STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

State of Montana

Town of Bigfork

County of Flathead

State of Montana.

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. Thomas F. Yenne

(Name of Appropriator)

Address

Town

County of Flathead

2. The beneficial use on which the claim is based—Agriculture crop and—Pasture irrigation

3. Date or approximate date of earliest beneficial use; and how continuous the use has been—June 1940

Daily—since June 1940

4. The amount of groundwater claimed (in miner's inches or gallons per minute) approx. 50 gallons per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof.

Acres

County of Flathead State of Montana

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:

Electric Jet pumps

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater—June 1940

8. The depth of water table—Approx. 20 feet in June 1940

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater—Drilled, Trench casing, 8 feet deep, Springs, flowing not controlled, returning again in underground

10. The estimated amount of groundwater withdrawn each year—10 million gallons

11. The log of formations encountered in the drilling of each well if available—Not available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

Signature of Owner

Date 12/16/63

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and quadruplicate for the Appropriator.

As the Administrator of the Groundwater Code for the State of Montana, please take note of the following special instructions, in order to properly protect your groundwater right.

Special Instructions:

Please provide all information indicated in red on the attached form. Include the means or method used to develop the water, and the amount of groundwater claimed for use in gallons per minute.

Thank you.

Date: 11/19/72

5/327

Insert means of obtaining groundwater without a well, "as by sub-irrigation and other natural processes". Include depth to water when applicable.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent, estimate approximate lengths of periods of use.

Indicate point of appropriation and place of use, if possible.

Signature of Owner:

Date: 6/1/72

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and quadruplicate for the Appropriates.

Notice of Completion of Groundwater Appropriation Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: 1925
Owner: G. G. Hardy
Address: Marion, Montana
Contractor (if any): none
Address of Contractor:

Date Started: July, 1925
Date Completed: Aug., 1925

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable. I dug down about 5 feet to trap the waters of a spring and cribbed up the excavation.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent estimate approximate lengths of periods of use. Sufficient flow to keep a 3/4" pipe running constantly without much pressure. From the spring to the house there is about 15 feet fall in a distance of 300 yards.

Signature of Owner: G. G. Hardy
Date: December 31, 1962

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the School of Mines and quadruplicate for the Appropriator.

Notice of Completion of Groundwater Appropriation
Without Well

(Under Chapter 257 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: June 1963
Owner: Dick C. Mendenhall, Rt. 3, Polaris, Mont
Contractor (if any): None
Address of Contractor: None
Date Started: None
Date Completed: None

Describe means of obtaining groundwater without a well "as by
subirrigation and other natural processes": Include depth to
water when applicable. This is a spring and it
reappears on the surface from a Montague
well, flows underground and then
reappears to the surface again where
it is used.

Quantity of water developed and used with explanation of method
used to measure or estimate such amount. If use is intermittent
estimate approximate lengths of periods of use:

These springs are used
year round for stock and
house use and irrigating
meadows.

Signature of Owner: Dick C. Mendenhall
Date: Dec. 31, 1963

This form to be prepared by contractor (if any), otherwise by the owner.
