Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. **Name of Appropirator:**
   - Charles J. Wapfman
   - of: ___________
2. **State of Montana**
   - Address: ___________
   - Town: ___________

The owner of ___________ has appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. **Beneficial use on which claim is based:** Stock Water irrigation

3. **Date or approximate date of earliest beneficial use:** and how continuous the use has been: ___________

4. **Amount of groundwater claimed:** (miner's inches or gallons per minute)

5. **If used for irrigation, give acreage and description of lands to which water has been applied and name of owner thereof:**

6. **Means of withdrawing such water from the ground and location of each well or other means of withdrawal:**

7. **Date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:**

8. **Depth of water table:**

9. **Type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:**

10. **Estimated amount of groundwater withdrawn each year:**

11. **Log of formations encountered in the drilling of each well if available:**

12. **Other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:**

Signature of Owner: ____________________________
Date: ________________

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology; and Quadruplicate for the Appropirator.
Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. CHARLES F. KAUFMANN, of Brass Range, have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based:
   - stock water

3. Date or approximate date of earliest beneficial use; and how continuous the use has been:
   - 1920 - continuously

4. The amount of groundwater claimed (in miner's inches or gallons per minute) 10gal/min.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:
   - not used for irrigation

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
   - Artesian well

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:
   - 1920

8. The depth of water table:
   - 20 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:
   - 6" casing - 30 feet deep

10. The estimated amount of groundwater withdrawn each year:
    - supply all livestock

11. The log of formations encountered in the drilling of each well if available:
    - unknown

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:
    - book

Three copies to be file by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Signature of Owner:

Date: Dec. 27, 1963

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

**County of Montana:**

I, Charley F. Kaufmann, have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

### 1. Declaration of Appropriation

**Date:** Dec. 27, 1963

### 2. The beneficial use on which the claim is based

- **stock water & irrigation**

### 3. Date or approximate date of earliest beneficial use; and how continuous the use has been

- 1942 - continually

### 4. The amount of groundwater claimed (in miner's inches or gallons per minute)

- All

### 5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

- 40 acres, grass land - Charley F. Kaufmann

### 6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal

- natural flowing spring

### 7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater

- 1942

### 8. The depth of water table

- Surface spring

### 9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater

- Ditched spring

### 10. The estimated amount of groundwater withdrawn each year

- 10,000 gallons

### 11. The log of formations encountered in the drilling of each well if available

- None

### 12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

- None

STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Billy & Roberta Belchup
   (Name of Appropriator)
   of
   (Address)
   (Town)

County of Fergus, State of Montana have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962 as follows:

2. The beneficial use on which the claim is based: Domestic use, Irrigation, Stock Water

3. Date or approximate date of earliest beneficial use: and how continuous the use has been. Well No. 1, June 1936, Well No. 2, Sept. 1939.

4. The amount of groundwater claimed (in miner's inches or gallons per minute): Well No. 1, 15 gpm, Well No. 2, 15 gpm.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof. Irrigate garden.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal. Pump, 3 W & 6 S, Sec. 16, T. 12 R. 15 E.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater. Well No. 1, June 1936, Well No. 2, Sept. 1939.

8. The depth of water table. Variable from 10 to 15 ft.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater. Well No. 1, dug art a bore and 40 ft deep. Well No. 2, drilled 50 ft, casing 28 ft. deep.

10. The estimated amount of groundwater withdrawn each year: 40,000.

11. The log of formations encountered in the drilling of each well if available: Not available.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: None.

Signature of Owner:

Date: Dec 3, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology, and quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Clarence F. Bleibl of Box 82, Gorneville
   (Name of Appropriator) (Address)
   County of Ennis State of Montana
   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   - The beneficial use on which the claim is based: Stock water for feeding livestock.
   - Date or approximate date of earliest beneficial use: About 1920
   - Amount of groundwater claimed (in miner's inches or gallons per minute): 150 gallon/minute
   - If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: Most applicable
   - Means of withdrawing such water from the ground and the location of each well or other means of withdrawal: By piping to lower level.
   - Date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: (1) 1920, (2) 1961
   - Depth of water table: (1) 12 ft., (2) 10 ft.
   - So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: (1) Drift well - 12 ft. deep, 6 ft. diameter - 1½ inch pipe, (2) Drift well - 10 ft. deep, 3½ diameter - 1½ inch pipe.
   - The estimated amount of groundwater withdrawn each year: 100,000 gallons.
   - Log of formations encountered in the drilling of each well if available: Not available.
   - Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: Not available.

Signature of Owner: Clarence F. Bleibl

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

I, (Name of Appropriator)

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. Name of Appropriator (Address) 
2. The beneficial use on which the claim is based. 
3. Date or approximate date of earliest beneficial use; and how continuous the use has been. 
4. The amount of groundwater claimed (in miner's inches or gallons per minute). 
5. If used for irrigation, give the acreage and description of the lands to which water has been applied and, name of the owner thereof. 
6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal. 
7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater. 
8. The depth of water table. 
9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater. 
10. The estimated amount of groundwater withdrawn each year. 
11. The log of formations encountered in the drilling of each well if available. 
12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

Signature of Owner

Date

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state. Otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology, and quadruplicate for the Appropriator.
DECLARATION OF VESTED GROUNDWATER RIGHTS
(Under Chapter 237, Montana Session Laws, 1961)

NAME OF APPLICANT: John D. Hagena

ADDRESS: PO Box 65, Garnet, Mont.

COUNTY OF WHEATLAND, State of Montana. Appropriated groundwater according to the Montana Laws in effect prior to January 1, 1962, as follows:

2. The beneficial use or which the claim is based. Name, etc.

3. Date or approximate date of earliest beneficial use; and how, during the use, has been.

4. The amount of groundwater claimed (miner inches or gallons per minute)

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof.

6. The means of withdrawing such water from the ground, and the location of each well or other means of withdrawal. See, Hand Pump.

7. The date of commencement and the completion of the construction of the well, wells, or other works for withdrawal of groundwater.

8. Depth of water table.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater.

10. The estimated amount of groundwater withdrawn each year

11. The log of formations encountered in the drilling of each well if available.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference page of county records and book number.

Signature of Owner: John D. Hagena

Date: Nov. 30, 1966

STATE OF MONTANA
COUNTY OF WHEATLAND

Having first been duly sworn, deposes and says that he (she, are) of lawful age and (she, are) the appropriator and claimant of the order and water right mentioned in the foregoing declaration of vested groundwater rights and the person whose name subscribed the same, as the appropriator and claimant, that he knows the contents of said foregoing notice and that the matters and things therein stated are true.

Subscribed and sworn to before me, this 25th day of November, 1966.

Notary Public for the State of Montana

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. CLIFFORD BARKHOF
   (Name of Appropriator)
   PEGUS
   (County of Appropriator)
   GARNEILL
   (Address)
   MONTANA
   (State of Appropriator)
   Have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based:
   - stock water, domestic, and irrigation

3. Date or approximate date of earliest beneficial use; and how continuous the use has been:
   Prior to 1915 and continuous since

4. The amount of groundwater claimed (in miner's inches or gallons per minute): about 5 gallons per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
   - Well located in the Southeast Quarter of the Northwest Quarter of the Northeast Quarter of said Section 30, withdrawn by pumps

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:
   Same as 3 above

8. The depth of water table: 6 ft. or 8 ft. from surface

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:
   - Well dug 20 ft. deep, cased with rock, cement frame near the top, 4 ft. square at top, electric jet pump into pressure system in house about 120 ft. East, hand pump connected to electric motor by pump jack, pumps water into stock tank about 20 ft. East

10. The estimated amount of groundwater withdrawn each year: about 500,000 gallons per year

11. The log of formations encountered in the drilling of each well if available: not available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:
   none
