ADMINISTRATOR OF GROUNDWATER CODE
MONTANA WATER RESOURCES BOARD
NOTICE OF COMPLETION OF GROUNDWATER APPROPRIATION BY MEANS OF WELL
Developed after January 1, 1962
(Under Chapter 237 Montana Session Laws, 1961, as amended)

This form to be prepared by driller, and three copies to be filed by the owner with the County Clerk and Recorder in the county in which the well is located, last copy to be retained by driller.

Please answer all questions. If not applicable, so state, otherwise the form may be returned.

Jerry Lee Doll and
OwnerClaine Proc Doll
Address Route 1
Bigfork, Montana
Date well started 6/22/72
GW 1
Date well completed 7/12/72

Type of well Drilled
(Deg. Drilled, bored or drilled)
Equipment used Cable Tools and Air Rotary
Water Use Domestic 
Municipal Stock Irrigation 
Industrial Drainage Other Garden/Lawn

*Describe
USE: If used for irrigation, industrial, drainage or other. Explain, state number of acres and location or other data (i.e. Lot, Block and Addition). Approx. 4.9 acres

ESTIMATED ANNUAL WITHDRAWAL 26,000,000

Top of Ground Approx. Above sea level 2075

Addendum:
- Soil water level 72 feet
- Pumping water level 87 feet
- 50 gallons per minute, measured 10 minutes after pumping began.
- Measured from ground level.
- Well developed by Air Drilled, 6 hours.
- Power Drill Pump, 20 HP.
- Remarks: (Gravel packing, cementing, etc.)
- Notes: This area can be depended upon to produce clean water.
- Water year after year as long as they are not overpumped.

INDICATE LOCATION OF WELL AND PLACE OF USE, IF POSSIBLE. EACH SMALL SQUARE REPRESENTS 40 ACRES.

STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

Wallace A. and Dorothy Holcomb Gates, of 1105 3rd Ave., West, Kalispell
(Name of Appropriator) (Address) (Town)
County of Flathead State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: Household

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: July 1961 fairly continuous through the summer months

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 6 gallons per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: BUT APPLICABLE

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: use small pump on well

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: information not available

8. The depth of water table: information not available

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: information not available

10. The estimated amount of groundwater withdrawn each year: 100,000 gallons

11. The log of formations encountered in the drilling of each well if available: not available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: information available

Signature of Owner
Date

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located. Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and quadruplicate for the Appropriator.

clear sand free water year after year as long as they are not overpumped, i.e., they should be pumped at rates not in excess of 50 to 60 percent of the tested capacity of the aquifer.
Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

Name of Appropriator: Roy J. Mayer

Address: Bigfoot, MT

County of Flathead, State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based?
   - Household
   - Irrigation

3. Date or approximate date of earliest beneficial use; and how continuous the use has been, March 15, 1962.
   - May 1st
   - Every day

4. The amount of groundwater claimed (in miner's inches or gallons per minute).
   - 1 gal. per min.

5. If used for irrigation, give the area and description of the lands to which water has been applied and name of the owner thereof:
   - Garden
   - Roy Mayer

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
   - Electric pump

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater.
   - Do not know

8. The depth of water table.
   - 5 feet

9. So far as it may be available, the type, size, and depth of each well or the general specifications of any other works for the withdrawal of groundwater.
   - Sandpoint down about 20 feet

10. The estimated amount of groundwater withdrawn each year.
    - Do not know

11. The log of formations encountered in the drilling of each well if available.
    - Sand

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record, None that we know of.

Signature of Owner: Roy J. Mayer

Date: Dec. 21, 1962

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

[Name and Address]
County of [County] State of Montana

I have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. 

(Name of Appropiator) 
(Address) 
(Town)

County of [County] State of [State]

2. The beneficial use on which the claim is based: Household

3. Date or approximate date of earliest beneficial use; and how continuous the use has been:

   April 1962

   Every day

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 30 gal per min.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:

   Not used for irrigation

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:

   Electric pump: Beside the house

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:

8. The depth of water table:

   About 2 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:

   Depth is about 2 feet

10. The estimated amount of groundwater withdrawn each year:

    Do not know

11. The log of formations encountered in the drilling of each well if available:

    Clay & quicksand

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

County of Flathead
State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: Household, Limited & Irrigation

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: 1930-1962, Continuous use

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 7 gal

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:

8. The depth of water table: 60 ft

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:

10. The estimated amount of groundwater withdrawn each year:

11. The log of formations encountered in the drilling of each well if available:

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

I have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. Name of Appropriator

Address

Town

County

State

2. The beneficial use on which the claim is based

Domestic use

3. Date or approximate date of first beneficial use; and how continuous the use has been

Aug 1963

4. The amount of groundwater claimed (in miner's inches or gallons per minute)

Well No. 1

5. If used for irrigation, give the acreage and description of the land to which water has been applied and name of the owner thereof

Garden and lawn

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal

Well No. 2

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater

July 1963

8. The depth of water table

32 ft

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater

Well No. 2

10. The estimated amount of groundwater withdrawn each year

1,000 gpm

11. The log of formations encountered in the drilling of each well if available

Rocky soil

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

Signature of Owner

Date

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Orignal to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology and Quadruplicate for the Appropriator.
