STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights—1964
(Under Chapter 237, Montana Session Laws, 1961)

STATE ENGINEER

1. Doris Senev
   of Rural Route 2, Kalispell
   County of Flathead, State of Montana
   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based:
   Irrigation

3. Date or approximate date of earliest beneficial use; and how continuous the use has been:
   March 10, 1949 to May 6, 1957
   Continuous since

4. The amount of groundwater claimed (in miner's inches or gallons per minute)
   35 gpm

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:
   8 acres, owned by
   Doris Senev

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
   Household pressure pump
   Located at

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:
   Well #1: March 10, 1949
   Well #2: May 6, 1957

8. The depth of water table:
   19 ft.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:
   Both wells
   10 in. pipe used
   Depths 19 ft.

10. The estimated amount of groundwater withdrawn each year:
    5 acre-ft.

11. The log of formations encountered in the drilling of each well if available:
    Clay & quick sand

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

   Signature of Owner: Doris Senev
   Date: Dec 30, 1964

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.
Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology and Quadruplicate for the Appropriator.
Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Joe C. Conner
   (Name of Appropriator)  Route 2  Kalispell
   (Address)  (Town)
   County of Flathead  State of Montana

2. The beneficial use on which the claim is based: household, and irrigation...

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: 1944. Used Continuously...

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 500 gallon per minute...

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: 2 acres of large yard and garden...

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Electric pump...

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: 1944...

8. The depth of water table: 37 feet to 20 feet...

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: drilled well 6 inch casing; depth 120 feet...

10. The estimated amount of groundwater withdrawn each year: 500,000...

11. The log of formations encountered in the drilling of each well if available: extra heavy soil (gumbo)...

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record...

Signature of Owner: Joe C. Conner

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.
Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and quadruplicate for the Appropriator.

### Declaration of Vested Groundwater Rights

**DECLARATION OF VESTED GROUNDWATER RIGHTS**

(Under Chap. 237 Mont. Session Laws, 1961)

**Name of Appropriate:** Arthur R. Grombach

**Address:** Route 2, Kapsible

**County of Appropriate:** Missoula

**State of Appropriate:** Montana

I, Arthur R. Grombach, of Route 2, Kapsible, Missoula, Montana, have appropriated groundwater according to Montana laws in effect prior to Jan. 1, 1962 as follows:

1. **The beneficial use on which the claim is based**
   - Domestic, Home Use and Stock Water

2. **Date or approximate date of earliest beneficial use; and how continuous the use has been**
   - Year 1912
   - In continuous use since established

3. **The amount of groundwater claimed (in miner's inches or gallons per minute)**
   - 15 Gals per minute

4. **If used for irrigation, give acreage and description of the lands to which water has been applied and name of the owner thereof.**
   - Lawn and garden 1/2 Acre

5. **The means of withdrawing such water from the ground and location of each well or other means of withdrawal.**
   - **Electric Pump**

6. **Date of commencement & completion of construction of well, wells, or other works for withdrawal of groundwater**
   - Year 1912

7. **Depth Of Water Table**
   - 14 Ft. at high-water; 36 Ft. at low-water

8. **Estimated amount of groundwater withdrawn each year**
   - 202,000 Gallons

9. **The log of formations encountered in drilling each well (if available)**
   - Alternate layers Clay and Sand Lava

10. **Other information useful in carrying out policy of this act, including Book & Page of any county record**

---

**Signature:** Arthur R. Grombach

**Date:** March 12, 1962

---

**Notes:**
- 3 copies to be filed by owner with clerk & recorder in county where well is located.
- Please answer all questions, if not applicable, so state.
- Original to Co. Clerk & Recorder; Duplicate to State Engineer; Triplicate to School of Mines and Quadruplicate for the Approprietor.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Name of Appropriate: Hallipell
   (Address) (Town)
   County of: Hail
   State of: Montana

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1982, as follows:

2. The beneficial use on which the claim is based: House watering, gardens, and animals.

3. Date or approximate date of earliest beneficial use and how continuous the use has been: 1934, used all the time.

4. The amount of groundwater claimed (in miner's inches or gallons per minute): ____________________________

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: Nothing except gardens.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Electric Pump.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: ____________________________

8. The depth of water table: 22 ft.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: ____________________________

10. The estimated amount of groundwater withdrawn each year: 100,000 gallons a day.

11. The log of formations encountered in the drilling of each well if available: ____________________________

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: ____________________________

Signature of Owner: ____________________________ Date: Dec 25, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

Alice G. Emmert and Mary K. Riedel, of Route 2, Kalispell

(Name of Appropriator) (Address) (Town)

County of Flathead State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based ...........................................

   household, stock and irrigation

3. Date or approximate date of earliest beneficial use; and how continuous the use has been

   Continuously since about 1915

4. The amount of groundwater claimed (in miner's inches or gallons per minute) ...........................................

   50 miner's inches

5. If used for irrigation, give the acreage and description of the lands

   to which water has been applied and name of the owner thereof

   9.4 acres garden and lawn; Alice G. Emmert and Mary K. Riedel

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal

   Electrically powered pumps see plat for locations

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater

   About 1915

8. The depth of water table

   15 feet from top of ground

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater

   2 driven sand points about 25 feet deep

10. The estimated amount of groundwater withdrawn each year

    365,000 gallon

11. The log of formations encountered in the drilling of each well if available

    Unknown

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

    None

Signature of Owner Alice G. Emmert

Date December 31, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology, and quadruplicate for the Appropriator.

DECLARATION OF VESTED GROUNDWATER RIGHTS

(under Chapter 237, Montana Session Laws, 1961)

Gerald L. Bollier, of Flathead

County of Flathead \ State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: Norway stock, lawn, garden

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: June 15, 1962

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 20 gallons per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: not applicable

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: well, located on said property

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: was drilled

8. The depth of water table: within 13.7 ft

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: 137 ft deep, with 1 in. casing, capped

10. The estimated amount of groundwater withdrawn each year: 209,000 gallons

11. The log of formations encountered in the drilling of each well if available: not available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: not available

Signature of Owner: Gerald L. Bollier

Date: Dec. 30, 1962

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology and Quadruplicate for the Appropriator.

2. Address: [Redacted]
3. Town: [Redacted]
4. County of: Flathead
5. State of: Montana
6. Date of Declaration: January 6, 1964
7. Have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: HOUSEHOLD

3. Date or approximate date of earliest beneficial use: NOV 20 1923
4. The amount of groundwater claimed (in miner's inches or gallons per minute): 1500 G.P.M.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: 100 ACRES
6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: LAKE PUMP

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: 1923
8. The depth of water table: 60 FT.
9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: DRILLED WELLS, 88 GROSS AC FT.
10. The estimated amount of groundwater withdrawn each year: 200,000
11. The log of formations encountered in the drilling of each well if available: [Redacted]
12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: [Redacted]

Signature of Owner: Edward H. Foster
Date: Dec 30, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located. Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

R. B. McWilliams
Route 4 Kallisville
Flathead County
State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. Name of Appropriate: R. B. McWilliams
Address: Route 4 Kallisville
Town: Flathead
State: Montana

2. The beneficial use on which the claim is based: Domestic, irrigation and watering stock.

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: 1935 and continuous since said time.

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 6 gals. per minute

5. If used for irrigation, give the average and description of the land to which water has been applied and name of the owner thereof: Irrigate only garden, flowers, etc.

6. Means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Pump located in the Northwest corner of said property.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: Commenced in 1935 and completed in 1935.

8. The depth of water table: Approximately 236 feet.

9. So far as it may be available, the type, size and depth of each well or the general specification of any other works for the withdrawal of groundwater: 8 in. casing, two inch pipe, drilled well, 236 feet deep.

10. The estimated amount of groundwater withdrawn each year: 100000 gals.

11. The log of form or survey made in the drilling of each well if available: Not Available.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: Not Available.

Signature of Owner: R. B. McWilliams
Date: December 31, 1964

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.
Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and quadruplicate for the Appropriator.
Notice of Completion of Groundwater Appropriation by Means of Well

(Under Chapter 237, Montana Session Laws, 1941)

Owner: [Name]
Address: [Address]
Date of Notice of Appropriation of Groundwater: [Date]
Date well started: [Date]
Date well completed: [Date]

Type of well: [Type]
Equipment Used: [Type]

Water Use: [Type]

Indicate on the diagram the character and thickness of the different strata met with in drilling, such as soil, clay, shale, gravel, rock or sand, etc. Show depth at which water is encountered, thickness and character of water-bearing strata and height to which water rises in the well.

Static Water Level for non-flowing well: [Level] feet.
Shut-in Pressure for flowing well: [Pressure] feet.
Pumping Water Level: [Level] feet at [Pressure] per minute.
Discharge in gal. per min. of flowing well: [Rate] gal./min.

Remarks: (Gravel packing, cementing, packers, type of cutoff, location of place of use of groundwater if not at well, and any other similar pertinent information, including number of acres irrigated, if used for irrigation)

This form to be prepared by driller, and three copies to be filed by the owner with the County Clerk and Recorder in the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology; and quadruplicate for the Appropriator.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof...

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater...

8. The depth of water table...

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater.

10. The estimated amount of groundwater withdrawn each year...

11. The log of formations encountered in the drilling of each well if available...

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record...

Signature of Owner: [Signature]
Date: [Date]

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and quadruplicate for the Appropriator.
DECLARATION OF VESTED GROUNDWATER RIGHTS

(Under Chapter 237, Montana Session Laws, 1961)

1. Dorothy M. Von Wald, of Route 4, Kalispell, Flathead County, Montana, have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based:
   - Domestic and irrigation purposes

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: 1900. Use has been continuous since then.

4. The amount of groundwater claimed (in miner’s inches or gallons per minute): 60 gallons per minute.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof. Lot 2 of Section 3, Township 28 North, Range 20 West, containing approximately 40.48 acres.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
   - The southwest corner of said Lot 2.

7. The date of commencement and completion of the construction of the well, wells, or other work for withdrawal of groundwater. The well was commenced and completed in approximately 1900, and the well has been improved and added to and the system has been modernized at various times since then.

8. The depth of water table: 130 feet.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:
   - One horsepower motor on a submersible pump 150 feet - depth of well.

10. The estimated amount of groundwater withdrawn each year: 7,200,000 gallons.

11. The log of formations encountered in the drilling of each well if available:
   - Not available.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:
   - No information available.

Signature of Owner: Dorothy M. Von Wald
Date: June 19, 1969

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the School of Mines and quadruplicate for the Appropriator.

Notice of Completion of Groundwater Appropriation by Means of Well

(Under Chapter 237, Montana Session Laws, 1961)

Owner: Clyde Pederson
Address: 244 Kalipea, Missoula, Montana

Date of Notice of Appropriation of Groundwater: April 14, 1964

Date well started: May 5, 1964

Drilled: (Churn, drill, rotary or other)

Type of well: Equipment Used: (dug, driven, bored or drilled)

Water Use: Domestic [ ] Municipal [ ] Stock [ ] Irrigation [x]
Industrial [ ] Drainage [ ] Other [ ]

Indicate on the diagram the character and thickness of the different strata met with in drilling, such as soil, clay, shale, gravel, rock or sand, etc. Show depth at which water is encountered, thickness and character of water-bearing strata and height to which the water rises in the well.

1. William A. Puhlmann
   (Name of Appropriator) (Address) (Town)
   County of Blaine State of Montana
   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: Domestic and Irrigation

3. Date or approximate date of earliest beneficial use: 1960
   how continuous the use has been: Continuously
   (approximate acreage thereof):

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 100
   (20,000) gallons per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:
   Name of Irrigation

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
   Pump: 50 ft. NW 1-21 R 20

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:
   Before I acquired the real estate and the former owner was drilling, I have no way of knowing.

8. The depth of water table: 190 ft.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:
   Drilled well, 6 in. I.O. casing, 212 ft. deep

10. The estimated amount of groundwater withdrawn each year: 265,000 gallons

11. The log of formations encountered in the drilling of each well if available: Not Available

12. Such other information as may be useful in carrying out the policy of this act, including reference to book and page of any county record:
   No other information available to my knowledge
