STATE OF MONTANA

ATTESTOR OF GROUNDWATER

DECLARATION OF VESTED GROUNDWATER RIGHTS

(Staff of Atkins, Anderson, & Furutani)

COUNTY of Flathead, State of Montana

1. (Name of Apprator) (Address) (Town) County of Flathead, State of Montana

Have appropriated groundwater according to the Montana laws in effect prior to Jan. 1, 1962, as follows:

2. The beneficial use on which the claim is based
   House & Stock

3. The amount of ground water claimed (in miner's inches or gallons per minute)

4. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

5. The depth of water table

6. The means of withdrawing such water from the ground and the location of each well or other means

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater

8. The depth of water table

9. The estimated amount of groundwater withdrawn each year

10. The log of formations encountered in the drilling of each well if available

11. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

Signature of Owner:

Date:

Three copies to be filed by the owner with the County Clerk and Recorder of the County in which the well is located.

Original to the County Clerk or Recorder; duplicate to the State Engineer; triplicate to the School of Mines and quadruplicate for the Apprator.

PLEASE ANSWER ALL QUESTIONS. IF NOT APPLICABLE, STATE, OTHERWISE THE FORM WILL BE RETURNED.
On this 30th day of December 1963 George C. Dielnan personally appeared and signed the reverse side of this document.

On this 30th day of December 1963 before me Lewis L. Dielnan personally appeared George C. Dielnan known to me to be the person whose name is subscribed to the within instrument and acknowledged to me that he executed the same.

IN YHHESS WHEREOF I have hereunto set my hand and affixed my official seal the day and year first in this certificate above written.

ST
Notice of Completion of Groundwater Appropriation by Means of Well

Owner's Name: A. B. Smith
Address: 123 Main St., Bozeman, MT
Date of Notice of Appropriation of Groundwater: June 1, 2023

Type of well: Drilled
Equipment Used: Rotary drill
Water Use: Domestic

Indicate on the diagram the character and thickness of the different strata met within drilling, such as soil, clay, shale, gravel, rock or sand, etc. Show depth at which water is encountered, thickness and character of water-bearing strata and height to which water rises in the well.

Static Water Level for non-flowing Well: 30 ft.
Shut-in Pressure for Flowing Well: 20 PSI
Pumping Water Level: 50 ft., 200 gallons per minute
Discharge in c.f.s. of flowing well: 10 c.f.s.

Remarks: Gravel packing, cementing, packers, type of shutoff, location of place of use of groundwater if not at well, and any other pertinent information, including number of acres irrigated, if used for irrigation.

Indicate location of well and place of use, if possible. Each small square represents 10 acres.

Show exact depth of bottom.

Driller's License Number: 123456
Driller's Signature: A. B. Smith

This form to be prepared by driller, and three copies to be filed by the owner with the County Clerk and Recorder in the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and quadruplicate for the Appropriator.

Address: 145 Main St., Placid, MT 59820

Driller's Last Name: Smith
Address: P.O. Box 123, Placid, MT 59820

Date of Notice of Appropriation of Groundwater: September 1, 1965
Date well started: July 1, 1965
Date completed: September 1, 1965

Type of Well: Drilled Equipment Used: Churn drill

Well Completion: The well is completed with a Screen of 10 feet in length and a gravel pack of 30 feet in height.

Shut-in Pressure for Flowing Well: 30 PSI

Discharge: 5 gpm

Date: 1966

Remarks: Gravel packing, cementing, packers, type of shutoff, location of place of use of groundwater if not at well, and any other pertinent information, including number of acres irrigated, if used for irrigation.

Driller's License Number: 123456
Driller's Signature: 

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

The form to be prepared by driller, and three copies to be tiled by the owner with the County Clerk and Recorder in the county in which the well is located.

Original to the County Clerk and Recorder: duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and quadruplicate for the Appropriator.

ADMINISTRATOR OF GROUNDWATER CODE
MONTANA WATER RESOURCES BOARD

NOTICE OF COMPLETION OF GROUND WATER
APPROPRIATION BY MEANS OF WELL

Developed after January 1, 1962
(Under Chapter 237 Montana Session laws, 1961, as amended)

This form to be prepared by driller, and three copies to be filed by the owner with the County Clerk and Recorder in the county in which the well is located, last copy to be retained by driller.

Please answer all questions. If not applicable, so state, otherwise the form may be returned.

Owner: John Smith
Address: 123 Main St, Anytown, MT 59999

Date well started: January 1, 1962

Type of well: Deep Well
Equipment used: Drilling rig

Water Use: Domestic

Estimated annual withdrawal: 10,000 gallons

Static water level: 10 ft
Pumping water level: 5 ft

Well enveloped by: 100 feet

Remarks: None

Driller's Signature: John Smith
Drills Address: 456 Other St, Anytown, MT 59999

LICENSE NO: 12345

Top of Ground: 0 ft
Silt: 10 ft
Clay: 20 ft

INDICATE LOCATION OF WELL AND PLACE OF USE, IF POSSIBLE.

Each small square represents 40 acres.

Show exact depth of bottom.
As the Administrator of the Groundwater Code for the State of Montana, please take note of the following special instructions, in order to properly protect your groundwater right.

**Special Instructions:** Please provide, if available, as indicated in red on the attached form, the complete mailing address of the owner; and the complete location of the well by section, township, and range.

Thank you.

**Declaration of Vested Groundwater Rights**

(Under Chapter 237, Montana Session Laws, 1951)

**i. Declaration of Vested Groundwater Rights**

1. The beneficial use on which the claim is based.
2. Date or approximate date of earliest beneficial use; and how continuous the use has been.
3. The amount of groundwater claimed, (in miner's inches or gallons per minute).
4. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof.
5. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal.
6. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater.
7. The depth of water table.
8. So far as it may be available, the type, age, and depth of each well of the general specifications of any other works for the withdrawal of groundwater.
9. The estimated amount of groundwater withdrawn each year.
10. The depth of water table.
11. The top of formations encountered in the drilling of each well if available.
12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder: duplicate to the State Engineer. Triplicate to the Montana Bureau of Mines and Geology and QuadruPLICATE to the Aumpropriator.
