STATE ENGINEER

I, Clarence Wenz of Plevna,  
(Name of Appropriator) (Address) (Town)  
County of Fallon State of Montana  
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

SE 1/4 SE Sec. 15, T. 25 N. R. 57 E

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

- 2. The beneficial use on which the claim is based. livestock water
- 3. Date or approximate date of earliest beneficial use; and how continuous the use has been. May, 1961
- 4. The amount of groundwater claimed (in miner's inches or gallons per minute). 8 gallon per minute
- 5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof
- 6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal. cylinder pump
- 7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater. Commenced and completed in May, 1961
- 8. The depth of water table. 55 feet
- 9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater. depth 425 feet, 4" casing, tubing 1 1/2"
- 10. The estimated amount of groundwater withdrawn each year. 80,000 gallon
- 11. The log of formations encountered in the drilling of each well if available. unknown
- 12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

Signature of Owner Clarence Wenz  
Date Feb. 25, 1962

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights STATE ENGINEER

(Under Chapter 237, Montana Session Laws, 1961)

I, Pauline Ehret of Box 346 Baker  
(Name of Appropriator) (Address) (Town)  
County of Fallon State of Montana  
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

SW 1/4 Sec. 6 T. 9 N. R. 58 E

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

- The beneficial use on which the claim is based stock
- Date or approximate date of earliest beneficial use; and how continuous the use has been 1961 every year
- The amount of groundwater claimed (in miner's inches or gallons per minute) 7 gpm
- If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof  
It is not used for irrigation
- The means of withdrawing such water from the ground and the location of each well or other means of withdrawal  
Hand pump 3/4" 1/2" Motor
- The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater 1961
- The depth of water table 60 Feet
- So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater  
Hand-casing 2 1/2 inch cylinder  
340 ft
- The estimated amount of groundwater withdrawn each year 200,000 gal
- The log of formations encountered in the drilling of each well if available Not available
- Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record  
Not available

Signature of Owner Pauline Ehret  
Date Dec 26, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

Date of Appropriation of Groundwater December 16, 1963

Owner Erin H. Keirle Address Baker, Montana

Contractor (if any) L. W. HOWE & SONS

Address of Contractor BAKER, MONTANA

Date Started July 10, 1963 Date Completed August 30, 1963

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable. Flowing spring developed by James Perry over twenty years ago, by digging in the bank and sitting a 50 gal drum to collect water. Tests showed that it was flowing a measured flow of less than 1 gal. per min. Was developed by L.W. Howe and son by digging with backhoe and putting in 20 ft. of perforated 4 inch plastic and packed in washed gravel and wired into a stock water tank. Tests taken with watch and gal. pail show over two gals per minute..

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermit-

STATE ENGINEER

**Notice of Completion of Groundwater Appropriation Without Well**

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater 1940's  
Owner Gene Fischer Address Beckev, Montana  
Contractor (if any) None  
Address of Contractor \_\_\_\_\_

Date Started \_\_\_\_\_ Date Completed \_\_\_\_\_

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable. This is a spring 6'x6'x8' deep

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent estimate approximate lengths of periods of use. The water is about 4' deep in this 6'x6'x8' spring, when empty it will refill in about 30 minutes

N.W. 1/4 Sec. 18 T. 9 R. 59  
Indicate point of appropriation and place of use, if possible.

Signature of Owner Gene Fischer  
Date Nov 15, 1963

This form to be prepared by contractor (if any), otherwise by the owner.  
Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.  
Please answer all questions. If not applicable, so state, otherwise the form will be returned.
