DeclARATION OF VESTED GROUND WATER RIGHTS

(Under Chapter 237, Montana Session Laws, 1961)

(Name of Appropriator) (Address)

County of ___________ State of ___________

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. The beneficial use on which the claim is based: ___________

2. The date of earliest beneficial use: ___________

3. The method of withdrawing such water from the ground and the location of each well or other means of withdrawal: ___________

4. The depth of each well table: ___________

5. The log of formations encountered in the drilling of each well if available: ___________

6. The estimated amount of ground water withdrawn each year: ___________

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of ground water: ___________

8. The means of withdrawing such water from the ground and location of each well or other means of withdrawal: ___________

9. The type, size and depth of each well or the general specifications of any other works for withdrawal of ground water: ___________

10. The estimated amount of ground water withdrawn each year: ___________

11. The log of formations encountered in the drilling of each well if available: ___________

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: ___________

Signature of ___________ Date: ___________

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located. Please answer all questions. If not applicable, so state, otherwise the form will be returned.

OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

I have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. Name of Appropriator (Address) (Town) County of... (State of...)

2. The beneficial use on which the claim is based. (OS, LF, EF, etc.)

3. Date or approximate date of earliest beneficial use, and Low continuous the use has been...

4. The amount of groundwater claimed (in miner's inches or gallons per minute)

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof...

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal...

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater.

8. The depth of water table...

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for withdrawal of groundwater...

10. The estimated amount of groundwater withdrawn each year...

11. The log of formations encountered in the drilling of each well if available...

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

1. Classed W. Joe Don ... of Columbia Falls
   (Name of Appropriator) Address (Town)

   County of Flathead, State of Montana, have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based: for livestock, for household use, and for irrigation;

   3. Date or approximate date of earliest beneficial use: 1938

   4. Use has been continuous since that date:

   5. The amount of groundwater claimed (in miner's inches or gallons per minute):

   6. If irrigated for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:

   7. The date of commencement and completion of the construction of the well, wells or other works for withdrawal of groundwater:

   8. The depth of water table:

   9. The log of formations encountered in the drilling of each well:

   10. The estimated amount of groundwater withdrawn each year:

   11. The log of formations encountered in the drilling of each well:

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

   Signature of Owner:

   Date: 9-16-1961

Three copies to be filed by the State Engineer with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Orinigal to the County 'k and Recorder: Triplicate to the Montana Bureau of Ground Water Resources for the Administrator.
