continuous use since
4. The amount of groundwater claimed (in miner's inches or gallons per minute) 10 gallons per minute
5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof  
not for irrigation
6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal Cylinder pump and windmill
7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater Well was drilled in summer of 1958 and placed in production within a few days and been producing since then.
8. The depth of water table 60 feet from surface
9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater Drilled well to depth of 160 feet, cased with steel casing, 6 inch in diameter to bottom. Equipped with a cylinder pump with windmill for power.
10. The estimated amount of groundwater withdrawn each year 400,000 gallons per year.
11. The log of formations encountered in the drilling of each well if available none available
12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

Signature of Owner Jake Swfma

Date December 26, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.
