Declaration of Vested Groundwater Rights  

(Under Chapter 237, Montana Session Laws, 1961)  

STATE OF MONTANA  
ADMINISTRATOR OF GROUNDWATER CODE  
OFFICE OF STATE ENGINEER  

Declaration of Vested Groundwater Rights  

JAN 6 1364  

(State of Montana)  

County of  

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:  

2. The beneficial use on which the claim is based.  

Lawn 4 Garden.  

3. Date or approximate date of earliest beneficial use; and how continuous the use has been.  

4. The amount of groundwater claimed per month or per year.  

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof.  

6. Indicate point of appropriation and place of use, if possible.  

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater.  

8. The depth of water table approximately.  

9. So far as may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater.  

10. The estimated amount of groundwater withdrawn each year.  

11. The log of formations encountered in the drilling of each well if available.  

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.  

Signature of owner  

Date  

Three copies to be tiled by the owner with the County Clerk and Recorder of the county in which the well is located. Please answer all questions. If not applicable, so state, otherwise the form will be returned.  

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and quadruplicate for the Appropriator.

Notice of Completion of Groundwater Appropriation by Means of Well
(Under Chapter 237, Montana Session Laws, 1961)

Driller: Address:

Date of Notice of Appropriation of Groundwater:

Date well started:

Date completed:

Type of well:

Equipment used:

Water use:

Indicate on the diagram the character and thickness of the different strata met with in drilling, such as soil, clay, shale, gravel, rock or sand, etc. Show depth at which water is encountered, thickness and character of water-bearing strata and height to which water rise' in the well.

Static water level for non-flowing well:

Shut-in pressure for flowing well:

Pumping:

Discharge in gal. per min. of flowing well:

Remarks:

Indicate location of well and place of use, if possible. Each small square represents 10 acres.

Show exact depth of bottom.

Driller's Signature

ThiU form to be prepared by driller, and three copies to be filed by the owner with the County Clerk and Recorder in the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and quadruplicate for the appropriate.

**Declaration of Vested Groundwater Rights**

(Under Chapter 237, Montana Session Laws, 1961)

1. **Name of Appropriator**: Alispell

2. **Beneficial use on which the claim is based**:
   - Household, domestic, and irrigation of garden and yard.

3. **Date or approximate date of earliest beneficial use; and how continuous the use has been**:
   - Continuous since January 1, 1962.

4. **Amount of groundwater claimed**:
   - In minor's incites or gallons per minute.

5. **If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof**:
   - About 1.9 acres windbreak, 11/2 acres fruit gardens, 11/2 acres lawn.

6. **Means of withdrawing such water from the ground and the location of each well or other means of withdrawal**:
   - Electric motor, dried water jet pump.

7. **Date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater**: About 1906.

8. **Depth of water table**:
   - 10 feet.

9. **Estimated amount of groundwater withdrawn each year**:
   - About 929,929 gallons.

10. **Log of formations, encountered in the drilling of each well if available**:

11. **Such other information of similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record**:

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located. Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

[Sections and fields for declaration completion]

2. The beneficial use on which the claim is based—

3. Date or approximate date of earliest beneficial use; and how continuous the use has been—

4. The amount of groundwater claimed (in miner's inches or gallons per minute)—

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof—

6. Indicate point of appropriation and place of use, if possible.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater—

8. The depth of water table—

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater—

10. The estimated amount of groundwater withdrawn each year—

11. The log of formations encountered in the drilling of each well if available—

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record—

Signature—

Date—

Three copies to be filed by the ivr with the County Clerk and Recorder of the county in which the well is located.
If any question is answered, if not applicable, so state, otherwise the form will be returned.

Made to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology and Quadruplicate for the Appropriator.
Declaration of Vested Groundwater Rights
(Under Chapter 2C7, Montana Session Laws, 1961)

Appropriator) (Address) — (Town)

County of __________ State of ________

Certificate of Appropriate ground-watcr according to the Montana laws in effect prior to January 1, 1962, as follows:

3. The beneficial use on which the claim is based is: __________.

3. Date or approximate date of earliest beneficial use; and how continuous the use has been. __________.

4. The amount of CTOTwater claimed (in acre-feet, gallons per minute, or other units). __________.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof. __________.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal. __________.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater. __________.

8. The depth of water table. __________.

9. So far as it may be available, the type, size, and depth, of each well or the general characteristics of any other works for withdrawal of groundwater. __________.

10. The estimated amount of water withdrawn annually. __________.

11. The lost or formations encountered in the drilling of each well if available. __________.

12. Such other information of a similar nature as may Of Use to the Engineer in carrying out the policy of this act, including reference to book and page of any i-county record. __________.

Date __________.

Three copies to be filed by the __________. Original to the County Clerk and Recorder of the __________. Please answer all questions, if applicable. A statement of return of the form will be returned.

Original to the County Clerk and Recorder; duplicate to the __________. Triplicate to the Montana Bureau of Mines and Geology for __________. Appropriator.
This form to be prepared by driller, and three copies to be filed by the owner with the County Clerk and Recorder in the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder: duplicate to the State Engineer: Triplicate to the School of Mines.
NOTICE OF COMPLETION OF GROUNDWATER
APPROPRIATE BY MEANS OF WELL

Developed after January 1, 1962

Owner if irrigating shall file a supplemental application for a water right before using water from this well.

Address: Fill in.

Date well started...15/22......GW 1

completed......June 197?

Type of well....STILL

Equipment used...A&T_3Br9X3

Water Use: Domestic f; Municipal G Stock Q Irrigation •

Use: if used for irrigation, industrial, drainage or other. Explain, state number of acres and location or other data (i.e. Lot, Block and Addition).

Estimated Annual Withdrawal...4060=800.

Remarks: (Gravel packing, cementing, packers, type of shutoff)

INDICATE LOCATION OF WELL AND PLACE OF USE. IF POSSIBLE. EACH SMALL SQUARE REPRESENTS 40 ACRES.

Notice of Completion of Groundwater Appropriation

Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: ____________

Contractor (if any): ____________________________

Address of Contractor: __________________________

Date Started: ___________; Date Complete: ____________

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable. ____________

Describe point of appropriation and place of use, if possible. ____________

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent estimate approximate lengths of periods of use: ____________

Signature of Owner: ____________________________

Date: ____________

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the Stats Engineer; triplicate to the Montana Bureau of Mines and Geology and quadruplicate for the Appropriates.
