County Clerk and Recorder

By: Deputy
Notice of Completion of Groundwater Appropriation by Means of Well
(Under Chapter 237, Montana Session Laws, 1961)

Owner: 
Address: 
Driller: 
Address: 

Date of Notice of Appropriation of Groundwater: 
Date well started: 
Date Completed: 

Type of well: 
Equipment Used: 
(dug, driven, bored or drilled)
(Churn, drill, rotary or other)

Water Use: 
Domestic 
Municipal 
Irrigation 
Industrial 
Drainage 
Stock

Indicate on the diagram the character and thickness of the different strata met with in drilling, such as soil, clay, shale, gravel, rock or sand, etc. Show depth at which water is encountered, thickness and character of water-bearing strata and height to which water rises in the well.

Static Water Level for non-flowing Well: 17 feet.
Shut-in Pressure for flowing Well:
Pumping Water Level: 15 feet at 5.5 gal. per minute.
Discharge in gal. per min. of flowing well: 414.0

How Tested: 
Length of Test: 
Remarks: (Gravel packing, cementing, packers, type of shutoff, location of place of use of groundwater if not at well, and any other similar pertinent information, including number of acres irrigated, if used for irrigation)

Indicate location of well and place of use, if possible. Each small square represents 10 acres.

File No. 14-352
Filed for record this 16th day of July, A.D. 1971, at 2:00 o'clock P.M.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and quadruplicate for the Appropriator.

Driller's License Number: 
Driller's Signature: 

This form to be prepared by driller, and three copies to be filed by the owner with the County Clerk and Recorder in the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.
STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Right
(Under Chapter 237, Montana Session Laws, 1961)

1. Joseph Store and Rachel Store, of Route One, Bigfork
   (Name of Appropriator) (Address) (Town)

County of Flathead State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: House

3. Date or approximate date of earliest beneficial use; and, how continuous the use has been: 1940, they have been
   continuously, day and night, year after year.

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 10 or 15 gals. per month.

5. If used for irrigation, give the acreage and description of the lands to which water has been, applied and name of the owner thereof.
   About 100 acres, 4 ft. high, 100 ft. wide, oak and grape land.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: This can
   be done by electric pump.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: about 1940

8. The depth of water table: about 2 ft.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:
   dug well, bushel well, 3 ft. deep, 3 ft. square.

10. The estimated amount of groundwater withdrawn each year: about 20,000 gal. a year.

11. The log of formations encountered in the drilling of each well if available:

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

   Book 930 page 183

Signature of Owner: Rachel Store

Date: Dec 27, 1962

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is
located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau
of Mines and Geology; and quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Carl D. Sawings  of P.O. Box 96, Birkfork
   (Name of Appropriator) (Address) (Town)
   County of Flathead State of Montana
   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based: home, garden use, and orchard.

   3. Date or approximate date of earliest beneficial use; and how continues the use has been 100% continuous.

   4. The amount of groundwater claimed (in miner’s inches or gallons per minute): 600 gallons per minute.

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof. Approximately 2 acres of orchard and garden owned by the Appropriator, in the vicinity of the well location.

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal. Electric pump in well in W5/4 Sec. 50, T27N, R19W.

   7. The date of commencement and completion of the construction of the well, walls, or other works for withdrawal of groundwater: 1954.

   8. The depth of water table: 150 feet water table, well 150 feet.

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: 100 feet deep, 5-inch casing, drilled well.

   10. The estimated amount of groundwater withdrawn each year: 750,000 gallons.

   11. The log of formations encountered in the drilling of each well if available: not available.

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: not applicable.

Signature of Owner: ___________________________ Date: 1/3/1964

Notice of Completion of Groundwater Appropriation Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Owner: Wanda F. Buellis  Address: One Prospect Way  Great Falls, Montana
Contractor (if any) unknown
Address of Contractor unknown

Date Started: unknown  Date Completed: unknown
(Probable to 1930)

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable.

Means of obtaining water indicated with sub-irrigation and other natural processes.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent estimate approximate lengths of periods of use. Water use for livestock and fruit trees. About 30 gallons per minute of water taken from sources of springs; well water 30 gallons per minute.

Signature of Owner: Wanda F. Buellis
Date: December 30, 1963

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and quadruplicate for the Approprietor.

1. Fritha Truitt Alberston of Bigfork (Name of Appropriator)
   (Address) (Town)
   County of Flathead State of Montana have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: household yard, fire protection, garden.

3. Date or approximate date of earliest beneficial use; and how continuous the use has been:
   1956 date

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 100 gal. per hour

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:
   Approx. 10 acres

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
   Pumps

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:
   Already in use

8. The depth of water table:
   Approx. 20 ft. 25 feet

9. So far as may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:
   Vaney. Except this present well may have to be deepened about 5 feet

10. The estimated amount of groundwater withdrawn each year:
    320,000 gal. per year

11. The log of formations encountered in the drilling of each well if available:
    Original well: Sand and gravel

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology; and quadruplicate for the Appropriator.
STATE OF MONTANA
COUNTY OF FLATHEAD

Filed on the 7th day of Aug.,
A.D. 1961, at 9:30 o’Clock A.M.

Henry L. Peckham
County Clerk and Recorder

By John Doe, Deputy
STATE OF MONTANA  
ADMINISTRATOR OF GROUNDWATER CODE  
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights  
(Under Chapter 237, Montana Session Laws, 1961)

LEO D. M. Sudan 
(Name of Appropriator)

State of Montana 
(Town)

1. I, the undersigned, have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: 
   Irrigation

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: 1932 – approx. date

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 750 GPM

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: 
   100 acres

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: 
   Well

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: 
   1932 – 1932

8. The depth of water table:
   10 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:
   100 feet

10. The estimated amount of groundwater withdrawn each year: 150,000 GPM

11. The log of formations encountered in the drilling of each well if available: 

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:
