STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. HAROLD A. WYTHE
   (Name of Appropriator)
   Address
   Town
   County of FALLON
   State of MONTANA
   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based. \textit{Stark's Water}

   3. Date or approximate date of earliest beneficial use; and how continuous the use has been. \textit{1961 Continuous}

   4. The amount of groundwater claimed (in miner's inches or gallons per minute). \textit{5 gal per min}

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof. \textit{Land and Pump}

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal. \textit{Well and Pump}

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater. \textit{1961}

   8. The depth of water table. \textit{20 ft}

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater. \textit{18 in. screen}

   10. The estimated amount of groundwater withdrawn each year. \textit{300,000 gal}

   11. The log of formations encountered in the drilling of each well if available. \textit{Not available}

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

Signature of Owner

Date 12/19/63

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology; and Quadruplicate for the Appropriator.
Notice of Completion of Groundwater Appropriation Without Well
(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: 1910
Owner: HAROLD
Address: Baker, Montana
Contractor (if any)
Address of Contractor
Date Started
Date Completed

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent, estimate approximate lengths of periods of use.

Indicate point of appropriation and place of use, if possible.

Signature of Owner:
Date: 12/19/63

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology and Quadruplicate for the Approprietor.

State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. Stock Watering and Household

2. The beneficial use on which the claim is based

3. Date or approximate date of earliest beneficial use, and how continuous the use has been
   1940 and in continual use since then

4. The amount of groundwater claimed (in miner’s inches or gallons per minute)
   20 gallons per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof
   not for irrigation

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal
   Pump, pumpjack and electric motor for power

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater
   this well was drilled and completed in 1940

8. The depth of water table
   300 feet from surface

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater
   Drilled well to depth of 850 feet; cased to bottom
   with 4 inch steel casing and fitted with a cylinder pump and pumpjack powered
   with 1 horse electric motor

10. The estimated amount of groundwater withdrawn each year
    115,000 gallons per year

11. The log of formations encountered in the drilling of each well if available
    none available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including
    reference to book and page of any county record

Signature of Owner: Welbert Schweigert

Date: December 10, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology; and Quadruplicate for the Appropriator.

OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

Name of Appropriator: Legal Stark
Address: P.O. Box 60B, Fallon, Montana
County: Fallon, State of Montana

We have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. Stock Watering

2. The beneficial use on which the claim is based: Stock Watering

3. Date or approximate date of earliest beneficial use: 1940
   and use continued since 1940

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 4 gallons per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: not for irrigation

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: pump and windmill

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: October 1, 1940
   this well was drilled and completed in 1940, cased with 5 inch galvanized casing to the bottom of the well, which is 14 feet deep, equipped with pump and windmill

8. The depth of water table: 7 feet from surface

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: drilled to depth of 14 feet, cased to bottom with 5 inch casing, pump and windmill

10. The estimated amount of groundwater withdrawn each year: 10,000 gallons per year

11. The log of formations encountered in the drilling of each well if available: none available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: none available

Date: December 12, 1963

Signature of Owner: Legal Stark

These copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

It is requested to answer all questions. If not applicable, so state; otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology; and Quadruplicate for the Appropriator.

ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. **Salon Stark**
   
   (Name of Appropriator)

   of

   (Address):

   \(\text{Baker}\)

   \(\text{County of: Fallon}\)

   \(\text{State of Montana}\)

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based

   ... Stock watering ...

   3. Date or approximate date of earliest beneficial use, and how continuous the use has been...

   Dug back in about 1909...

   on homestead and in continuous use since then...

   4. The amount of groundwater claimed (in miner's inches or gallons per minute): 5 gallons per minute...

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

   ... not for irrigation ...

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal...

   Windmill with regular pump ...

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater...

   This well was hand dug on homestead in 1909 or 1910...

   A culvert for casing, four foot in diameter, lowered to bottom, 50 feet deep...

   8. The depth of water table...

   12 feet from surface ...

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater...

   Four foot in diameter, cased with 4 foot culvert...

   to the full depth of 50 feet and drilled with a pump, operated with a windmill...

   10. The estimated amount of groundwater withdrawn each year...

   36,000 gallons per year...

   11. The log of formations encountered in the drilling of each well if available...

   None available ...

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record...

   None ...

   Signature of Owner ...

   Date: Dec 18, 1963 ...

   Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

   Please answer all questions. If not applicable, so state, otherwise the form will be returned.

   Original to the County Clerk and Recorder; duplicate to the State Engineer. Triplicate to the Montana Bureau of Mines and Geology; and quadruplicate for the Appropriator.

Notice of Completion of Groundwater Appropriation Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater ____________________________
Owner. Willard J. Malcolm Address Baker, Montana
Contractor (if any) ____________________________
Address of Contractor ____________________________
Date Started. ____________________________ Date Completed. ____________________________
Describe means of obtaining groundwater without a well "as by
sub-irrigation and other natural processes". Include depth to
water when applicable. These springs are natural
springs, which form wells below
the bottom of drawdown, as
shown on the map.

Quantity of water developed and used with explanation of method
used to measure or estimate such amount. If use is intermittent
estimate approximate lengths of periods of use.

Indicate point of appropriation
and place of use, if possible.

Signature of Owner: Willard J. Malcolm
Date: 12-12-1963

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county
in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the
Montana Bureau of Mines and Geology and Quadruplicate for the Appropiorator.
