COPY
STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER
Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. ROSS MARIE MACK
   (Name of Appropriator)
   of GILT EDGE ROUTE, LEWISTOWN
   (Address)
   (Town)
   County of Fergus
   State of Montana

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based: Household, livestock and irrigation.

   3. Date or approximate date of earliest beneficial use; and how continuous the use has been: 1920, 1949, continuous on both since then.

   4. The amount of groundwater claimed (in miner's inches or gallons per minute): 1 gallon/minute, 3 gallons/minute.

   5. If used for irrigation, give the average and description of the lands to which water has been applied and name of the owner thereof: 3 acres adjacent to well #1.

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: #1 pump, centrifugal, 3/4 h.p.; #2 well, submersible, pump = 1/3 h.p.

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: 1920 - #1, fall 1949 - #2.

   8. The depth of water table: 10 feet - #1; 22 feet - #2.

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: #1 - hand dug, 4 feet across, 18 feet deep, both lined with brick.

   10. The estimated amount of groundwater withdrawn each year: #1 = 72,800 gallons, #2 = 155,000 gals.

   11. The log of formations encountered in the drilling of each well if available: gumbo and gravel.

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

   Signature of Owner: [Signature]
   Date: January 27, 1964.

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.
State of Montana,
County of Fergus.

Filed at 9:00 A.M. on Jan 27, 1884.

County Clerk and Recorder
STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. J. K. McKenna
   (Name of Appropriator)
   of Lewistown, Montana, P. O. Box 633
   (Address)
   of Fergus, Montana
   (Town)

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based stock water, irrigation, and fish dams.

   3. Date or approximate date of earliest beneficial use and how continuous the use has been October 1st, 1960, every day since.

   4. The amount of groundwater claimed (in minor's inches or gallons per minute) the hundred inches.

   5. If used for irrigation, give the acreage and description of the land to which water has been applied and name of the owner thereof.

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal spring and dam and along the course of ravine to and below dam.

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater cleaning out spring and building of dam about October 1960.

   8. The depth of water table dam is about twenty five to thirty feet in deepest part. Spring is about two feet in depth where water comes to surface.

   9. So far as may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater; dam below spring about one eighth of a mile which backs up water which flows over top of dam into spill way and down ravine. Water flows from spring on surface to the dam.

   10. The estimated amount of groundwater withdrawn each year fifty acre feet.

   11. The log of formations encountered in the drilling of each well if available.

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

   Signature of Owner
   Date December 20th, 1963.

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appraisor.

Declaration of Vested Groundwater Rights
(under Chapter 29, Montana Session Laws, 1961)

CLINT BRENNER, ALSO KNOWN AS C. O. BRENNER
(Address)

County of

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based
1. stock water; 2. domestic use;

3. Date or approximate date of earliest beneficial use; and how continuous the use has been.
No. 1 - about 1956; No. 2 - about 1956; No. 3 - about 1961, used continuously since.

4. The amount of groundwater claimed (in inches or gallons per minute) No. 1 - about 10 gallons per minute; No. 2 - about 10 gallons per minute; No. 3 - about 5 gallons per minute.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal.
No. 1 - well in section 32, T16N, R21E; water withdrawn by electric pump.
No. 2 - well in section 32, T16N, R21E; water withdrawn by electric pump which sends it into pressure tank in house.
No. 3 - well in section 32, T16N, R21E; water withdrawn by electric pump.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater.
No. 1 drilled in about 1956; No. 2 drilled in about 1960; and No. 3 drilled in about 1960.

8. The depth of water table. No. 1 about 60' below surface; No. 2 about 12' below surface; and No. 3 about 90' below surface.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater.
No. 1 drilled about 60' deep and plugged back to about 50'; No. 2 drilled about 90' deep; both wells cased with 4' casing, water pumped electrically into stock tank; No. 3 drilled about 120' deep, water pumped electrically therefrom into pressure tank in house.

10. The estimated amount of groundwater withdrawn each year. No. 1 about 5,256,000 gallons per year; No. 2 about 2,628,000 gallons per year; No. 3 about 2,628,000 gallons per year.

11. The log of formations encountered in the drilling of each well if available.
Not available.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.
None.

Signature of Owner: CLINT BRENNER
Date: DECEMBER 12, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology; and Quadruplicate to the Appropriate.

Notice of Completion of Groundwater Appropriation
Without Well
(Under Chapter 287, Montana Session Laws, 1961)

Date of Appropriation of Groundwater... 1961
Owner... FRASER LOD & LIVESTOCK CO, INC.
Address... 222 MILLINROCK, Mont.

Contractor (if any)... Address of Contractor...

Date Started: July 1961... Date Completed: Aug. 1961

Describe means of obtaining groundwater without a well "as by
sub-irrigation and other natural processes". Include depth to
water when applicable.

\[\text{Draining & ditching = 2 to 10 feet}\]

Quantity of water developed and used with explanation of method
used to measure or estimate such amount. If use is intermittent
estimate approximate lengths of periods of use.

\[\text{continuous flow adequate for stock water}\]

Indicate point of appropriation

\[\text{Section, T. and R.: } 04, 82, 112, 112.5\]

In Twp. 17N, Range 22E Sec. 21
South Half, North Half, Sec. 32
In Twp. 16N, Range 22E Sec. 21
By Sec. 2.

Signature of Owner...

Date... 10/31/61

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the
works are located.

Please answer all questions. If not applicable, so state; otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana
Bureau of Mines and Geology and Quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights
(Under Chapter 287, Montana Session Laws, 1961)

1. William J. Johnson, of 712 West 12th, Lewistown
(Name of Appropriator)

County of
(State of)
(Address)
(Town)

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based:
   • Residential
   • Farm and Ranch

3. Date or approximate date of earliest beneficial use; and how continuous the use has been since 1950:
   Continuous

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 17.90

5. If used for irrigation, give the average and description of the lands to which water has been applied and name of the owner thereof:

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:
   • Construction
   • Completion

8. The depth of water table:
   • Depth

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:

10. The estimated amount of groundwater withdrawn each year:

11. The log of formations encountered in the drilling of each well if available:

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. William Degner
   of Box 56, Grass Range
   (Name of Appropriator) (Address) (Town)
   County of Pondera State of Montana
   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based: Livelihood

   3. Date or approximate date of earliest beneficial use: July 1st 1951
   How continuous the use has been: Continuously since it was drilled

   4. The amount of groundwater claimed (in miner's inches or gallons per minute): 70 gallons per minute

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: Artesian well flows by itself with 60 pounds of pressure

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Indicate point of appropriation and place of use, if possible.

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: June 1st 1951 Started July 16th 1951 Completed

   8. The depth of water table: 1210 feet One thousand two hundred ten feet

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: Artesian well 1290 feet deep 4 inch casing

   10. The estimated amount of groundwater withdrawn each year: 1,500,000 gallons per year

   11. The log of formations encountered in the drilling of each well if available: Not available

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: None

   Signature of Owner: William Degner
   Date: February 6th 1982

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Edward J. and/or Dorothy J. Majerus
   (Name of Appropriator)
   Box 4, Rose Fork
   (Address) (Town)
   County of Fergus
   State of Montana

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based
      livestock water
      and irrigation and domestic

   3. Date or approximate date of earliest beneficial use; and how continuous the use has been
      1935 periodically

   4. The amount of groundwater claimed (in miner's inches or gallons per minute)
      3 cubic ft. per second

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner
      thereof

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal
      springs, wells, dikes, or head gates

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater
      1935 with reconstruction in 1963

   8. The depth of water table
      approximately 4 feet

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater
      gravity with dikes

10. The estimated amount of groundwater withdrawn each year
    approximately 9,000,000 gal. per day

11. The log of formations encountered in the drilling of each well if available
    none

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record
    recorded 4/17/35 on side. Book 7 Water Rights
    Page 5

Signature of Owner

Date: 12/5/63

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Piece: answer all questions. If not applicable, so state; otherwise the form will be returned.

Original to the County Clerk and Recorder, duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology, and quadruplicate for the Appropriorator.

ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Notice of Completion of Groundwater Appropriation
Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater Dec. 23, 1887
Owner Donald Seidel Address Rose Fork, Montana
Contractor (if any) none
Address of Contractor none
Date Started 1887 Date Completed 1887

Describe means of obtaining groundwater without a well “as by
sub-irrigation and other natural processes”. Include depth to
water when applicable. water obtained by means of natural
spring emptying into Canyons Creek, and carried by
24” x 10” ditch to place of use, running upon and to
SE\NW Sec. 56, Twp. 16 N., Rgn. 16 E., and Lots 2 and 3
Section 5, Twp. 16 N., Rgn. 16 E., for use as
 irrigation
and other lawful uses

Quantity of water developed and used with explanation of method
used to measure or estimate such amount. If use is intermittent
estimate approximate lengths of periods of use all of the
waters of the spring, used continuously during
irrigation season of each year/ use after irrigation
season is for domestic purposes and as stockwater

Signature of Owner Donald Seidel
Date October 10, 1983

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the
works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana
Bureau of Mines and Geology and Quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights

(State of Montana, Under Chapter 257, Montana Session Laws, 1961)

County of Fergus State of Montana

Declaration of Vested Groundwater Rights

1. Alvin and/or Annette Martin of Neih Perk

2. The beneficial use on which the claim is based: Stock and drinking water, household, and irrigation

3. Date of approximate date of earliest beneficial use, and how continuous the use has been: June 1914; every day since

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 180 gal

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: Lot ten of block eleven and lots nine and eleven, lots 61-64, of block seven, Alvin and Annette Martin

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: By pump

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: June 1914

8. The depth of water table: Four feet

9. So far as it may be available, the type, size, and depth of each well or the general specifications of any other works for the withdrawal of groundwater: Forty-five feet deep, five feet in diameter

10. The estimated amount of groundwater withdrawn each year: 180,500 gal

11. The log of formations encountered in the drilling of each well if available: Locom cement gravel gravel clay sand

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: Fergus County Book 147, page 149; Book 136, page 168

Signature of Owner: Alvin Martin Date: December 30, 1933

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, no state otherwise the form will be returned.

Declaration of Vested Groundwater Rights

[Declaration details]

1. Arthur E. Martin
   Name of Appropriate
   Address: Ross Fork,
   Town: 
   County of Fergus
   State of Montana

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962 as follows:

   [Diagram]

   S.114 Sec. 22 T15 R16
   Indicate point of appropriation
   and place of use, if possible.
   Each small square represents 10
   acres.

2. The beneficial use on which the claim is based: Household use, irrigating, garden & yard, watering livestock.

3. Date or approximate date of earliest beneficial use and how continuous the use has been: House well in continuous use since 1911. Well for livestock in continuous use since 1941.

4. The amount of groundwater claimed in miner's inches or gallons per minute: None.

5. If used for irrigation, give the average and description of the lands to which water has been applied and name of the owner thereof: None.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: House well operated by electric pump. Well for livestock-operated, motor driven pump.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: House well dug about the month of July 1912. The second well dug, 9th to the 12th Jan. 1943, for livestock.

8. The depth of water table: House well 32" deep. No. 2 well for livestock 26" deep.

9. So far as it may be available, the type, use and depth of each well or the general specifications of any other works for the withdrawal of groundwater: House well 42" in diameter and 25 ft. in depth. Well at outer building for livestock is 40 inches in diameter and 22 feet in depth.

10. The estimated amount of groundwater withdrawn each year: 105500 gal. From both wells.

11. The log of formations encountered in the drilling of each well if available: None.

12. Such other information of a similar nature as may be useful in carrying out the duty of the state office and reference to book and page of any county record:

   Signature of Owner: [Signature]
   Date: Nov. 10, 1963.

These copies to be filed by the county with the county clerk and recorder of the county in which the well is located.

Please add all or these. If not applicable so state, otherwise the form will be returned.

Filed to the county clerk and recorder, pursuant to the State Engineer, Triplicate to the Montana Bureau of Mines and Geology, and Qualifies price for the Appropriate.
