County Clerk and Recorder

[Signature]
Notice of Completion of Groundwater Appropriation by Means of Well
(Under Chapter 247, Montana Session Laws, 1961)

STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Property Location: State of Montana

Owner: Jack White
Address: Livingston, Mont.

Driller: O. C. Thatcher
Address: Stanford, Mont.

Date of Notice of Appropriation of Groundwater: Jan. 17, 1964

Date Well Started: Jan. 17, 1964
Date Completed: Jan. 20, 1964

Type of Well: Drilled
Equipment Used: Rotary
(Chisell, drill, rotary, or other)

Water Use: Domestic
Industrial
Municipal
Drainage
Stock
Irrigation

Indicate on the diagram the character and thickness of the different strata met with in drilling, such as soil, clay, shale, gravel, rock, or sand, etc. Show depth at which water is encountered, thickness and character of water-bearing strata and height to which water rises in the well.

<table>

Static Water Level for non-flowing Well: 12 feet
Shut-in Pressure for Flowing Well:
Pumping Water Level: 70 feet at 300 g.p.m.

Discharge in gal. per min. of flowing well:

How Tested: Baler
Length of Test: 1 hr.

Remarks: (Gravel packing, cementing, packers, type of shutoff, location of place of use of groundwater if not at well, and any other similar pertinent information, including number of acres irrigated, if used for irrigation.)

Driller's License Number
Driller's Signature

This form to be prepared by driller, and three copies to be filed by the owner with the County Clerk and Recorder in the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and quadruplicate for the Appropriator.

STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Erving L. Lipke, of Hilger, (Name of Appropriator)
   (Address) (Town)
   County of Fergus
   State of Montana

   Have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based ____________________________
   domestic

   3. Date or approximate date of earliest beneficial use; and how continuous the use has been:
   1926, improved and increased 1954.

   4. The amount of groundwater claimed (in miner's inches or gallons per minute) ______ gallons per minute

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof
   not applicable

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal
   improved spring, running to house and buildings.

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater
   part 1926 and part 1954, see above

   8. The depth of water table ____________________________
      surface water where withdrawn

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater
      improved spring

   10. The estimated amount of groundwater withdrawn each year ____________________________
      600,000 gallons

   11. The log of formations encountered in the drilling of each well if available
      not available

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record
      none

   Signature of Applicant ____________________________
   Date: December 21, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state; otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology; and Quadruplicate for the Appraiser.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. (Name of Appropriator) of (Address) (Town) (County of) (State of)

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based:
   - (Irrigation)

3. Date or approximate date of earliest beneficial use; and how continuous the use has been since that time:
   - 6/15/63. Used continuously since that time.

4. The amount of groundwater claimed (in miner's inches or gallons per minute) estimated to be 300 miner's inches of the water
   - of (Well Name/Stream Name).

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:
   - Section 8 in Township 17 North of Range 1 East.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
   - (Describe methods of withdrawal)

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:
   - 5/15/63.

8. The depth of water table:
   - Not applicable

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:
   - Not applicable

10. The estimated amount of groundwater withdrawn each year:
    - Estimated 1,000,000 gallons

11. The log of formations encountered in the drilling of each well if available:
    - Not applicable

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:
    - Water Rights, page 506, Records of Fergus County, Montana.

Signature of Owner: ____________________________

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder, Duplicate to the State Engineer, Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Approprietor.
Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Erving L. Lipke
   (Name of Appropriator)
   (Address)
   (Town)
   County of Fergus
   State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based
   Irrigation and stockwater

3. Date or approximate date of earliest beneficial use; and how continuously the use has been
   1947. Used continuously since that time

4. The amount of groundwater claimed (in miner's inches or gallons per minute) sufficient to fill dam holding 3 acre-feet of water

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof
   Section 22 in Township 17 North and of Range 19 East

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal
   Entapped by dam forming 3 acre-feet of water of Bear Creek

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater
   1947

8. The depth of water table
   Surface water where entapped

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater
   Not applicable

10. The estimated amount of groundwater withdrawn each year
    Gallons: 100,000 gallons

11. The log of formations encountered in the drilling of each well if available
    Not applicable

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record
    None

Signature of Owner

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

County of Fergus
State of Montana

I, PETER A. KEIT, have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. Name of Appropriate: PETER A. KEIT
   Address: 406 Erie Street, LEKISTON

2. The beneficial use on which the claim is based: domestic use and stock water

3. Date or approximate date of earliest beneficial use and how continuous the use has been: about June, 1960, and used continuously since

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 20 gallons per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:
   Irrigation of lawn and flowers around the house

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
   Spring (a on diagram) situated in SEootnote{40} of Section 28 near the line separating said two 40's - see below

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:
   about June, 1960

8. The depth of water table:
   comes to surface

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:
   natural spring dug out with backhoe, gathering tile laid and water collected into gathering tank (1' steel culvert, 8' long, sunk in ground about 7' with covering), 1" pipe from gathering tank to storage tank (2 on diagram) about 500' west and slightly south, and then 1" pipe about 1/2 miles to the house (3 on diagram) situated in NEootnote{40} of Section 28

10. The estimated amount of groundwater withdrawn each year:
    9,500,000 gallons

11. The log of formations encountered in the drilling of each well if available:

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

   Improvements of spring, by which natural flow is increased and contained; several hydrants running into stock tanks between storage tank and house; overflows into coulee and down into dam and stock water reservoir new house.
